My Life So Far By Edith Ann:

One on One: Playing with a Purpose Bob Shuman, Stephen Fife, 2013-05-01 Kids of today face a different world and a different set of challenges than did the children of even 15 years ago. *Playing with a Purpose* features a collection of monologues that reflect these new attitudes and circumstances. Highly diversified in its view of the family and the child's place in the world, the monologues have been chosen from several sources: from contemporary playwrights and screenwriters from YouthPlays, a new company that specializes in publishing cutting edge plays for the youth market; and from such conservatories for young actors as The Playground, the Los Angeles based training center run by Gary Spatz, the leading acting coach for performers ages 6 to 16. *Playing with a Purpose* is an idea that arose from Fife's work with young actors over the course of several decades.

Inside Comedy David Steinberg, 2023-06-06 David Steinberg's name has been synonymous with comedy for decades. The Canadian born comedian, producer, writer, director, and author has been called a comic institution himself by the New York Times. He appeared on *The Tonight Show Starring Johnny Carson* 140 times, second only to Bob Hope, and directed episodes of popular television sitcoms including *Curb Your Enthusiasm*, *Seinfeld*, *Friends*, *Mad About You*, *The Golden Girls*, and *Designing Women*. From 2012-2015 Steinberg hosted the comedy documentary series *Inside Comedy*, which featured such comedy greats as Billy Crystal, Chris Rock, and Gary Shandling. In this entertaining history of comedy, Steinberg shares insightful memories of his journey through his career and takes the reader behind the curtain of the comedy scene of the last half century. Steinberg shares amusing and often hilarious stories and anecdotes from some of the most legendary comedians in the industry, from Groucho Marx, Carol Burnett, Mel Brooks, and Richard Pryor to Lily Tomlin, Robin Williams, Jerry Seinfeld, Julia Louis Dreyfus, and Tina Fey. *Inside Comedy* presents in-depth portraits of some of the most talented and revered comedians in the world of comedy today.

The Queer Cultural Work of Lily Tomlin and Jane Wagner J. Reed, 2013-12-18 Lily Tomlin and Jane Wagner have been partners in life and work for more than 40 years. Over those years, they have been comedic pioneers in television, sound recording, film, theater, and animation. This book explores the ways they have used and expanded notions of queer to make their unique impact on American culture.

The New American West in Literature and the Arts Amaia Ibarraran-Bigalondo, 2020-05-12 The story of the American West is that of a journey. It is the story of a movement of a geographical and human transition, of the delineation of a route that would soon become a rooted myth. The story of the American West has similarly journeyed across boundaries in a two-way movement, sometimes feeding the idea of that myth, sometimes challenging it. This collection of essays relates to the notion of the traveling essence of the myth of the American West from different geographical and disciplinary standpoints. The volume originates in Europe, in Spain, where the myth traveled, was received, assimilated, and re-presented. It intends to travel back to the West in a two-way cross-cultural journey which will hopefully contribute to the delineation of the New, always self-renewing American West. It includes the work of
