The Case for Fanfiction Ashley J. Barner, 2017-08-07 Challenging readers to rethink what they read and why the author questions the aesthetic assumptions that have led to the devaluing of fanfiction a genre criticized as both tasteless and derivative and other guilty pleasure reading and writing including romance and fantasy The complicated relationship between fanfic and intellectual property rights is discussed in light of the millennia old tradition of derivative literature before modern copyright law established originality as the hallmark of great fiction Absorbed reading the practice of immersing oneself in the narrative versus critically reading from a distance is a strong motive for the appropriation by fanfiction of canon characters and worlds

The Routledge Companion to Literary Media Astrid Ensslin, Julia Round, Bronwen Thomas, 2023-08-30 The Routledge Companion to Literary Media examines the fast moving present and future of a media ecosystem in which the literary continues to play a vital role The term literary media

challenges the tendency to hold the two terms distinct and broadens accepted usage of the literary to include popular cultural forms emerging technologies and taste cultures genres and platforms as well as traditions and audiences all too often excluded from literary histories and canons Featuring contributions from leading international scholars and practitioners the Companion provides a comprehensive guide to existing terms and theories that address the alignment of literature and a variety of media forms It situates the concept in relation to existing theories and historiographies considers emerging genres and forms such as locative narratives and autofiction and expands discussion beyond the boundaries by which literary authorship is conventionally defined Contributors also examine specific production and publishing contexts to provide in depth analysis of the promotion of literary media materials The volume further considers reading and other aspects of situated audience engagement such as Indigenous and oral storytelling prize and review cultures book clubs children and young adults This authoritative collection is an invaluable resource for scholars and students working at the intersection of literary and media studies

Mediated Intimacy Meg-John Barker, Rosalind Gill, Laura Harvey, 2018-02-27

Mediated Intimacy looks at contemporary sex and relationship advice exploring how our intimate lives are shaped through different media from manuals and magazines to television and Twitter By exploring how intimacy is constructed through different media texts the authors consider which ideas and practices these changing forms of sexpertise open up and which they close down The book reveals the intimate operation of power in mediated advice how words and images stories and sound can work to shore up social injustice It critically engages with the ideas of choice and responsibility in sex self help arguing that these can obscure and or justify oppression even if they re sometimes experienced as empowering and or pleasurable This bold and incisive book provides a radical challenge to the assumptions underlying the sex advice industry and presents a critical collaborative and consensual vision for sex advice of the future
