Ed. by Ellen Wright* Richard Wright, 1978

Richard Wright Debbie Levy, 2008-01-01 Examines the life and times of the influential African American writer from his early life as the son of a Mississippi sharecropper to his successful literary career and his later life spent outside the United States **Richard Wright** Michel Fabre, 1988 Richard Wright Michel Fabre, 1990-07-01 This bibliography of Richard Wright s library and reading serves as a key to understanding the development philosophies and aesthetics of this great writer and provides accurate information for the study of intertextuality in his works Richard Wright born in Mississippi in 1908 was largely self taught His only formal schooling was high school As he recounts in Black Boy he used a white friend s library card at the Memphis Public Library where blacks were not allowed That books were almost living companions for Wright is easily understandable Through books and later through relationships with writers he broadened his perspectives his understanding of society and the very craft of writing In the history of Richard Wright perhaps more than with other writers a knowledge of what he actually read and of what authors he preferred is essential in explaining his intellectual development Michel Fabre Wright s biographer and foremost Wright scholar details the volumes in Wright s library and the facts of Wright s reading habits This listing of books that formed and influenced him includes second hand books he bought while living in extreme poverty in Chicago some borrowed books never returned books purchased in New York and Paris books Wright deemed required reading for a growing novelist gift books and others in a comprehensive list on such subjects as contemporary American literature classic European works criminology psychiatry and social sciences In compiling this listing Fabre goes beyond the actual contents of Wright s library for he includes also titles drawn from references in Wright s works and from accounts of people who knew him and his reading habits Included also is an appendix that collects for the first time reviews written by Wright his prefaces forewords and blurbs They show his appreciation of diverse genres and styles although his ideological commitment remained the same In them one sees Wright as an author ready to help younger writers black and white American and French Richard Wright Michel Fabre, 1990 This bibliography of Richard Wright s library and reading serves as a key to understanding the development philosophies and aesthetics of this great writer and

provides accurate information for the study of intertextuality in his works Richard Wright born in Mississippi in 1908 was largely self taught His only formal schooling was high school As he recounts in *Black Boy* he used a white friend's library card at the Memphis Public Library where blacks were not allowed That books were almost living companions for Wright is easily understandable Through books and later through relationships with writers he broadened his perspectives his understanding of society and the very craft of writing In the history of Richard Wright perhaps more than with other writers a knowledge of what he actually read and of what authors he preferred is essential in explaining his intellectual development Michel Fabre Wright's biographer and foremost Wright scholar details the volumes in Wright's library and the facts of Wright's reading habits This listing of books that formed and influenced him includes second hand books he bought while living in extreme poverty in Chicago some borrowed books never returned books purchased in New York and Paris books Wright deemed required reading for a growing novelist gift books and others in a comprehensive list on such subjects as contemporary American literature classic European works criminology psychiatry and social sciences In compiling this listing Fabre goes beyond the actual contents of Wright's library for he includes also titles drawn from references in Wright's works and from accounts of people who knew him and his reading habits Included also is an appendix that collects for the first time reviews written by Wright his prefaces forewords and blurbs They show his appreciation of diverse genres and styles although his ideological commitment remained the same In them one sees Wright as an author ready to help younger writers black and white American and French

Reading for Democracy Laura Bieger, 2025-09-26 Is literature of political use and if yes how might this use be defined Reading for Democracy addresses this question in a series of essays with topics ranging from reading as a political practice to the relational aesthetics of literary engagement from the public sphere as a space of appearance to public intellectuals and the predicament of popularity from Jesmyn Ward's poetics of breathing while Black to the art of the essay in the digital age In considering these topics it engages with a range of philosophical sociological media and literary critical works by scholars including Jürgen Habermas Michael Warner John Dewey Hannah Arendt Jean Paul Sartre Theodor Adorno Nicolas Bourriaud and Pierre Bourdieu But the baseline of the essays collected in this volume is an understanding of literature as a social practice a collective doing and making that involves a multiplicity of human and non human actors writers readers publishers agents book covers prize committees English departments literary characters and styles adaptations for stage and screen In this framework literary texts are not stable objects They are bonding agents in a complex and shifting web of relations and in this capacity they catalyze and channel the activities necessary to forge these relations reading writing publishing republishing citing reciting reviewing recommending Moving back and forth between two shape shifting actors the reading public and a socially engaged literature the assembled essays show how the political functions and uses of literature are defined from within this constellation or more precisely through the collective and reflective forms of judgment including aesthetic judgement that are tried and institutionalized in practicing literature And

that are essential to negotiating the shape of the world Which is what the political is all about *Reader's Guide to Literature in English* Mark Hawkins-Dady,2012-12-06 Reader s Guide Literature in English provides expert guidance to and critical analysis of the vast number of books available within the subject of English literature from Anglo Saxon times to the current American British and Commonwealth scene It is designed to help students teachers and librarians choose the most appropriate books for research and study **The Making of the New Negro** Anna Pochmara,2011 The Making of the New Negro examines black masculinity in the period of the New Negro Harlem Renaissance which for many decades did not attract a lot of scholarly attention until in the 1990s many scholars discovered how complex significant and fascinating it was Using African American published texts American archives and unpublished writings and contemporaneous European discourses this book focuses both on the canonical figures of the New Negro Movement and African American culture such as W E B Du Bois Booker T Washington Alain Locke and Richard Wright and on writers who have not received as much scholarly attention despite their significance for the movement such as Wallace Thurman Its perspective combines gender sexuality and race studies with a thorough literary analysis and historicist investigation an approach that has not been extensively applied to analyze the New Negro Renaissance **Richard Wright** Hazel Rowley,2008-02-15 Skillfully interweaving quotations from Wright s writings Rowley portrays a man who transcended the times in which he lived and sought to reconcile opposing cultures in his work In this lively finely crafted narrative Wright passionate complex courageous and flawed comes vibrantly to life Two 8 page photo inserts
