Self, 2007 This volume examines one of the most controversial stories in the Bible the akedah or sacrifice of Isaac recounted in the 22nd chapter of Genesis Today more than three thousand years later the story continues to evoke controversy It has had an impact on Judaism Christianity and Islam each clinging to different interpretations Even among adherents of a common faith interpretations of the passage differ to such extremes that it can be used to justify unthinkable behavior ranging from infanticide mass murder and suicide bombings Abraham s actions have generated a sacrificial rhetoric that continues to exert a powerful influence on modern society The rhetoric of sacrifice was born when the first person used the story of akedah to inspire another to sacrifice willingly on their behalf Since then a multitude of religious leaders and religious imposters have used the rhetoric of sacrifice to do their bidding The akedah has proven itself as a tool that placed in the wrong hands can be used to commit unthinkable acts [Cumulated Index Medicus](#), 1988 **A Testimony of Jesus Christ - Volume 1** Anthony Charles Garland, 2007 A Commentary on the Book of Revelation Volume 2 The author presents a detailed study of the Book of Revelation emphasizing prophetic themes from the rest of the Bible which find their fulfillment in Revelation To understand this controversial book the author explores the many connections between the visions seen by the Apostle John and previous prophetic revelation given to Old Testament prophets such as Daniel Ezekiel and others It is the author s conviction that an understanding of related passages elsewhere in the Bible is the most important key to unlocking the bewildering variety of

interpretations which often accompany the study of the last book of the Bible The commentary is linked to a free companion internet course providing an additional 70 hours of audio instruction linked to almost 1 000 slides **The Critic** ,1897
