My Favorite Midlife Crisis Yet:

My Favorite Midlife Crisis (Yet) Toby Devens,2006-09-01 Dr Gwyneth Berke has a perfect life until one day she walks into her pantry lets out a little scream of disbelief and begins the following list What to do when you find out that your husband is in love with your interior decorator Brad or A Midlife Crisis Checklist Get divorced this is a must Quickly discover a lifetime supply of humor this will also help with your children and your mentally deteriorating father Stop sulking show a little spirit and start a new life plan also a must Recruit your two very dear newly single friends to help you with it Don t look back and enjoy the ride

Happy Any Day Now Toby Devens,2013-08-06 Every five years my mother had her fortune read by Lulu Cho owner of the Golden Lotus Massage Club for Men Now it was my turn And Lulu predicted one hurricane of a future for me Judith Soo Jin Raphael s childhood was shaped by her hardworking immigrant mother her father who left them and her struggles to fit in as a half Korean half Jewish kid in a tough urban neighborhood But music lessons gave her a purpose and passion Now as Judith s fiftieth birthday nears she has rewarding work as a cellist with the Maryland Philharmonic an enthusiastic if uncommitted lover and a quirky but close relationship with her mother Then chaos strikes Judith s first love who dumped her decades ago returns to dazzle her with his golden pedigree and brilliant career Her long absent father arrives out of the blue with a snazzy car and a con man s patter turning her mother into a love struck flirt whom Judith barely recognizes All this while her mentor at the orchestra falls seriously ill No wonder Judith develops a paralyzing case of stage fright Judith finds herself feeling and sometimes acting slightly unhinged but she s convinced that happiness will arrive any day now She s just got to hold on tight during this midlife shake up and claim the prize that life surely has in store for her CONVERSATION GUIDE INCLUDED
