Outreach And The Artist Sharing The Gospel With The Arts:

Outreach and the Artist Constantine R. Campbell, 2013-04-23 Whether you are an artist whose talents are an untapped source of energy for your church or a ministry leader wanting to involve artists and the creative arts in your outreach efforts Outreach and the Artist will renew your vision Musician and biblical scholar Con Campbell offers encouragement wisdom and practical tips for evangelism with through and to the arts Evangelism with the Arts While the abilities of Christian artists may serve the church internally artists within the church usually have enormous untapped potential for outreach Evangelism through the Arts People's natural love for various artistic mediums provides a connection point to exploring life's big questions with unbelievers in non threatening and engaging ways Evangelism to the Arts Christian artists are uniquely positioned to make an impact in artistic networks which often have no Christian witness or presence and tend to be shut off from conventional methods of outreach Spreading the gospel is a task worth every God given resource we have and artists and their creative gifts are no exception

Christian Witness in Cascadian Soil Ross A. Lockhart, 2021-02-17 The Centre for Missional Leadership at St Andrew's Hall Vancouver has curated a dynamic collection of essays from missional thinkers in church and academy Together they explore both the pitfalls and possibilities of Christian witness in the post Christendom soil of the Pacific Northwest What does it mean to till plant and nurture Christian community while awaiting growth in the rocky soil of secularity in this West Coast land better known for its hipsters baristas and outdoor lifestyle Each chapter is an attempt to dust for divine fingerprints at work within the church and wider culture giving evidence of God's activity in our midst Within this book you will encounter women and men who are finding hopeful ways to proclaim and live the gospel that are bearing fruit and growing hope within Christian communities and the neighborhoods they call home

Gospel Witness David M. Gustafson, 2019-02-14 In light of our increasingly post Christian Western contexts David Gustafson offers a mission oriented ecclesiology that moves from missional theory to practices of missional engagement Introducing God's human drama as a way to explain the gospel within God's redemptive story he outlines specific ways for pastors and church leaders to shape a gospeling culture within their congregations Gustafson expertly lays the foundations of and approaches to evangelism that are seminal and apt for the church today

Jesus v. Evangelicals Constantine R. Campbell, 2023-01-17 American evangelicalism is at a crisis point The naked grasping at political power at the expense of moral credibility has revealed a movement in disarray Evangelicals are now faced with a quandary will they double down and continue along this perilous path or will they stop reflect and change course And while support of Donald Trump has produced the tipping point of the evangelical crisis it is not by any means its only problem Evangelicals claim the Bible as the supreme authority in matters of faith But in reality it is particular readings of the Bible that govern evangelical faith Some evangelical readings of the Bible can be highly selective They distort the Bible's teaching in crucial ways and often lead evangelicals to misguided attempts to relate to the world around them Many Christians who once self professed as evangelicals can no longer use the

term of themselves because of what it has come to represent power mongering divisiveness judgementalism hypocrisy pride greed Some leave not just evangelicalism but Christianity for good Jesus v Evangelicals is an insider's critique of the evangelical movement according to its own rules Since evangelicals regard themselves governed by the Bible biblical scholar Constantine Campbell engages the Bible to critique evangelicals and to call out the problems within the contemporary evangelical movement By revealing evangelical distortions of the Bible this book seeks to restore the dignity of the Christian faith and to renew public interest in Jesus while calling evangelicals back to his teaching Constantine Campbell appeals to evangelicals to break free from the grid that has distorted their understanding of the Bible and to restore public respect for Christianity in spite of its misrepresentations by the evangelical church
