## **Mobilizing Hope Faith Inspired Activism For A Post Civil Rights Generation:**

Mobilizing Hope Adam Taylor,2010-08-03 In Martin Luther King s day the movement of God was a revolution in civil rights and human dignity Now Adam Taylor draws from that movement for the present where the burden of the world is different but the need is the same See what today s new nonconformists are doing to keep in step with the God of justice and love and find ways you can join them in an activism of hope Mobilizing Hope ,2010 Faith-Rooted Organizing Rev. Alexia Salvatierra,Peter Heltzel,2013-12-06 Since the 1930s organizing movements for social justice in the U S have largely been built on secular assumptions But what if Christians were to shape their organizing around the implications of the truth that God is real and Jesus is risen Reverend Alexia Salvatierra and theologian Peter Heltzel propose a model of organizing that arises from their Christian convictions with implications for all faiths **For a Voice and the Vote** Lisa Anderson Todd,2015-01-19 During the summer of 1964 hundreds of American college students descended on Mississippi to help the state s African American citizens register to vote Student organizers volunteers and community members canvassed black neighborhoods to organize the Mississippi Freedom Democratic Party MFDP a group that sought to give a voice to black Mississippians and demonstrate their will to vote in the face of terror and intimidation In *For a Voice and the Vote* author Lisa Anderson Todd gives a fascinating insider s account of her experience volunteering in Greenville Mississippi during Freedom Summer when she participated in organizing the MFDP Innovative and integrated the party provided political education ran candidates for office and offered participation in local and statewide meetings for blacks who were denied the vote For Todd it was an exciting dangerous and life changing experience Offering the first full account of the group s five days in Atlantic City the book draws on primary sources oral histories and the author s personal interviews of individuals who were supporters of the MFDP in 1964 **Forgive Us** Mae Elise Cannon,Lisa Sharon Harper,Troy Jackson,Soong-Chan Rah,2014-09-23 Many people have become angry and frustrated with organized religion and evangelical Christianity in particular Too often the church has proven to be a source of pain rather than a place of hope *Forgive Us* acknowledges the legitimacy of much of the anger toward the church In truth Christianity in America has significant brokenness in its history that demands recognition and repentance Only by this path can the church move forward with its message of forgiveness reconciliation and peace *Forgive Us* is thus a call to confession From Psalm 51 to the teachings of Jesus to the prayers of Nehemiah confession is the proper biblical response when God s people have injured others and turned their backs on God s ways In the book of Nehemiah the author confesses not only his own sins but also the sins of his ancestors The history of the American church demands a Nehemiah style confession both for our deeds and the deeds of those who came before us In each chapter of *Forgive Us* two pastors who are also academically trained historians provide accurate and compelling histories of some of the American church s greatest shortcomings Theologian Soong Chan Rah and justice leader Lisa Sharon Harper then share theological reflections along with appropriate words of confession and repentance Passionate and

purposeful Forgive Us will challenge evangelical readers and issue a heart felt request to the surrounding culture for forgiveness and a new beginning

**Doing Good Without Giving Up** Ben Lowe,2014-09-04 As Christians we all want change in the world But we don t just aim at change we aim at faithfulness and out of faithfulness comes fruitfulness Moving beyond theory activist Ben Lowe renews our mission with key postures practices and real life examples of what it looks like to persevere in faithful activism and advocacy today

**A Faith of Our Own** Jonathan Merritt,2012-05-08 Every day major headlines tell the story of how Christianity is attempting to influence American culture and politics But statistics show that young Americans are disenchanted with a faith that has become culturally antagonistic and too closely aligned with partisan politics In this personal yet practical work Jonathan Merritt uncovers the changing face of American Christianity by uniquely examining the coming of age of a new generation of Christians Jonathan Merritt illuminates the spiritual ethos of this new generation of believers who engage the world with Christ centered faith but an un polarized political perspective Through personal stories and biblically rooted commentary this scion of a leading evangelical family takes a close thoughtful look at the changing religious and political environment addressing such divisive issues as abortion gay marriage environmental use and care race war poverty and the imbalance of world wealth Through Scripture the examples of Jesus and personal defining faith experiences he distills the essential truths at the core of a Christian faith that is now just coming of age

Just Politics Ronald J. Sider,2012-09-01 Evangelicals today probably have more political influence in the United States than at any time in the last century but they might not be certain what to do with it It has been difficult to develop a unified voice on pressing issues such as social justice and moral renewal Bestselling author and theologian Ron Sider offers a biblically grounded factually rooted Christian approach to politics that cuts across ideological divides Shaped by a careful study of society this book will guide readers into more thoughtful and effective political activity It addresses perennially tough questions that often divide the church and includes a case study of the federal deficit debate Practical balanced and nonpartisan this book will be a welcome resource during the 2012 presidential race This is a revised version of what was previously published as The Scandal of Evangelical Politics

**Occupied Territories** Garth Hewitt,2014-09-04 Legendary singer songwriter Garth Hewitt has traveled throughout the world hearing the echoes of God on the margins of society and in the cracks of the world s empires Here he collects those echoes into a unified voice calling for the Prince of Peace to reign from Bethlehem to the ends of the earth

**Salt, Light, and a City, Second Edition** Graham Joseph Hill,2020-07-24 Jesus is calling his church to be a multiethnic and missional people who listen and learn from the many voices of world Christianity Graham Joseph Hill issues a moving call for churches to be missional by being conformed to the image of Jesus Christ Hill does this by exploring the thinking of twenty five Asian African Latin American Indigenous African American diaspora Caribbean Oceanian Eastern European and Middle Eastern pastors and theologians These are as diverse as Melba Padilla Maggay Emmanuel Katongole Lamin Sanneh Oscar Muriu Ruth Padilla DeBorst Pope Francis Richard Twiss Lisa Sharon Harper Willie James Jennings Ada

Maria Isasi Diaz Soong Chan Rah and Mitri Raheb These voices show us the future of missional churches in world Christianity When churches are conformed to Christ they make disciples heal a broken world and witness to Jesus and his gospel Jesus forms us in his image and moves us to be a people of shalom humility character justice peace wisdom prayer beauty and witness The church has had a Reformation but now it needs a Conformation Hill explores biblical themes and the voices of world Christianity to show that a missional church is conformed to the image of the incarnate crucified resurrected and glorified Christ Conformity to Christ is the heart of missional ecclesiology and discipleship
