

**ACT****Othello****ONE****Scene 1 : Iago and Roderigo tell Brabantio about****~~Desdemona and Othello~~**

**SUMMARY:** It is nighttime, and Roderigo and Iago are lurking on the street in Venice beneath the window of Brabantio, Desdemona's father. Iago begins by telling Roderigo of his hatred for Othello because of the fact that Othello promoted Cassio to lieutenant over Iago (Iago is only an ensign, which is a lower rank). It is revealed that Roderigo has been paying Iago to help him win the love of Desdemona; however, Desdemona has snuck off in the night to marry Othello in secret. Iago and Roderigo wake Brabantio to tell him that Desdemona has run away with Othello. Brabantio quickly organizes a search party.

1. Translate the following lines to determine why Roderigo is angry with Iago.

|                                                      |   |
|------------------------------------------------------|---|
| I take it much unkindly                              | 1 |
| That thou, Iago, who hast had my purse               |   |
| As if the strings were thine, shouldst know of this, | 3 |
| Thou toldst me thou didst hold him in thy hate,      | 7 |

I don't like it that you knew about this, Iago. All this time I've thought you were such a good friend that I've let you spend my money as if it was yours. You told me you hated him.

a. What did Iago "know of" that angers Roderigo? Iago "knew of" the wedding between Othello and Desdemona. (Roderigo wanted Desdemona)

2. Lines 9-35 comprise an extended speech by Iago that can be heard by both the audience and other characters on the stage. Therefore, this is considered a monologue.

a. In lines 9-35, Iago reveals why he is angry with Othello and why he hates Michael Cassio. What did Othello do involving Cassio that has upset Iago? Give lines and explain what they mean. Othello made Cassio his Lieutenant even though he knew nothing about that instead of Iago.

- i) Lines:  
 "Three great ones of the city (in Personal suit to make me his lieutenant)  
 Off – capped to him, "  
 "I know my price; I am worth so worse a place."  
 "And what was he? Forsooth, a great arithmetician, One Michael Cassio,  
 A Florentine."

- ii) Meaning:  
 Three of Venice's most important noblemen took their hats off to him and asked him humbly to make him his lieutenant.  
 I know my own worth well enough to know that I deserve that position.  
 And who does he choose? A guy who knows more about numbers than fighting!

b. What does Iago mean when he says that:
