Modern Art at the Border of Mind and Brain Jonathan Fineberg, 2015-08-01 Public lectures delivered at two separate venues the Sheldon Art Museum in Lincoln Nebraska and Kaneko in Omaha Nebraska      **The Routledge Handbook of the Philosophy of Childhood and Children** Anca Gheaus, Gideon Calder, Jurgen De Wispelaere, 2018-07-20 Childhood looms large in our understanding of human life as a phase through which all adults have passed Childhood is foundational to the development of selfhood the formation of interests values and skills and to the lifespan as a whole Understanding what it is like to be a child and what differences childhood makes are thus essential for any broader understanding of the human condition The Routledge Handbook of the Philosophy of Childhood and Children is an outstanding reference source for the key topics problems and debates in this crucial and exciting field and is the first collection of its kind Comprising over thirty chapters by a team of international contributors the Handbook is divided into five parts Being a child Childhood and moral status Parents and children Children in society Children and the state Questions covered include What is a child Is childhood a uniquely valuable state and if so why Can we generalize about the goods of childhood What rights do children have and are they different from adults rights What if anything gives people a right to parent What role if any ought biology to play in determining who has the right to parent a particular child What kind of rights can parents legitimately exercise over their children What roles do relationships with siblings and friends play in the shaping of childhoods How should we think about sexuality and disability in childhood and about racialised children How should society manage the education of children How are children s lives affected by being taken into social care The Routledge Handbook of the Philosophy of Childhood and Children is essential reading for students and researchers in philosophy of childhood political philosophy and ethics as well as those in related disciplines such as education psychology sociology social policy law social work youth work neuroscience and anthropology      *The Centre as Margin: Eccentric Perspectives on Art* Maria de Lurdes Craveiro, Carla Alexandra Gonçalves, 2019-10-01 The Centre as Margin Eccentric Perspectives on Art is a multi authored volume of collected essays that answer the challenge of thinking Art History and the Arts in a broader sense from a liminal point of view Its main goal is thus to discuss the margin from the centre drawing on its concomitance within study themes and subjects ontological and epistemological positions or research methodologies themselves Marginality eccentricity liminality and superfluity are all part of a dynamic relationship between centre and margin s that will be approached and discussed from the point of view of disciplines as different and as close as art history philosophy literature and design from medieval to contemporary art Resulting from recent research developed from the privileged viewpoint offered by the margin this volume brings together the contributions of young researchers along with the work of career scholars Likewise it does not obey a traditional or a rigid diachronic structure being rather organized in three major parts that organically articulate the different essays Within each of these parts in which the book is divided papers are sometimes organized according to their timeframes providing the

reader with an encompassing though not encyclopedic overview of the common ground over which the various artistic disciplines build their methodological theoretical and thematic centers and margins The intended eccentricity of this volume and the original essays herein presented should provide researchers scholars students artists curators and the general reader interested in art with a refreshing approach to its various scientific strands **Picasso's Demoiselles** Suzanne Preston Blier,2019-12-13 In Picasso s Demoiselles eminent art historian Suzanne Preston Blier uncovers the previously unknown history of Pablo Picasso s Les Demoiselles d Avignon one of the twentieth century s most important celebrated and studied paintings Drawing on her expertise in African art and newly discovered sources Blier reads the painting not as a simple bordello scene but as Picasso s interpretation of the diversity of representations of women from around the world that he encountered in photographs and sculptures These representations are central to understanding the painting s creation and help identify the demoiselles as global figures mothers grandmothers lovers and sisters as well as part of the colonial world Picasso inhabited Simply put Blier fundamentally transforms what we know about this revolutionary and iconic work

**The Handbook of Art Therapy and Digital Technology** Ms Cathy A Malchiodi,2018-06-21 Digital art therapy is a rapidly growing practice This book gives practical guidance on using digital technology with different client groups and considers potential ethical and professional issues A wide range of methods and media are presented including animation therapeutic photography and the use of apps and games **Visual Arts and Human Flourishing** Professor Emerita Art History and Executive Director Emerita Usc Museums Selma Holo,Selma Holo,2024 In mid December 2018 a man stood before one of the most beloved paintings in Europe Botticelli s The Birth of Venus and had a heart attack Henri Neuendorf ArtNet News December 19 2018 <https://news.artnet.com/art-world/heart-attack-botticelli-uffizi-1425448> Venus is that painting you re thinking of the one with the shapely wheat haired woman standing in a seashell with one hand covering her breasts and the other holding her long golden locks in front of her groin Floating above her right shoulder are two winged figures with their arms wrapped around each other who blow air on her like distant kisses On her left stands a woman the Hora of Spring who holds what looks like a drape and gazes directly at our goddess whose face tilted just so looks toward the viewer with a gentle yet mature glance as if she was born knowing all one needs to know of love and seduction Fortunately the man whose heart failed while looking back at our all knowing Venus survived but he was not the first to collapse while viewing art in Florence and no doubt he will not be the last It has happened often enough that there is a medical term for the phenomenon named after the first notable man to succumb Stendhal Syndrome Apparently the French author of On Love a treatise on romantic passion reported that he fell ill in 1817 after viewing too much Florentine art Bamforth 945 Is it any wonder that Botticelli s winged figures hang on to each other so tightly To be awestruck is to be in imminent danger

*Dancing in Damascus* miriam cooke,2016-10-04 On March 17 2011 many Syrians rose up against the authoritarian Asad regime that had ruled them with an iron fist for forty years Initial successes were quickly quashed and the revolution seemed

to devolve into a civil war pitting the government against its citizens and extremist mercenaries As of late 2015 almost 300 000 Syrians have been killed and over half of a total population of 23 million forced out of their homes Nine million are internally displaced and over four million are wandering the world many on foot or in leaky boats Countless numbers have been disappeared These shocking statistics and the unstoppable violence notwithstanding the revolution goes on The story of the attempted crushing of the revolution is known Less well covered has been the role of artists and intellectuals in representing to the world and to their people the resilience of revolutionary resistance and defiance How is it possible that artists filmmakers and writers have not been cowed into numbed silence but are becoming more and more creative How can we make sense of their insistence that despite the apocalypse engulfing the country their revolution is ongoing and that their works participate in its persistence With smartphones pens voices and brushes these artists registered their determination to keep the idea of the revolution alive Dancing in Damascus traces the first four years of the Syrian revolution and the activists creative responses to physical and emotional violence

**Producing Palestine** Dina Matar, Helga Tawil-Souri, 2024-10-03 Palestine has often been defined and constructed in the global imaginary through conflict resistance oppression and violence Its representation is so overridden with conflicting claims and associations that it remains inaccessible even to Palestinians Producing Palestine addresses the creative labour of producing Palestine particularly in technological and media spaces that are defined by their porousness and by their intermediality crossing genres of popular culture and disciplinary boundaries It offers sixteen cases which collectively conceptualize engage in and invite readers to participate in the production of Palestine and its theorization These cases cover a wide array of spaces of production such as poster art TikTok virtual technologies digital mapping drone footage online cooking shows documentaries music videos and many more Producing Palestine contends that representations of Palestine carry a multitude of meanings that Palestine is continually produced and reproduced dynamically generating new knowledge production across media languages temporalities geographies and disciplines
