My Father The Pornographer A Memoir

Gardner Dozois

My Father The Pornographer A Memoir:

My Father, the Pornographer Chris Offutt, 2017-04-11 A memoir in which writer Chris Offutt struggles to understand his recently deceased father based on his reading of the 400 plus novels Andrew Offutt a well known writer of pornography in the 1970s and 80s left him in his will Publisher marketing **The Pornographer's Daughter** Kristin Battista-Frazee, 2014-09-30 More than forty years after Deep Throat arrived on the cultural scene and inspired a sexual revolution questions about the ethics of pornography and its impact on society are still being asked today and remain as controversial as ever Kristin Battista Frazee was only four years old in 1974 when her father Anthony Battista was indicted by the federal government for distributing the now famous porn film Deep Throat As her father unexpectedly became an early pioneer in the emerging porn industry and transformed himself from Philadelphia stockbroker to porn broker this indictment threatened his family's stability The stress drove Kristin's mother Frances Battista to worry endlessly if her husband would be put in jail She became so depressed that she attempted suicide Kristin survived this family trauma to live a surprisingly normal life But instead of leaving the past behind her she developed a burning curiosity to understand her family's history Why did the federal government so vehemently prosecute this case And why did her father get involved in distributing this notorious porn film in the first place Did the influence of pornography in fact make Kristin a better person Answering these questions and reconciling her dramatic family history with her life as a wife and mother became her mission The Pornographer's Daughter is an insider's glimpse into the events that made Deep Throat and pornography so popular as well as what it was like to come of age against the backdrop of the pornography business **The Bohemian South** Shawn Chandler Bingham, Lindsey A. Freeman, 2017-05-08 From the southern influence on nineteenth century New York to the musical legacy of late twentieth century Athens Georgia to the cutting edge cuisines of twenty first century Asheville North Carolina the bohemian South has long contested traditional views of the region Yet even as the fruits of this creative South have famously been celebrated exported and expropriated the region long was labeled a cultural backwater This timely and illuminating collection uses bohemia as a novel lens for reconsidering more traditional views of the South Exploring wide ranging locales such as Athens Austin Black Mountain College Knoxville Memphis New Orleans and North Carolina's Research Triangle each essay challenges popular interpretations of the South while highlighting important bohemian sub and countercultures The Bohemian South provides an important perspective in the New South as an epicenter for progress innovation and experimentation Contributors include Scott Barretta Shawn Chandler Bingham Jaime Cantrell Jon Horne Carter Alex Sayf Cummings Lindsey A Freeman Grace E Hale Joanna Levin Joshua Long Daniel S Margolies Chris Offutt Zandria F Robinson Allen Shelton Daniel Cross Turner Zackary Vernon and Edward Whitley **Street Players** Kinohi Nishikawa, 2019-01-11 The uncontested center of the black pulp fiction universe for more than four decades was the Los Angeles publisher Holloway House From the late 1960s until it closed in 2008 Holloway House specialized in cheap

paperbacks with page turning narratives featuring black protagonists in crime stories conspiracy thrillers prison novels and Westerns From Iceberg Slim's Pimp to Donald Goines's Never Die Alone the thread that tied all of these books together and made them distinct from the majority of American pulp was an unfailing veneration of black masculinity Zeroing in on Holloway House Street Players explores how this world of black pulp fiction was produced received and recreated over time and across different communities of readers Kinohi Nishikawa contends that black pulp fiction was built on white readers' fears of the feminization of society and the appeal of black masculinity as a way to counter it In essence it was the original form of blaxploitation a strategy of mass marketing race to suit the reactionary fantasies of a white audience But while chauvinism and misogyny remained troubling yet constitutive aspects of this literature from 1973 onward Holloway House moved away from publishing sleaze for a white audience to publishing solely for black readers The standard account of this literary phenomenon is based almost entirely on where this literature ended up in the hands of black male working class readers When it closed Holloway House was synonymous with genre fiction written by black authors for black readers a field of cultural production that Nishikawa terms the black literary underground But as Street Players demonstrates this cultural authenticity had to be created promoted and in some cases made up and there is a story of exploitation at the heart of black pulp fiction's origins that cannot be ignored

The Year's Best Science Fiction: Thirty-Fourth Annual Collection

Gardner Dozois, 2017-07-11 In the new millennium what secrets lay beyond the far reaches of the universe What mysteries belie the truths we once held to be self evident The world of science fiction has long been a porthole into the realities of tomorrow blurring the line between life and art Now in The Year's Best Science Fiction Thirty Fourth Annual Collection the very best SF authors explore ideas of a new world This venerable collection brings together award winning authors and masters of the field With an extensive recommended reading guide and a summation of the year in science fiction this annual compilation has become the definitive must read anthology for all science fiction fans and readers interested in breaking into the genre

Tales of Two Americas John Freeman, 2017-09-05 Thirty six major contemporary writers examine life in a deeply divided America including Anthony Doerr Ann Patchett Roxane Gay Rebecca Solnit Hector Tobar Joyce Carol Oates Edwidge Danticat Richard Russo Eula Bliss Karen Russell and many more America is broken You don't need a fistful of statistics to know this Visit any city and evidence of our shattered social compact will present itself From Appalachia to the Rust Belt and down to rural Texas the gap between the wealthiest and the poorest stretches to unimaginable chasms Whether the cause of this inequality is systemic injustice the entrenchment of racism in our culture the long war on drugs or immigration policies it endangers not only the American Dream but our very lives In Tales of Two Americas some of the literary world's most exciting writers look beyond numbers and wages to convey what it feels like to live in this divided nation Their extraordinarily powerful stories essays and poems demonstrate how boundaries break down when experiences are shared and that in sharing our stories we can help to alleviate a suffering that touches so many people

River Teeth

Joe Mackall, Daniel W. Lehman, 2020-02-15 To celebrate twenty years of introducing talented new writers to readers and publishing great nonfiction the founding editors Joe Mackall and Daniel W. Lehman have selected their all time favorite essays published in River Teeth in this stunning collection

A Memoir of My Former Self Hilary Mantel, 2023-10-19 A guide to the mind of one of the great English novelists of the last half century Guardian Like hearing the voice of an old friend Observer Extraordinary a quality of timelessness and prescience New Statesman Book of the Year Magical Here we meet not just Mantel the Cromwell catcher but Mantel the quill sharp critic of contemporary life The Times Book of the Year THE MAGNIFICENT FINAL BOOK FROM THE BESTSELLING AUTHOR OF THE WOLF HALL TRILOGY As well as her celebrated career as a novelist Hilary Mantel long contributed to newspapers and journals unspooling stories from her own life and illuminating the world as she found it This strand of her writing was an integral part of how she thought of herself Ink is a generative fluid she explains If you don't mean your words to breed consequences don't write at all A Memoir of My Former Self collects the finest of this writing over four decades Mantel's subjects are wide ranging She discusses nationalism and her own sense of belonging our dream life flopping into our conscious life the mythic legacy of Princess Diana the many themes that feed into her novels revolutionary France psychics Tudor England and other novelists from Jane Austen to V S Naipaul She writes about her father and the man who replaced him she writes fiercely and heartbreakingly about the battles with her health she endured as a young woman and the stifling years she found herself living in Saudi Arabia Here too is a selection of her film reviews from When Harry Met Sally to RoboCop and published for the first time her stunning Reith Lectures which explore the process of art bringing history and the dead back to life From her unique childhood to her all consuming fascination with Thomas Cromwell that grew into the Wolf Hall Trilogy A Memoir of My Former Self reveals the shape of Hilary Mantel's life in her own dazzling words messages from people I used to be Compelling often very funny always luminous it is essential reading from one of our greatest writers A smart deft meticulous thoughtful writer with such a grasp of the dark and spidery corners of human nature Margaret Atwood Mantel was a queen of literature her reign was long varied and uncontested Maggie O Farrell

House of Smoke John T. Edge, 2025-09-16 The author of The Potlikker Papers A Food History of the Modern South tells his own story this time Of growing up in a house wrecked by violence and a South haunted by racism And of how his search for home led him to find escape and belonging through food Until he realizes that gathering at the table is just one small step toward reckoning A story for all Americans on a path to self awareness honesty and love Wright Thompson New York Times bestselling author of Pappyland and The Barn In this unflinching and moving memoir John T Edge takes us on a quest for home in a South that has both held him close and pushed him away as he tries and fails and tries again to rewrite the stories he inherited Born in a house where a Confederate general took his first breath and the Lost Cause narrative was gospel troubled by the violence he witnessed as a boy Edge ran from his past searching for a newer and better South As founding director of the Southern Foodways Alliance and a contributor to newspapers and

magazines he told stories that showcased those possibilities In the process Edge became one of the most visible and powerful voices in American food until he found himself denounced by the audience he once guided faced down the limits of his work and returned to his origins to find himself once again Beginning in Georgia and concluding in Mississippi his search spans the Deep South and charts a very American story of the truth telling and soul searching it takes to love your people and your place

Memoirs of a Not Altogether Shy Pornographer Bernard Wolfe, 2016-03-01 In this funny and telling portrait of the artist as a young pornographer Bernard Wolfe chronicles his own unlikely entrance into the world of letters The year was 1936 and Depression laden America had no great need for a Yale Phi Beta whose primary talent was for words After working variously as a secretary bodyguard for Leon Trotsky in Mexico a cataloger of the Irving Fisher papers and a hopelessly inept drill grinder Wolfe landed his first professional writing job turning out piecework porn at 2 00 a page for an Oklahoma millionaire He credited his pornographic efforts with teaching him to write to specified lengths while facing deadlines I acquired the work discipline of a professional writer capable of a solid daily output
