Rhodesian Fire Force 1966 80 Africawar:

Rhodesian Fire Force 1966-80 Kerrin Cocks, 2015 On 11 November 1965 Rhodesian prime minister Ian Smith unilaterally declared his country independent of Britain International sanctions were immediately instituted against the minority white regime as Robert Mugabe's ZANLA and Joshua Nkomo's ZIPRA armies commenced their armed struggle the Chimurenga the war of liberation As Communist trained guerrillas flooded the country the beleaguered Rhodesians hard pressed for manpower and military resources were forced to devise new and innovative methods to combat the insurgency Fire Force was their answer Fire Force as a military concept dates from 1974 when the Rhodesian Air Force RhAF acquired the French MG151 20mm cannon from the Portuguese Visionary RhAF and Rhodesian Light Infantry RLI officers expanded on the idea of a vertical envelopment of the enemy with the 20mm cannon being the principal weapon of attack mounted in an Alouette III K Car Killer car supported by ground troops deployed from G Cars Alouette III troop carrying gunships and latterly Bell Hueys and parachuted from DC 3 Dakotas In support would be a propeller driven ground attack aircraft armed with front guns pods of napalm white phosphorus rockets and a variety of Rhodesian designed bombs on call would be Canberra bombers Hawker Hunter and Vampire jets In spite of the overwhelming number of enemy pitted against them Rhodesian Fire Forces accounted for thousands of enemy guerrillas with a kill ratio exceeding 80 1 At the end of the war ZANLA generals admitted their army could not have survived another year in the field in no small part due to the ruthless efficiency of the Fire Forces described by Charles D Melson the Chief Historian of the U S Marine Corps as the ultimate killing machine

Ethiopian-Eritrean Wars Tom Cooper, Adrien Fontanellaz, 2018-07-31 Ethiopia a country of ancient origins in eastern Africa remains a military powerhouse of that continent until our days Nowadays involved in the war in neighboring Somalia Ethiopia was also involved in half a dozen of other armed conflicts over the last 60 years Crucial between these was the Eritrean War of Independence Fought 1961 1991 this was one of the biggest armed conflicts on the African continent especially if measured by numbers of involved combatants It included a wide spectrum of operations from classic counterinsurgency COIN to conventional warfare in mountains with the latter being one of the most complex and most demanding undertakings possible to conduct by a military force Campaigns run during the Eritrean War of Independence often included large formations of relatively well equipped forces led by well trained commanders along well thought out plans based on homegrown doctrine The air power played a crucial although not necessarily decisive role in many of battles Nevertheless most of details about this conflict remain unknown in the wider public Similarly relatively few Western observers are aware of relations between the Eritrean liberation movements and various dissident and insurgent movements inside Ethiopia although the synergy of these eventually led the downfall of the so called Derg government in 1991 While the first volume in this mini series spanned the history of wars between Ethiopia and Eritrea between 1961 and 1988 the second covers the period since Correspondingly it is providing coverage of military operations that led to the fall of the Derg

government in Ethiopia of 1991 the period of Eritrean military buildup and a complete reorganization of the Ethiopian military in the 1990s and concludes with the first detailed account of the so called Badme War fought between Ethiopia and Eritrea in period 1998 2001 It is illustrated by many contemporary photographs maps and color profiles **War of Intervention in Angola** Adrien Fontanellaz,Tom Cooper,2019-07-11 As of mid 1976 the civil war in Angola was seemingly decided supported by a large contingent of Cuban forces the MPLA established itself in power in Luanda Its native competitors the US French Zaire supported FNLA and UNITA supported by China and South Africa were in tatters The French and Zaire supported FLEC an armed movement for the independence of the oil rich Cabinda enclave was in disarray The last few of their surviving units were either driven out of the country or forced into hiding in isolated corners of northern and southeastern Angola Nevertheless the war went on The MPLA s government failed to decisively defeat UNITA in southern Angola and then found itself facing a coup attempt from within in May 1977 Crushed in blood this resulted in thousands being jailed and tortured many more escaped abroad where they reinforced the ranks of the battered opposition The coup prompted the Soviets to attempt increasing their influence with the aim of establishing permanent military bases in the country While all such overtures were turned down Angolan operations along the border to what was then the South West Africa subsequently Namibia in October 1980 combined with the increased activity of SWAPO an insurgency against the South African control of that territory subsequently Namibia prompted South Africa to launch another military intervention and resume supporting UNITA In turn this prompted not only the Cubans to further increase their military presence but also the Soviet Union into delivering massive amounts of military aid to the government in Luanda Angola not only assumed the role of one of the major hot battlefields in the Cold War its civil war saw a number of major showdowns between diverse belligerents culminating in the Battle of Cangamba in 1983 Based on extensive research with help of Angolan and Cuban sources War of Intervention in Angola Volume 2 traces the military build up of the Cuban and Soviet supported Angolan military the FAPLA and its combat operations and those of the Cuban military in Angola in the period 1976 1983 their capabilities and intentions and their battlefield performances The volume is illustrated with over 100 rare photographs half a dozen maps and 18 color profiles **Operations 'Leopard' and 'Red Bean' Kolwezi 1978** Daniel Kowalczyk,2019-01-04 This book provides a history of the roots of FNLC Front for the National Liberation of the Congo ex Katanga Gendarmerie in Angola and Zaire political situation under Mobutu regime FNLC incursions into Zaire border since 1977 Shaba Wars I and II and subsequent hostage taking in mining town of Kolwezi The author describes the subsequent French Foreign Legion and Belgian Para Commando airborne operation and freeing of the hostages together with practical destruction of the FNLC as fighting force **Fireforce** Chris Cocks,1988 *Fireforce* Chris Cocks,2007-07-01 Fireforce is the compelling brutal account of Chris Cocks service in 3 Commando the Rhodesian Light Infantry during Zimbabwe s bitter civil war of the 1970s a conflict that came to be known simply as the bush war The book s title refers to a tactic of total airborne envelopment

developed and perfected by the RLI together with the Selous Scouts and the Rhodesian Air Force that became the principal strike weapon of the beleaguered Rhodesian forces in their struggle against the overwhelming tide of the Communist trained and equipped ZANLA and ZIPRA guerrillas This book is not for the squeamish It blends the intrinsic pathos and humor peculiar to war with face to face combat in the bush and death at point blank range Now here is your chance to read what several critics have called the best book on the Rhodesian War ever written Rhodesian Light Infantryman 1961-80 Neil Grant,2015-11-20 The 1st Battalion The Rhodesian Light Infantry was one of the most innovative and successful counter insurgency units in modern history Formed as a commando battalion in 1964 after the dissolution of the Federation of Rhodesia and Nyasaland the RLI was an all white unit made up of South Africans and men from the UK Europe and US It was a key weapon in independent Rhodesia s struggle against the Zimbabwe African National Liberation Army and Zimbabwe People s Revolutionary Army during the bloody Rhodesian Bush War This comprehensive study explores the unit s dramatic history revealing the RLI s fearsome airborne and combat capacity which gave the unit at times near total tactical superiority against its opponents The Rhodesian War Paul L. Moorcraft,Peter McLaughlin,2008-09-22 A military history of the former British colony of Southern Rhodesia now Zimbabwe spanning from 1890 to the 1970s In this exciting book authors Paul Moorcroft and Peter McLaughlin examine the military history of Southern Rhodesia from the first resistance to colonial rule through the period of UDI by the Smith government to the Lancaster House agreement that transferred power They recount the Rhodesian security forces operations against the Black nationalist guerillas and the intensity of the fighting and courage of the participants will surprise and enthrall readers Atrocities were committed by both sides but equally the protagonists were playing for very high stakes But this is more than just a book on military operations The authors provide expert analysis of the historical situation and examine events up to the present day including Mugabe s operations against rival tribes and white farmers For a thorough work on its subject this book cannot be bettered It is essential reading for those wishing to learn more about a counter insurgency campaign The ingenuity of the Rhodesian military fighting against overwhelming odds and restricted by sanctions is impressive but the outcome culminating in the Lancaster House Agreement was inevitable Praise for The Rhodesian War An outstanding exception to most accounts of the Rhodesian civil war achieved impressive objectivity in concentrating on operational issues Anthony Verrier author of The Road to Zimbabwe The book is full of intrigue and plots South African intelligence wanted to assassinate Mugabe but there might also have been plans afoot to kill of Britain s Prince Charles during his visit to Harare Heidi Kingstone The Star South Africa **Chimurenga!** Paul L. Moorcraft,Peter McLaughlin,1982 **Never Fear 147 Is Here** Paul Allin,David Freemantle,2020-11-20 National service Intake 147 of the Rhodesian Army was arguably the most successful of the whole Rhodesian Bush War This is an accurate historical account of the twenty months these young men whose average age was only 19 spent in the army as told by the men themselves They were the first national service unit to take part in Fire Force operations and in 1976 only the Rhodesian

Light Infantry had more kills than 3 Independent Company The members were awarded one Silver Cross of Rhodesia three Bronze Crosses and one Military Forces Commendation They were recommended for a unit citation on more than one occasion
