Romans Grace Truth And Redemption MacArthur Bible Studies:

Romans John F. MacArthur, 2015-11-03 Paul's letter to the Romans is an inspired masterpiece of doctrine highlighting God's grace, truth, and redemption. Pastor John MacArthur will take you through the book passage by passage so that you can better understand everything from the cultural context to Paul's theological points. Within the pages of Romans, the apostle Paul powerfully shares his message of good news and eternal salvation with the church, advises believers on theological truths, gives practical applications for living the Christian life, and shows how God's righteousness comes by grace alone through faith in Christ. The book of Romans underscores that Christianity is far more than just a doctrine; it is an essential road map for daily living. ABOUT THE SERIES: The MacArthur Bible Study series is designed to help you study the Word of God with guidance from widely respected pastor and author John MacArthur. Each guide provides intriguing examinations of the whole of Scripture by examining its parts and incorporates extensive but straightforward commentary on the text. Detailed observations on overriding themes, timelines, history, and context. Word and phrase studies to help you unlock the broader meaning and apply it to your life. MacArthur, 2025-06-10 If Jesus Used These Men, He Can Also Use You. They weren't saints. They weren't scholars. They weren't even religious sages. What is most amazing about the disciples is that Jesus ever selected them at all. Among them, a handful of common fishermen, a hated tax collector, and an impulsive political zealot. The Twelve Ordinary Men Workbook brings you face to face with the disciples as you've never seen them. You'll put yourself in their shoes. You'll understand their doubts and hopes. And you'll hear the power of Jesus' words in a whole new way. The message is clear: If Christ can accomplish His purposes through the lives of common men like these, imagine what He has in store for you. Based on John MacArthur's bestselling book of the same name, this revised and updated edition of the workbook includes biblical studies of each disciple, thought-provoking questions, and life application assignments. Lessons include: The Men Jesus Called Outstandingly Ordinary, Peter: The Unlikely Leader, Andrew: The Apostle of Small Things, James: The Apostle of Passion, John: The Apostle of Love, Philip: The Bean Counter, Nathanael: The Guileless One, Matthew and Thomas: The Tax Collector and the Twin, James the Less: Simon the Zealot, and Judas the Not-So-Well-Known Trio, Judas the Traitor. **Der Brief des Paulus an die Römer, Kapitel 1-5** Eckhard J. Schnabel, 2016-03-18 Die Historisch-Theologische Auslegungsreihe des Neuen Testaments (HTA) ist ein Projekt von Exegeten aus dem evangelikalen Bereich. Sie will mit wissenschaftlicher Gründlichkeit die Aussagen der neutestamentlichen Texte im Hinblick auf ihre historische Situation, ihre literarische Eigenart, und mit betonter Berücksichtigung ihrer theologischen Anliegen erläutern und verständlich machen. Dabei werden neben den traditionellen auch neuere exegetische Methoden und Forschungsergebnisse berücksichtigt. **52 Weeks through the Bible** John F.

Your Identity in the Trinity Sean Cole, 2019-04-12 Many believers struggle with assurance of salvation tending to approach obedience to God out of either guilt or legalism We exist to display God s glory declare God s gospel and disciple for God s Great Commission Instead of embracing these truths many Christians have believed the lie that

their identity in Christ does not affect how they live their lives in obedience to him The gospel tells us that being identity comes before doing obedience This lack of understanding our gospel identity frequently results in either legalistic pride or frustrating guilt The purpose of this book is to help believers understand their identity in the three persons of the Trinity and then joyfully serve God with gospel obedience The gospel indicatives in the Bible serve as the fountain and power for obeying the moral imperatives in the Bible The gospel roots our assurance of salvation and motivation to obey God in our identity not in moralism which elevates our performance instead of exalting the finished work of Christ Romans 1-16 MacArthur New Testament Commentary Two Volume Set John MacArthur,1994-05-09 This package includes the complete two volume set of the Book of Romans from the MacArthur New Testament Commentary series Romans 1 8 and Romans 9 16 The MacArthur New Testament Commentary series continues to be one of today s top selling commentary series In the volume one and two of the Book of Romans MacArthur gives verse by verse analysis in context and provides points of application for passages illuminating the biblical text in practical and relevant ways The series has been praised for its accessibility to lay leaders and is a must have for every pastor s library **Galatians** John F. MacArthur,2015-12-29 An urgent letter to the early churches in Asia Minor Galatians expresses Paul s concern for the spiritual welfare of the early believers Pastor John MacArthur will take you through the book of Galatians passage by passage so that you can better understand Paul s presentation of the central doctrines of Christianity and how confusion was growing among his audience as false teachers began to teach that faith in Christ was not enough for salvation In an earnest attempt to salvage the truth and integrity of the gospel Paul penned Galatians a book that would encourage hundreds of generations of Christians to remain steadfast in their faith While contrasting grace and law faith and works Paul defends the theological and practical implications of Christianity and encourages believers then and now to live a holy life that bears much fruit ABOUT THE SERIES The MacArthur Bible Study series is designed to help you study the Word of God with guidance from widely respected pastor and author John MacArthur Each guide provides intriguing examinations of the whole of Scripture by examining its parts and incorporates Extensive but straight forward commentary on the text Detailed observations on overriding themes timelines history and context Word and phrase studies to help you unlock the broader meaning and apply it to your life Probing interactive questions with plenty of space to write down your response and thoughts
