My Sisters the Saints Colleen Carroll Campbell, 2012-10-30 A poignant and powerful spiritual memoir about how the lives of the saints changed the life of a modern woman In *My Sisters the Saints* author Colleen Carroll Campbell blends her personal narrative of spiritual seeking trials stumbles and breakthroughs with the stories of six women saints who profoundly changed her life Teresa of Avila Therese of Lisieux Faustina of Poland Edith Stein of Germany Mother Teresa of Calcutta and Mary of Nazareth Drawing upon the rich writings and examples of these extraordinary women the author reveals Christianity's liberating power for women and the relevance of the saints to the lives of contemporary Christians **Communion with Christ** M. Regina Van Den Berg, 2015-01-28 Pope Saint John Paul II declared that the great challenge for Christians today is to become the home and school of communion St Teresa Benedicta Edith Stein is a sure guide to attaining the communion for which every human heart longs This work considers St Teresa's life and writings in the context of the spirituality of communion As a philosopher she was directed towards attaining communion with the Truth and she discovered that Truth was a Person Jesus Christ As a Carmelite nun she gave up everything for communion with him Dr Alice von Hildebrand in the foreword says Edith Stein's message is above her time and that the author Sister M Regina van den Berg F S G M is well qualified to write such a book Sister Regina explores in detail Edith Stein's theory of empathy as developed in her doctoral dissertation as well as her later theory of community Sister Regina has also used a number of Edith Stein's writings that until this work have not yet been available in English translation Each chapter explores an aspect of communion richly revealing the wisdom of Edith Stein a Jew who became a philosopher a convert to Catholicism who became a Carmelite nun and crowned her life with martyrdom Stein's work provides insights that can help us to grow in the spirituality of communion first by presenting to us the truth about the human person's nature and vocation and then by showing us how we can arrive at a spirituality of communion in the various aspects of life *Broken and Blessed* Fr. Josh Johnson, 2018-08-27 Only 2 in 10 Americans under 30 believe attending a church is important or worthwhile Well over half of young adults raised in the Church have dropped out with many having a strong anti Church stance many even believing the Church does more harm than good Fr Josh Johnson was one of these people In *Broken and Blessed* he tackles the harsh realities facing the Church in the 21st century With charity and courage he speaks to his own generation of Catholic Millennials who often feel their needs and concerns are not being addressed by the Church or who simply do not believe the Catholic Faith has any relevance to their lives Using his own experiences both as a former struggling young Catholic and as a priest Fr Josh offers an inspiring witness of how he came to know God rather than just knowing about him and presents practical ways for us to truly know God as well *Broken and Blessed* Addresses head on Millennials most pressing issues with the Catholic Faith Presents powerful and inspiring stories from Fr Josh's own faith journey Shows how one can truly encounter Jesus in a personal way Offers practical insights on how to overcome habitual sins Discusses the nature of prayer as well as the challenges to prayer

and how to overcome them **Theology as Autobiography** Colby Dickinson, 2020-03-17 Autobiographical writings on faith frequently come from the lives of ordinary persons whose struggles with faith are often lived at the margins of the church academy and society Yet these voices have the potential to reshape the ways in which each of these fields function To find out what it means to stand before God with all of one's humanity on display is to engage in not only the act of confession but to demonstrate a bold theological reflection that needs to be more explicitly understood By turning to spiritual autobiographies as theological source texts we learn to place our emphasis where it matters most on the people whose lives of faith move us deeply and cause us to re-examine our own lives in light of their witness Moving through a range of ancient early modern and contemporary spiritual writers in order to demonstrate a profound connection that unites them all this book portrays how a critical self-examination of one's most personal internal fractures our poverty as it were is the only way to develop a life of faith the dual meaning of the word confession which expresses both a revealing of one's sins or brokenness and the articulation of what one believes **Can You Be a Catholic and a Feminist?** Julie Hanlon

Rubio, 2024-03-15 Is it possible to reconcile Catholic and feminist identities Julie Hanlon Rubio argues that it is but only if we rethink how women and men who experience the pull of feminism and Catholicism can credibly claim both identities

The Catholic Church John L. Allen, 2014 Roman Catholicism stands at a crossroads a classic best of times worst of times moment On the one hand the Catholic Church remains by far the largest branch of the worldwide Christian family and is growing at a remarkable clip Yet the Church has also been rocked by a series of scandals related to the sexual abuse of minors by clergy and even more devastating the cover up by the Church hierarchy The decade long crisis has taken a massive financial toll but the blow to both the internal morale and the external moral standing of the Church has been even steeper Today the Church has enormous residual strength and exciting future prospects but also faces steep internal and external challenges The question of whether Catholicism is of vital public relevance for believers and non-believers alike In *The Catholic Church What Everyone Needs to Know* John L. Allen Jr one of the world's leading authorities on the Vatican offers an authoritative and accessible guide to the past present and future of the Church This updated edition includes a new chapter on the resignation of Pope Benedict XVI the election of Pope Francis and his extraordinary tenure thus far

Restoring the Shattered Nancy E. Head, 2018-10-02 Written in an easy to understand conversational style *Restoring the Shattered* is an account of Nancy E. Head's journey through single motherhood and poverty The permanent divide between her and her husband led to a shattering of their family as the children settled into separate camps The story begins when Nancy and her children have little to eat Through a miraculous intervention God provides and leads them along their way Other interventions and more guidance came from people of different denominations illustrating Christ's love through the larger Church When one of Nancy's grown children became Catholic she became more aware of the ways her own evangelical tradition often dismisses Catholic believers and misinterprets many of their doctrines While doctrines may differ so many essential beliefs are the same *Restoring the Shattered* looks at the causes of the Reformation and other schisms and how the original schism in Christianity happened because of a mistranslation Misunderstanding others' faith languages feeds so much separation today Nancy encourages pursuing accord among evangelical Catholic and Christian Orthodox communities in order to lead the Church to the kind of ministry that helped Nancy's family so much and rebuild the ruins of society through obedience to Christ's call for Christian accord

Pope Francis The New York Times Editorial Staff, 2018-12-15 Pope Francis was elected after the first papal resignation in nearly six centuries Francis inherited a Church in crisis sex abuse scandals Vatican disorder and a diminishing Catholic flock in a changing world The first Latin American pope Pope Francis has brought social justice commitments to Church reform and to international affairs His efforts have drawn simultaneous acclaim and controversy as he has attempted to balance major changes with the fundamental teachings of the Catholic Church Media Literacy Terms and Questions are also featured in this unique collection of coverage centering around one of the world's prominent religious leaders
