

Outliers of Speculative Fiction

The background of the cover is a dramatic, dark landscape. A massive, pale, cratered sphere, resembling a moon or a distant planet, dominates the upper right portion of the frame. In the foreground, a dark, rocky shoreline curves from the bottom left towards the center. A small, silhouetted figure stands on this shore, looking out at a body of water. The water is dark and reflects the light from the large sphere. In the distance, across the water, a small, illuminated structure or ship is visible on the left, and another smaller, less distinct shape is on the right. The overall atmosphere is mysterious and otherworldly.
