Outcast Islands Joseph Conrad:

An Outcast of the Islands (1896) Novel by Joseph Conrad, 2017-01-22 An Outcast of the Islands is the second novel by Joseph Conrad published in 1896 inspired by Conrad's experience as mate of a steamer the Vidar. The novel details the undoing of Peter Willems, a disreputable immoral man who on the run from a scandal in Makassar finds refuge in a hidden native village only to betray his benefactors over lust for the tribal chief's daughter. The story features Conrad's recurring character Tom Lingard who also appears in *Almayer's Folly* 1895 and *The Rescue* 1920 in addition to sharing other characters with those novels. It is considered to be underrated as a work of literature for many. Conrad romanticizes the jungle environment and its inhabitants in a similar style to his *Heart of Darkness*. This novel was adapted into the film *Outcast of the Islands* in 1951 by director Carol Reed featuring Trevor Howard as Willems, Ralph Richardson as Lingard, Robert Morley, and Wendy Hiller.

The captain, a very influential person on the Indonesian islands, gives Peter shelter in a small native village. In punishment for his cruel deed, Peter is banished on a desolate island. An Outcast of the Islands originally published in 1896 is the second novel by Joseph Conrad. It was inspired by Conrad's work as mate on the steamship Vidar. Joseph Conrad was born in 1857 in former Poland. In 1886 he obtained British citizenship and two years later was appointed captain of the British merchant marine. His voyages to the Malay Peninsula and to the Congo Free State became the setting for his stories. Conrad published many tales and novels in English and is still regarded as one of the most brilliant authors in English literature. He died in 1924 in England.

The only annotated edition available: *An Outcast of the Islands* 1896. Conrad's second novel is a tale of intrigue in an eastern setting. Peter Willems, a clerk in Macassar, granted a second chance at a remote river trading post, falls ever more hopelessly into traps set by himself and others. A parable of human frailty with love and death, the major players, this is a story of a man unable to understand others and fated never to possess his own soul.

An Outcast of the islands Joseph Conrad, 2014-10-21

An Outcast of the Islands is my second novel in the absolute sense of the word: second in conception, second in execution, second as it were in its essence. There was no hesitation, half-formed plan, vague idea, or the vaguest reverie of anything else between it and *Almayer's Folly*. The only doubt I suffered from after the publication of *Almayer's Folly* was whether I should write another line for print. Those days now grown so dim had their poignant moments. Neither in my mind nor in my heart had I then given up the sea. In truth, I was clinging to it desperately, all the more desperately because against my will I could not help feeling that there was something changed in my relation to it. *Almayer's Folly* had been finished and done with. The mood itself was gone. But it had left the memory of an experience that both in thought and emotion was unconnected with the sea, and I suppose that part of my moral being which is rooted in consistency was badly shaken. I was a victim of contrary stresses which produced a state of immobility. I gave myself up to indolence. Since it was impossible for me to face both ways, I had elected to face nothing. The discovery of new values in life is a very chaotic experience; there is a tremendous amount of

jostling and confusion and a momentary feeling of darkness I let my spirit float supine over that chaos *An Outcast of the Islands* Joseph Conrad, 2023-08-25 Reproduction of the original The publishing house Megali specialises in reproducing historical works in large print to make reading easier for people with impaired vision **An Outcast of the Islands** Joseph Conrad, 2002 The only annotated edition available An Outcast of the Islands 1896 Conrad's second novel is a tale of intrigue in an eastern setting Peter Willems a clerk in Macassar granted a second chance at a remote river trading post falls ever more hopelessly into traps set by himself and others A parable of human frailty with love and death the major players this is a story of a man unable to understand others and fated never to possess his own soul
