Walk on Water Lea Belair, 2005 Wander Woman Marcia Reynolds, 2010-06-14 Presents fresh research and powerful stories to give voice to a new generation of women driven by challenge and change Offers compelling advice on how to make wandering a life strategy not just a series of unplanned events Includes probing questions and thought provoking exercises to help readers find peace in life's chaos and confusion 2011 Axiom Award Gold Medal winner in the category of Women in Business There's a new generation of high achieving women today confident ambitious accomplished driven And yet as master coach Marcia Reynolds discovered many of them are also anxious discontented and frustrated They're constantly questioning their purpose juggling multiple roles and reevaluating their goals As a result they're restless they move from job to job from challenge to challenge almost on impulse They're wander women Existing personal

growth books so focused on empowerment and encouragement can't help these women. They don't need to find their voice; they know how to roar. They don't expect balance in their lives, but they long to find peace in the chaos. They aren't necessarily focused on gaining a seat in the boardroom; they want projects that mean something or businesses they run on their own. Reynolds helps wander women understand the roots of their restlessness and make their wandering a conscious strategy, not a reaction. Drawing on extensive research and interviews, she illuminates the needs that drive their decisions and the core assumptions that lock them into rigid perfectionist patterns. She offers a wealth of exercises and practices that will enable wander women to reset their mental programming, discover new ways of finding direction, and thoughtfully choose and plan their futures, whether they climb the corporate ladder, find satisfaction below the glass ceiling, or set out on their own. For every woman plagued by frustration and self-doubt, *Will What I've Done Ever Feel Good Enough?* Wander Woman sets the stage to uncover the answers to life's tough questions about meaning and purpose, significance and value, and the legacy you can leave from a life lived well.
