Outland Far From Home Book 17:

Corrective and Social Psychiatry and Journal of Behavioral Technology Methods and Therapy ,1971 **Corrective Psychiatry and Journal of Social Therapy** ,1972 **On the Divide** David H. Porter,2008-12-01 On the Divide analyzes the iconic image that Cather helped develop for herself in contrast to the anonymous face she adopted for promotional activities and the very different private self she shared only with friends and family Delving into Cather's correspondence and the little known promotional material she produced anonymously David Porter provides new insight into the extent and direction of her control He also considers the contrasting influences of Mary Baker Eddy whose biography Cather ghostwrote and Sarah Orne Jewett on the author's emerging artistic persona The study goes on to explore the many ways in which these OC divides in Cather's life found expression in her writing Extending from Cather's early stories to her final novel Porter's book documents the degree to which Cather's understanding of her own different and often conflicting sides and of her penchant for playing diverse roles enabled her as a novelist to create characters so torn so complex and so profoundly human Liberation Literature Virginia Hamilton,2024-09-17 A monumental collection by one of America's greatest authors of children's literature and the launch of a new imprint ReLIT that republishes lost classics for a modern readership Virginia Hamilton 1936-2002 was not only one of the most magnificent writers who ever lived winning honors such as the Newbery Medal Newbery Honor National Book Award and the Coretta Scott King Award for classics like *The House of Dies Drear* *The People Could Fly* *M.C. Higgins the Great* and *Her Stories* she was one of the greatest thinkers we ever had on children's literature Born to a family of storytellers she wove into her books and thoughts a deep concern with memory tradition and generational legacy especially as they helped define the lives of African Americans from the days of slavery onward Hamilton described her work as liberation literature This landmark book since fallen out of print and now lovingly restored and repackaged in this gorgeous edition brings together her essays speeches and interviews into one thought provoking incisive inspiring whole Presented in a high quality flexibound binding *Liberation Literature* also features a foreword by Laura Pegasus founder of Kweli an introduction by Dr Rudine Sims Bishop the mother of multicultural children's literature and a full color frontispiece portrait of Virginia Hamilton illustrated by Caldecott Medalists Leo and Diane Dillon It is a must have for anyone interested in writing the history of African American representation in children's literature and literature overall *Vassar Outlander* Ralph Lo Cascio,2007-03 In 1946 ninety four World War II veterans find themselves in the midst of a sea of cloistered damsels at Vassar College Four years later eleven of those veterans graduate One of them is battle hardened Frankie Fanelli who was raised in the slums of Newburgh New York Before Frankie enters Vassar he is a physically confident sexually active barroom brawler unhappy that only unskilled jobs are open to him At first he finds himself intellectually and socially intimidated by the Vassar ambiance Gradually he copes with the new demands not the least of which is a romance with beautiful self-assured upper middle class Alexis Interweaving

the veterans experiences with historical documents articles from student newspapers and newspaper headlines Vassar Outlander becomes more than another coming of age tale Characters confront major issues that reverberate today more than a half century later e g Israeli Arab conflict Korean tension anti Semitism race bias homosexuality pre marital sex religion and politics *The Social Service Review* Edith Abbott, Sophonisba Preston Breckinridge, 1978 Includes sections Book reviews and Public documents Corrective and Social Psychiatry and Journal of Behavior Technology Methods and Therapy , 1972 **Literary Tourism and the British Isles** LuAnn McCracken Fletcher, 2018-12-10 An interdisciplinary exploration of literary tourism s role in shaping how locations in the British and Irish Isles have been seen narrated and valued *Queer Lasting* Sarah Ensor, 2025-02-04 What queer modes of resilience and care can teach us about enduring environmental collapse What does it mean to live at the end of life the end of a family line the end of a species or the end of the future itself When faced with unfurling catastrophes environmentalists often limit the conversation by focusing on the future Activists work for the welfare of future generations while scientists labor over projections of future outcomes In *Queer Lasting* Sarah Ensor asks what this emphasis on the future makes unthinkable She looks to queer scenes of futurelessness to consider what ecocriticism can learn from queer theory which imagines and inhabits the immanent ethical possibilities of a terminal present While living at the last is often a terrifying prospect queer culture reminds us that to last is itself also one way to go on Defining queerness as a mode of collective life in which these paradigms of lasting ending and persisting are constitutively intertwined Ensor turns to two periods of queer extinction for models of care continuance and collective action predicated on futurelessness the 1890s in which existing forms of erotic affiliation were extinguished through the binary of homo heterosexuality and the 1980s in which the spread of the AIDS epidemic threatened the total loss of gay lives and of specific erotic ways of life Through readings that trace unexpected formal resonances across the works of Sarah Orne Jewett Willa Cather Melvin Dixon Essex Hemphill Allen Barnett and Samuel Delany *Queer Lasting* maintains that queer writing in its intimacy with death and loss offers a rich archive for imagining new ways of thinking through environmental collapse Whether confronting the epidemic contours of the AIDS crisis theorizing the temporary encounters of cruising or reckoning with the lives of non reproductive subjects this book about futurelessness is also a book about persistence It demonstrates how far from giving up in the face of the terminal paradigms that environmentalism fears queer culture has instead predicated its living and its lasting upon them **Regenerating the Feminine** April C. Heaslip, 2025-08-15 Mythologists work as cultural animateurs tracking patterns and trends identifying archetypal and symbolic wounds and remedies Reading cultural and environmental events via texts and patterns from such a perspective enables dynamic dialogue and action *Regenerating the Feminine* Psyche Culture and Nature examines the history of the lost and degraded archetypal feminine of Western cultures whose resurgence in scholarship the arts and social justice practices is now on the rise Drawing on various methodologies to deepen our understanding of this regenerative phenomenon author April C Heaslip charts the significance

of interconnected expressions dramatically impacting our sense of self community history health culture and creativity This study examines the feminine s resurgence via emerging imaginal archetypal paradigms in literary fiction memoir and cinematic expression Utilizing literary and film studies depth psychology archaeomythology history and religious studies to examine the cultural and personal phenomenon of feminine renewal this book explores how remythologizing regeneration as well as remapping complex and neglected personal and collective wasteland landscapes revitalizes the relationship between psyche culture and nature Tending to the return of the feminine and the complex cultural and eco wastelands this post Jungian inquiry remythologizes notions of wholeness amplifies feminist revisions of Joseph Campbell s hero s journey and provides transdisciplinary best practices in support of personal individuation cultural revitalization and ecological healing
