My Life Claus Chuck Hubbell:

My Life as Claus Chuck Hubbell, 2015-11-25 This book is about a journey A journey of creating magic with children It sheds light on why creating Magic for children is important It is about a journey into the realm of children whose innocence is taken from them far too soon It is about smiles and laughter and secrets and perhaps a little magic that results in believing Believing for a moment longer or if we are lucky another year Or if we really believe perhaps that magic can last a lifetime But this story is about so much more It is about what children gave me as I evolved into being a Santa Claus It is about how I became a much better person It is a story about how I gained insight and understanding in the power of believing even when believing seems impossible **Catalog of Copyright Entries** Library of Congress.
