

# DISCOVER THE SIGNIFICANCE OF A LIFE OVERFLOWING.

*Outflow* introduces you to principles for enjoying a life that's filled to the brim with God's love, joy, and hope. It starts with a deep relationship with God, then flows out to touch your family and friends, your neighbors, your world.

They'll notice a difference . . . and so will you.

Get ready to experience God's love in a new way—and to share it with others in a manner that's natural, simple, and heart-felt.

"I train believers all over the world on how to share their faith in 'irresistible' ways. I've come to realize that good training provides the tracks to run on, but *Outflow* addresses the issues of the heart which have long kept well-intentioned believers from moving into the flow of what God wants to do in and through them. It's been said that when the heart is right, the feet are swift. If that is true I can assure you that this book will move you into action because the heart is the heart of the matter."

—Doug Pollock, *Evangelism Director for Adheres In Action*

"I feel guilty, most Christians feel guilty, and I bet you do too. Why? We know we should do better living out our faith. But how? Sjogren once again shows us the way with *Outflow*. He reminds us that it's about lifestyle, how-to's and compassion—not programs, must-do's or formulas. This book is perfect for congregations, small groups, and . . . for me!"

—Nelson Seeger, *Lead Pastor, The Journey Church, New York City and Founder, www.ChurchLeaderInsights.com*

"Imagine your life overflowing with extraordinary joy and power—and all the while, impacting everyone around you naturally and authentically? Steve Sjogren and Dave Ping demonstrate exactly how to make that happen! *Outflow* delivers a powerful array of refreshingly relevant and practical ideas for living a new kind of life in today's world. This field guide is an irresistible invitation to connect with God in such a way that you can't help but draw others to Him!"

—Cathy Poole, *Director of Spiritual Discovery at Willow Creek Community Church and author of Seeker Small Groups*

"Think concentric circles, a pebble hitting water's surface and rippling out to the pond's edges. That's the concept of *Outflow*. God lives within us and bubbles up and out of our very beings, splashing His life on our world—coloring it in hues of hope. Evangelism has never been so pure, so whole, so real . . . so effortless. Let it flow."

—Elisa Morgan, *CEO of MOPS International*

"At a time when churches desperately need to connect with their own as well as with the unchurched, Dave Ping provides practical tools and life-changing insights into transforming relationships that will impact our culture. It is a book that provides a personal plan of action for those who want to be effective in reaching people at every level. Dave Ping has used practical and relative ways to communicate timeless principles that will assist any leader in answering critical questions as they relate to reaching people where they are."

—Barry A. Clardy, *Pastor of Princeton Pike Church of God*

techniques But too often these emphases are not the result of deep theological convictions but of the church's adoption of modern visions of communication and success In our day preaching is easily unmoored from its biblical theological and historical anchors Too often it has become a tool of celebrity We have seen pulpits and preaching taken captive by political and pragmatic ideologies The teaching office of the church has sometimes been manipulated to secure and maintain human power The present condition of much preaching in our time compels us to ask What is our theology of preaching Is our vision of the sermon rooted in the miracle of God's word proclaimed or in the desire to entertain Is our preaching a function of a theology of glory or a theology of the cross Reflecting on such questions the essays in this volume seek to chart a path forward for word centered God glorifying preaching
