Out Of Albania Out Of Albania:

Out of Albania Russell King, Nicola Mai, 2008-10-01 Analysing the dynamics of the post 1990 Albanian migration to Italy this book is the first major study of one of Europe's newest most dramatic yet least understood migrations It takes a close look at migrants employment housing and social exclusion in Italy as well as the process of return migration to Albania The research described in the book challenges the pervasive stereotype of the bad Albanian and through in depth fieldwork on Albanian communities in Italy and back in Albania provides rich insights into the Albanian experience of migration settlement and return in both their positive and their negative aspects Greek New Testament Manuscripts from Albania Didier

Lafleur, Luc Brogly, 2018-06-19 In *Greek New Testament Manuscripts from Albania* Didier Lafleur and Luc Brogly explore the riches of a unique collection of twenty one Byzantine artefacts among which the world famous Beratinus 1 and Beratinus 2 both included by UNESCO in the Memory of the World Register First described at the end of the 19th century by Anthimos Alexoudis then revealed to Western scholarship by Pierre Batiffol yet this collection has remained unknown to textual critics and no major analysis of it has been performed in over a century Based on a fresh autopsy of the documents the book describes the artefacts physically and analyses textual features and variant readings of each This monograph will be of vital interest to any scholar or advanced student in the fields of Greek New Testament textual criticism and codicology *FROM*

ALBANIA TO SICILY Adam YAMEY, 2014-08-29 Albanian communities have been in existence in Sicily for over 500 years Albanians have been living in Sicily since the 15th century They have preserved their language and traditions that pre date the arrival of the Ottomans in the Balkans This volume is about the descendants of the Albanians who left their Balkan homelands when they were invaded by the Ottoman Turks in the 15th century Known as the Arb resh in Sicily and the other parts of Italy where they settled many of the descendants of these refugees have managed to continue their Albanian traditions culture and language whilst integrating harmoniously with their Italian neighbours In this book Adam Yamey describes his visit to the Sicilian Arb resh people and illustrates it with a profusion of fascinating photographs Combining personal observation with in depth research this at times entertaining and always informative personal travelogue is one of only a few books in English about Sicily's Albanians

Albania Gillian Gloyer, 2018 This new thoroughly updated sixth edition of Bradt's *Albania* remains the only standalone guide to this dynamic and rapidly modernising eastern European country from the capital Tirana a lively European city with shopping malls cycle paths museums galleries and historic buildings to remote outposts where traditional ways of life prevail Updated by expert author Gillian Gloyer it includes all developments since the last edition reflecting changes such as continued investment in the road network and construction of fast highways connecting main cities improved hotel provision and new museums dedicated to Albania's communist history Despite such modernisation Albania is one of very few European countries where it is still possible to immerse yourself in traditional lifestyles and culture and Bradt's *Albania* provides details of where to experience this for yourself In highland

villages people tend their livestock and gather their crops with little or no mechanisation they milk their cows and goats by hand they make their own cheese and bread they distil home made spirits from local fruits and berries In addition many villagers have opened up their traditional homes as guest houses offering a wonderful opportunity to experience their culture first hand Bradt's Albania also includes details of watching the country's rare wildlife such as wildcats lynx wolves and bears and of visiting its three World Heritage Sites the archaeological site and national park of Butrint and the Ottoman cities of Berat and Gjirokastra Iso polyphony the traditional music of the south west is also listed as part of World Heritage by UNESCO With rigorously researched historical and archaeological background information detailed notes on popular and less well known hiking routes and other outdoor activities specialist contributors on wildlife military history and other topics and an unparalleled wealth of practical advice for the independent traveller Bradt's Albania is the ideal companion for discovering this intriguing country

Italy and Albania Alessandro Roselli, 2006-06-30 The first full and comprehensive examination of the turbulent financial and economic relationship between Italy and Albania in the twentieth century which throws new light on Italian Fascist imperialism Italy and Albania retraces the complicated foreign and economic strategy that led in 1939 to the union of the two crowns of Italy and Albania Drawing on original research Roselli shows how Italy's strategy towards Albania veered between the extremes of a minimum of economic penetration and a maximum of political interference He shows how from an Albanian perspective King Zog's policy was an impossible balancing act between the conflicting interests of foreign powers Often presented as a trophy of Fascist foreign policy the Italian experience in Albania in the interwar period can be regarded as a major economic failure The huge inflow of Italian capital to Albania consisting almost entirely of government money failed not only to set in motion a stable expansion of the Albanian economy but also to produce a return for Italy in terms of the exploitation of the country's natural resources or its trade with Albania Contemporary observers were impressed by the strength of Albania's currency its monetary regime based on the gold standard and its strong balance of payments But this was largely window dressing behind which there was an extremely backward economy that siphoned resources out of Italy without that country gaining any appreciable advantage Seen in this light the events of 1939 the Italian occupation of Albania and the Union between the two countries become the inevitable consequence of a state of economic affairs that was unacceptable to Fascist Italy Italy's involvement in Albania did not end with the defeat of Fascism as the long international controversy surrounding the gold of the Albanian Central Bank demonstrates This book makes a major contribution to our understanding of the history of both countries and the make up of Europe today

Yugoslav-Albanian Relations, 1939-1948 Vladimir Dedijer, 1962

Albanian Identities Stephanie Schwandner-Sievers, Bernd Jürgen Fischer, 2002 The contributors to this study critically deconstruct Albanian myths and offer insights into Albanian history and politics They conclude with contemporary Albanian critiques of the origins and functions of Albanian politics and ideologies

BEKTASHISM & THE ALBANIAN TEKKE IN AMERICA Xhevat

Kallajxhi,2017-07-07 This book written for the tenth anniversary 1964 of the establishment of the Western Hemisphere s first and so far only Bektashi tekke gives valuable insight into Bektashi beliefs and history as well as the the love and devotion that went into the founding of this unique spiritual institution Available in English for the first time **Human Rights in Albania** United States. Congress. House. Committee on Foreign Affairs. Subcommittee on Human Rights and International Organizations,1985 Decoding Albanian Organized Crime Jana Arsovska,2015-02-06 The expansion of organized crime across national borders has become a key security concern for the international community In this theoretically and empirically vibrant portrait of a global phenomenon Jana Arsovska examines some of the most widespread myths about the so called Albanian Mafia Based on more than a decade of research including interviews with victims offenders and law enforcement across ten countries as well as court files and confidential intelligence reports Decoding Albanian Organized Crime presents a comprehensive overview of the causes codes of conduct activities migration and structure of Albanian organized crime groups in the Balkans Western Europe and the United States Paying particular attention to the dynamic relationships among culture politics and organized crime the book develops a framework for understanding the global growth of the criminal underworld and provides a model for future comparative research
