Embracing the Past—Forging the Future Wm. Andrew Schwartz,John M. Bechtold,2015-09-17 The times they are a changin As such our theology needs to adapt to be responsive to the changing landscape The idea for Embracing the Past Forging the Future A New Generation of Wesleyan Theology came from our assessment that Wesleyan theology has yet to fully adapt to this changing landscape and that the future of Wesleyan theology requires the bringing together of old and new voices The difficult task of balancing between continuity and change keeping up with the developments of our culture and staying true to the roots of our tradition requires the dual focus of looking forward and backward simultaneously In this volume we have brought together contributions by young Wesleyan scholars graduate students and junior faculty as a way of illustrating and articulating a new generation of Wesleyan theology These younger voices demonstrate the desire to push Wesleyan theology in new directions Additionally we have included contributions from senior scholars who have been doing important work and who have already made significant contributions to Wesleyan theology This is not simply the old guard but the voices of scholars who continue to make a profound impact on Wesleyan theology **Discipleship in a**

Post-Christian Age Thiago Silva,2025-05-20 This is an age where Christianity is no longer the assumed foundation of culture Instead secularism relativism and individualism shape how people think live and even approach faith Many within the church have unknowingly embraced a shallow self focused spirituality that offers comfort without transformation How can the church recover a robust life giving vision of discipleship in such a world With a little help from C S Lewis this book offers a way forward Lewis s insights rooted in reason imagination and community speak powerfully to this modern crisis equipping believers to engage both mind and heart Through cultural analysis and biblical wisdom this book calls the church to rediscover discipleship as an intellectual imaginative and relational pursuit one that forms resilient thoughtful and deeply rooted followers of Christ Whether picked up by a pastor church leader or everyday disciple longing for deeper faith this book will challenge and inspire readers to cultivate a Christianity that is not only true but beautiful and compelling in an increasingly post Christian world **To Alter Your World** Michael Frost,Christiana Rice,2017-02-21 God is altering history birthing the new creation all around us and we have been invited to join God in that task With groundbreaking ideas and practical illustrations from around the globe missional leaders Michael Frost and Christiana Rice introduce the metaphor of a midwife to depict us as God s birthing attendants partnering in God s restorative mission *Rationality, Humility, and Spirituality in Christian Life* Dennis Hiebert,2020-02-27 As Euro American culture turns resolutely away from religiosity

toward spirituality and becomes increasingly post Christian the ordinary everyday practice of Christian life is ever more questioned and in need of scrutiny In this interdisciplinary analysis Christians are first called to comprehend the excessive rationality that modernity has built into both the cognitive and organizational structure of contemporary Christian life They are then summoned to personify an authentic attitude of humility and in particular the virtue of intellectual humility that is most challenged and tested by religious convictions Going forward Christians are subsequently invited to live their faith more as an internally differentiated and open spirituality rather than an externally determined and regulated religiosity When we exhaust our rationality and are confronted with its limitations we are humbled by our finitude and animated by our spirituality

Post-Christian Feminisms Dr Kathleen McPhillips, Professor Lisa Isherwood, 2013-05-28 This book explores the impact and contribution of post theories in the field of Christian feminist theology Post theory is an important and cutting edge discursive field which has revolutionized the production of knowledge in both feminism and theology This book fills a gap by providing a text that can make authoritative statements on the use and status of post theory in feminist theology and secondly it makes an on going contribution to the discourse of Christian feminist theology and its liberation agenda Distinguished and established scholars contribute conclusive essays on the most recent and exciting developments in post theory feminism and theology

Churches, Cultures, and Leadership Mark Lau Branson, Juan F. Martinez, 2023-02-28 In a world that is more culturally diverse than ever pastors and lay leaders need skills and competencies to serve in multicultural contexts This rich blend of astute analysis and practical guidance offers a praxis of paying attention study and discernment that leads to genuine reconciliation and shared life empowered by the gospel

Center Church Timothy Keller, 2012-09-04 Practical and Gospel centered thoughts on how to have a fruitful ministry by one of America s leading and most beloved pastor Many church leaders are struggling to adapt to a culture that values individuality above loyalty to a group or institution There have been so many church growth and effective ministry books in the past few decades that it s hard to know where to start or which ones will provide useful and honest insight Based on over twenty years of ministry in New York City Timothy Keller takes a unique approach that measures a ministry s success neither by numbers nor purely by the faithfulness of its leaders but on the biblical grounds of fruitfulness Center Church outlines a balanced theological vision for ministry organized around three core commitments Gospel centered The gospel of grace in Jesus Christ changes everything from our hearts to our community to the world It completely reshapes the content tone and strategy of all that we do City centered With a positive approach toward our culture we learn to affirm that cities are wonderful strategic and under served places for gospel ministry Movement centered Instead of building our own tribe we seek the prosperity and peace of our community as we are led by the Holy Spirit

Between a pastor's doctrinal beliefs and ministry practices should be a well conceived vision for how to bring the gospel to bear on the particular cultural setting and historical moment. This is something more practical than just doctrine but much more theological than how to steps for carrying out a ministry. Once this vision is in place it leads church leaders to make good decisions on how to worship, disciple, evangelize, serve and engage culture in their field of ministry whether in a city suburb or small town. Tim Keller, *Core Church*. **Religious Leadership** Sharon Henderson Callahan, 2013-05-20. This 2 volume set within The SAGE Reference Series on Leadership tackles issues relevant to leadership in the realm of religion. It explores such themes as the contexts in which religious leaders move, leadership in communities of faith, leadership as taught in theological education and training, religious leadership impacting social change and social justice and more. Topics are examined from multiple perspectives, traditions and faiths.
