The Columbia Companion to Modern Chinese Literature Kirk A. Denton, 2016-04-05 The Columbia Companion to Modern Chinese Literature features more than fifty short essays on specific writers and literary trends from the Qing period 1895 1911 to the present The volume opens with thematic essays on the politics and ethics of writing literary history the formation of the canon the relationship between language and form the role of literary institutions and communities the effects of censorship the representation of the Chinese diaspora the rise and meaning of Sinophone literature and the role of different media in the development of literature Subsequent essays focus on authors their works

and the schools with which they were aligned featuring key names titles and terms in English and in Chinese characters Woven throughout are pieces on late Qing fiction popular entertainment fiction martial arts fiction experimental theater post Mao avant garde poetry post martial law fiction from Taiwan contemporary genre fiction from China and recent Internet literature The volume includes essays on such authors as Liang Qichao Lu Xun Shen Congwen Eileen Chang Jin Yong Mo Yan Wang Anyi Gao Xingjian and Yan Lianke Both a teaching tool and a go to research companion this volume is a one of a kind resource for mastering modern literature in the Chinese speaking world [Zhuangzi and Modern Chinese Literature](#) Jianmei Liu, 2016 This is a powerful account of how the ruin and resurrection of Zhuangzi in modern China's literary history correspond to the rise and fall of modern Chinese individuality By examining the twentieth century reinterpretation and appropriation of Zhuangzi the author explores modern Chinese writers complicated relationship with tradition **The Columbia Companion to Modern East Asian Literature** Joshua S. Mostow, 2003-07-10 This extraordinary one volume guide to the modern literatures of China Japan and Korea is the definitive reference work on the subject in the English language With more than one hundred articles that show how a host of authors and literary movements have contributed to the general literary development of their respective countries this companion is an essential starting point for the study of East Asian literatures Comprehensive thematic essays introduce each geographical section with historical overviews and surveys of persistent themes in the literature examined including nationalism gender family relations and sexuality Following the thematic essays are the individual entries over forty for China over fifty for Japan and almost thirty for Korea featuring everything from detailed analyses of the works of Tanizaki Jun ichiro and Murakami Haruki to far ranging explorations of avant garde fiction in China and postwar novels in Korea Arrayed chronologically each entry is self contained though extensive cross referencing affords readers the opportunity to gain a more synoptic view of the work author or movement The unrivaled opportunities for comparative analysis alone make this unique companion an indispensable reference for anyone interested in the burgeoning field of Asian literature Although the literatures of China Japan and Korea are each allotted separate sections the editors constantly kept an eye open to those writers works and movements that transcend national boundaries This includes for example Chinese authors who lived and wrote in Japan Japanese authors who wrote in classical Chinese and Korean authors who write in Japanese whether under the colonial occupation or because they are resident in Japan The waves of modernization can be seen as reaching each of these countries in a staggered fashion with eddies and back flows between them then complicating the picture further This volume provides a vivid sense of this dynamic interplay **The Oxford Handbook of Modern Chinese Literatures** Carlos Rojas, Andrea Bachner, 2016-07-28 With over forty original essays The Oxford Handbook of Modern Chinese Literatures offers an in depth engagement with the current analytical methodologies and critical practices that are shaping the field in the twenty first century Divided into three sections Structure Taxonomy and Methodology the volume carefully moves across approaches genres and forms to address a

rich range topics that include popular culture in Late Qing China Zhang Guangyu s Journey to the West in Cartoons writings of Southeast Asian migrants in Taiwan the Chinese Anglophone Novel and depictions of HIV AIDS in Chu T ien wen s Notes of a Desolate Man

The American-style University at Large Kathryn L. Kleypas,James I. McDougall,2012-01-01 The focus of research on the globalization of higher education has historically been on universities within the United States More recently the focus has shifted to the international scene yet there remain few published works to document this phenomenon The American Style University at Large Transplants Outposts and the Globalization of Higher Education edited by Kathryn L. Kleypas and James McDougall is an intervention into current discussions concerning the role of the contemporary American style university in a global context The editors approach the subject from their own experiences as professors at an American style university in the Middle East They pull together essays from an impressively diverse list of contributors which examine the various ways that American models of higher learning have become instituted around the world The authors then explore ways that these new configurations help to define the university as a force that organizes develops and controls methods of education knowledge power and culture

Ah Q Archaeology Paul B. Foster,2006-01-01 Ah Q Archaeology concretely situates Lu Xun s critique of national character vis a vis metanarratives of nationalism and modernity through a close examination of his works in their historical context Paul B Foster uses a discursive approach to tie together Lu Xun s major theme of national character critique and its fate in China s tumultuous twentieth century

On the Margins of Modernism Christopher Rosenmeier,2017-02-27 Introduces popular 1940s Chinese authors and explores their influence on Chinese literature Xu Xu and Wumingshi were among the most widely read authors in China during and after the Second Sino Japanese War 1937 1945 but although they were an integral part of the Chinese literary scene their bestselling fiction has been given scant attention in histories of Chinese writing This groundbreaking book the first book length study of Xu Xu and Wumingshi in English or any other western language re establishes their importance within the popular Chinese literature of the 1940s With in depth analyses of their innovative short stories and novels Christopher Rosenmeier demonstrates how these important writers incorporated and adapted narrative techniques from Shanghai modernist writers like Shi Zhecun and Mu Shiying contesting the view that modernism had little lasting impact in China and firmly positioning these two figures within the literature of their times Fills a gap in Chinese literary historyFocuses on two of the most popular Chinese authors of the 1940sDevelops a wider argument about the influence of Shanghai modernism on Chinese wartime literature
