Smith at the age of ten was sodomised by a paedophile ring that existed in the black Jamaican church in a satanic ritual service to gain power over his soul which is quite common in the Jamaican and African religious communities here in London in the 70s This tragic event led to severe mental health problems that has existed in Horace s life for 32 years to date It was in 1991 that on his return back to London and after seeing a consultant at SLAM he was diagnosed with paranoid schizophrenia and hearing voices and seeing delusions but with the help of treatment and medication Horace is able to live a near normal life
