Remodel My House: How To Do It Right Dwight Chung, 2013-07-26 Are you living in an older house that is in need of a remodel or are you ready to update your house a bit If so you need to have a copy of the book Remodel My House How To Do It Right This book gives the reader an insight into the world of remodeling and offers the reader advice on what they ought to have in place before they start the remodeling process The challenge with remodeling is that many individuals fail to think of everything that they need to do before starting the remodel and end up having massive delays or end up having to pay more than they had budgeted for at the end of the day It may be that they forgot to get the necessary permits or that the wrong contractor was hired The book gives an overview of the step by step processes that are involved Remodeling a home does not have to be stressful With the proper planning and a well organized budget the remodel can be carried out without a hitch About the Author Dwight Chung was interested in what went into fixing up a home from an early age He was not just interested in how persons could buy a few things to revamp the look of the property but was also interested in the entire remodeling process To him it was all pretty simple in his mind for as

far as he knew once you have the money to do it you could just go ahead and get it done Suffice to say that when he got older and had his own home to remodel he learned that the process involved quite a bit more than that to get things done From the experience that he had and the challenges that he faced he made the decision to help others to get through that whole process without undue stress He provides a book that helps the reader to learn how they should approach the remodeling process Once they read Dwight s book they will be able to make better decisions on how to remodel their home in the long run

The Young Widow's Book of Home Improvement Virginia Lloyd,2011-04 Single at 32 married at 33 and widowed at 34 Virginia Lloyd finally meets the man she wants to spend the rest of her life with only to discover he is dying from cancer After John dies Virginia must battle the chronic rising damp in the house they had shared And so in her first year as a young widow Virginia like the house must dry from the inside out The Young Widow s Book of Home Improvement is a wry and touching love story that plays with the parallels between our homes and ourselves
