Bhimasankaram Pochiraju, Sridhar Seshadri, 2019-07-10 This comprehensive edited volume is the first of its kind designed to serve as a textbook for long duration business analytics programs It can also be used as a guide to the field by practitioners

The book has contributions from experts in top universities and industry. The editors have taken extreme care to ensure continuity across the chapters. The material is organized into three parts: A Tools, B Models, and C Applications. In Part A, the tools used by business analysts are described in detail. In Part B, these tools are applied to construct models used to solve business problems. Part C contains detailed applications in various functional areas of business and several case studies. Supporting material can be found in the appendices that develop the pre-requisites for the main text. Every chapter has a business orientation. Typically, each chapter begins with the description of business problems that are transformed into data questions, and methodology is developed to solve these questions. Data analysis is conducted using widely used software; the output and results are clearly explained at each stage of development. These are finally transformed into a business solution. The companion website provides examples, data sets, and sample code for each chapter.

Event Success Alon Alroy, Eran Ben-Shushan, Boaz Katz, 2022-03-17. Make events the most powerful marketing tool you have. In *Event Success: Maximizing the Business Impact of Physical, Virtual, and Hybrid Experiences*, Alon Alroy, Eran Ben Shushan, and Boaz Katz of Bizzabo draw on the knowledge they've gained powering events for companies like Amazon, Salesforce, and Uber to deliver an end-to-end playbook for readers wanting to maximize their organization's return on events. *Event Success* will help you unlock the full potential of your events and make them your most important marketing channel. You'll learn how to create elevated experiences in any format that drive strategic business goals, including how to measure event success with surveys, data analytics, and key KPIs; how to integrate events into a strategic end-to-end marketing plan; how to collect, analyze, and funnel event data to other teams to drive business growth; what events are successful; what the data says about them; and real-life examples from SAP, the Financial Times, IBM, and other leading brands that capture the imagination of their audiences through events. *Event Success* is ideal for marketers, event professionals, and anyone responsible for creating buzz, driving new sales, and building thought leadership with in-person, hybrid, or virtual events. It's also an invaluable resource for maximizing your organization's RoE or Return on Event with measurable increases in sales.
