Oscar And Bosie A Fatal Passion:

Oscar and Bosie Trevor Fisher, 2002 The love story of Oscar Wilde and Lord Alfred Douglas surely ranks among the world's greatest romantic tragedies After Wilde's tragic bid to sue the Marquis of Queensberry for libel ended in total humiliation with his imprisonment exile and early death in Paris at the age of 46 the London literati split into bitterly opposed camps Some have believed that Bosie deserted a friend in need others that Wilde was the innocent victim of a long running family feud between an obsessed father and his pampered son Fuelled by the surviving correspondence successive biographies and Bosie's own polemical writing the arguments have merely intensified over the years Of Wilde however the question will always remain Why did he bring about his own downfall This book is that fascinating and complex story The Secret Life of Oscar Wilde Neil McKenna, 2011-02-28 I have put my genius into my life but only my talent into my work So said Oscar Wilde of his remarkable life a life more complex more erotic more troubled and more triumphant than any of his contemporaries ever knew or suspected Neil McKenna's The Secret Life of Oscar Wilde charts fully for the first time Oscar's astonishing erotic odyssey through Victorian London's sexual underworld Oscar Wilde emerges as a man driven personally and creatively by his powerful desires for sex with men and Neil McKenna argues compellingly and convincingly that Oscar's Wilde's life and work can only be fully understood and appreciated in terms of his sexuality The book draws on a vast range of sources many of them previously unpublished and includes startling new material like the statements made to the police by the male prostitutes and blackmailers ranged against Oscar Wilde at his trial which have been lost for over a century Dazzlingly written The Secret Life of Oscar Wilde meticulously and brilliantly reconstructs Oscar Wilde's emotional and sexual life painting an astonishingly frank and vivid portrait of a troubled genius who chose to martyr himself for the cause of love between men **London Clubland** A. Milne-Smith, 2011-11-15 This work is the first to study the gentlemen's clubs that were an important feature of the Late Victorian landscape and the first to discover the secret history of clubmen and their world placing them at centre stage detailing how clubland dramatically shaped 19th and early 20th century ideas about gender power class and the city 1895 Nicholas Freeman, 2011-10-12 Explores the lasting cultural and political impact of the events of this remarkable year which included Oscar Wilde's libel suit against the Marquess of Queensberry and its disastrous repercussions **Oscar Wilde -- The Great Drama of His Life** Ashley H Robins, 2010-12-17 In the 1890s Oscar Wilde enjoyed one of the most high profile reputations in Britain yet virtually overnight he was plunged into disgrace and ruin What were the reasons for this extraordinary reversal of fortune This title explores Wilde's motivation in prosecuting the Marquess of Queensberry and elaborates on the precarious legal situation **The Historian**, 2007 A History of Ireland in Ten Body Parts Ian Miller, 2024-09-05 Skulls height hands legs sex organs blood brains stomachs ears and corpses discover Irish history anew through the utterly unique prism of the human body From the brutal beheading of the red-headed Clonycavan Man some 2 000 years ago to the ancient skulls believed to be those of giants stolen from islands off Ireland's

west coast medical historian Dr Ian Miller brings readers on a delightfully gruesome journey through our rich heritage Learn about the fears of excessive tea drinking that were once such a great cause for concern on this isle scarcely believable Meet the doctors who revolutionised Irish medicine in the 19th century along with the deplorable bodysnatching that accompanied this progress Fact and folklore intertwine seamlessly throughout providing the reader with an endlessly fascinating account of matters historical and mythological

The Resurrection of Oscar Wilde Julia Wood, 2007 This absorbing book examines five events that have taken place to commemorate the 100 year anniversaries of Oscar Wilde's conviction for gross indecency in London and his death in Paris Through these events the author explores the ways in which Wilde's life and legacy continue to be influential

L'amore che non osa Alfred Douglas, 2019-09-16 T00:00:00+02:00 Pochi sanno e pochissimi vogliono ricordare che Lord Alfred Bruce Douglas ovvero Bosie il ragazzo troppo amato a cui Oscar Wilde dedicò la più straziante lettera d'amore di fine Ottocento il De profundis fu poeta se non di eccelso livello sicuramente di apprezzabile talento e ispirazione autentica La cortina doppio discesa sul suo nome dopo il clamoroso processo che decretò la rovina del mitico dandy generò anche la damnatio memoriae di una produzione poetica che non ha molto da invidiare a quella del maestro Silvio Raffo il più fecondo traduttore di poetesse e poeti angloamericani ci offre per la prima volta con preziosa fedeltà una versione italiana in grado di colmare una grave lacuna e di fornire altresì singolari rivelazioni sull'ambigua natura di un rapporto che non fu solo sentimentale ma anche letterario ricostruendone le fasi con filologica accuratezza e precisione di cronologia

Oscar Wilde and Modern Culture Joseph Bristow, 2009-01-12 Oscar Wilde and Modern Culture The Making of a Legend explores the meteoric rise sudden fall and legendary resurgence of an immensely influential writer's reputation from his hectic 1881 American lecture tour to recent Hollywood adaptations of his dramas Always renowned if not notorious for his fashionable persona Wilde courted celebrity at an early age Later he came to prominence as one of the most talented essayists and fiction writers of his time In the years leading up to his two year imprisonment Wilde stood among the foremost dramatists in London But after he was sent down for committing acts of gross indecency it seemed likely that social embarrassment would inflict irreparable damage to his legacy As this volume shows Wilde died in comparative obscurity Little could he have realized that in five years his name would come back into popular circulation thanks to the success of Richard Strauss's opera Salome and Robert Ross's edition of De Profundis With each succeeding decade the twentieth century continued to honor Wilde's name by keeping his plays in repertory producing dramas about his life adapting his works for film and devising countless biographical and critical studies of his writings This volume reveals why more than a hundred years after his demise Wilde's value in the academic world the auction house and the entertainment industry stands higher than that of any modern writer
