Out of Many, One Ruth O'Brien, 2013-05-21 Feared by conservatives and embraced by liberals when he entered the White House Barack Obama has since been battered by criticism from both sides In Out of Many One Ruth O'Brien explains why We are accustomed to seeing politicians supporting either a minimalist state characterized by unfettered capitalism and individual rights or a relatively strong welfare state and regulatory capitalism Obama O'Brien argues represents the values of a lesser known third tradition in American political thought that defies the usual left right categorization Bearing traces of Baruch Spinoza John Dewey and Saul Alinsky Obama s progressivism embraces the ideas of mutual reliance and collective responsibility and adopts an interconnected view of the individual and the state So while Obama might emphasize difference he rejects identity politics which can create permanent minorities and diminish individual agency Analyzing Obama s major legislative victories financial regulation health care and the stimulus package O'Brien shows how they reflect a stakeholder society that neither regulates in the manner of the New Deal nor deregulates Instead Obama focuses on negotiated rule making and allows executive branch agencies to fill in the details when dealing with a deadlocked Congress Similarly his commitment to difference and his resistance to universal mandates underlies his reluctance to advocate for human rights as much as many on the Democratic left had hoped By establishing Obama within the context of a much longer and broader political tradition this book sheds critical light on both

the political and philosophical underpinnings of his presidency and a fundamental shift in American political thought **The Pioneers: Second Book of Proverbs and Social Commentary in and of the Songs** Inyaso,2016-08-20 In over 50 years of toiling the Pioneers Reggae transitioned steadfastly from the Ska era to Rocksteady and to Reggae and some of its many fusions The Pioneers Second Book of Proverbs and Social Commentary and its counterpart First Book of Proverbs and Social Commentary as well as the book titled Collectively and Individually The Pioneers Record Sleeves Over the Decades were written to celebrate the Pioneers Reggae Group s musical journey as seen through the eyes of a lifetime fan whose intent is to draw on narrative and content analysis as a methodology to bring the groups lifeworks to prominence and to remind the world of the great works created by the Pioneers and their important contribution to the reggae music industry *Global Culture* Mike Featherstone,1990-07-03 In this book leading social scientists from many countries analyze the extent to which we are seeing a globalization of culture Is a unified world culture emerging And if so how does this relate to existing cultural divisions and to the autonomy of the nation state Differing explanations are offered for trends towards global unification and their relation to an economic world system Will the intensification of global contact produce increasing tolerance of other cultures Or will an integrating culture produce sharper reactions in the form of fundamentalist and nationalist movements The contributors explore the emergence of third cultures such as international law the financial markets and media conglomerates as elements which transcend the boundaries of the nation state As well as examining the extent causation and consequences of global homogenization the authors consider its implication for the social sciences *Global Culture* was published simultaneously as Volume 7 issues 2 3 of *Theory Culture Society* Fully Awake 365: 365 Days That Will Challenge Your Mind, Channel Your Power and Change Your Life D.E.
