King James Version Bible Commentary for Today Thomas Nelson, 2023-05-30 Every generation seeks to apply the Bible's timeless truth about God to its context. The King James Version Bible Commentary for Today is just that: the most up-to-date commentary on the time-honored text of the King James Version, written by a trusted team of conservative scholars. This volume approaches the Bible with humility and respect as they explore its meaning for our generation. Features include: New material by respected scholars; The best in conservative scholarship from multiple denominations; Illuminating verse-by-verse expositions that shed light on the meaning of Scripture; Nontechnical and jargon-free; No need to know Hebrew or Greek; 14 maps help readers understand the world of the Old Testament and New Testament.

God's Wisdom for Navigating Life Timothy Keller, Kathy Keller, 2017-11-07 From pastor and New York Times bestselling author Timothy Keller comes a beautifully packaged yearlong daily devotional based on the Book of Proverbs. Proverbs is God's book of wisdom, teaching us the essence and goal of a Christian life. In this 365-day devotional, Timothy Keller offers readers a fresh, inspiring lesson for every day of the year based on different passages within the Book of Proverbs. With his trademark knowledge, Keller unlocks the wisdom within the poetry of Proverbs and guides us toward a new understanding of what it means to live a moral life. God's Wisdom for Navigating Life is a book that readers will be able to turn to every day, year after year, to cultivate a deeper, more fulfilling relationship with God. This makes a perfect companion to Keller's devotional on the Psalms, *The Songs of Jesus*.

Reincarnation, Oblivion or Heaven? Bobby Bose, 2016-07-31 What is death? Why do we die, and what happens after we die? Over the centuries, philosophers and theologians of the world's religions have offered answers to the dilemma of death, yet this subject is rarely given the detailed attention it deserves in the contemporary Christian church. As Christians, how does our view of death impact the communication of the gospel in today's pluralistic societies? In this study, Dr. Bobby Bose not only develops a solid biblical theology of death; he also reviews the teachings of contemporary and historical Christian theologians around the world and examines the state-after-death beliefs of Hindus, Muslims, and Secular Humanists. The author shows that state-after-death was a central component of conversation in the early church and is also a major component of God's mission to rescue humanity. As the East converges with the West, it is vital that Christians develop a missiological approach to state-after-death that will encourage positive engagement with people of other faiths and beliefs. [A Year with Timothy Keller](#) Timothy Keller, 2023-11-09 The gospel is this: we are more sinful and flawed in ourselves than we ever dared believe, yet at the very same time we are more loved and accepted in Jesus Christ than we ever dared hope. Timothy Keller, 1950-2023.

Through selected extracts from Tim's most beloved works *A Year With Timothy* Keller guides you through the seasons offering a thought for the day on topics such as prayer forgiveness loving our neighbours the importance of work and the hope of the resurrection Each entry begins with a Bible verse from the NIV to frame the day's reading *A Year with Timothy* Keller is a carefully curated devotional the perfect gift for both new and long term admirers of Tim's words and wisdom

Dominion over Wildlife? Stephen M. Vantassel, 2009-04-01 For centuries Christians believed that God granted humanity dominion over the animal kingdom meaning that we had a moral right to kill manage and eat animals including wildlife Recently however environmental and animal rights activists have assaulted this traditional perspective They argue that dominion as expressed in meat eating and hunting has resulted in species extinction and environmental degradation Christian Animal Rights CAR activists suggest that the church must reevaluate its traditional beliefs in light of the fact that God's original creation was free of human on animal violence God they argue did not want man's dominion to be expressed through trapping killing and eating of animals These violent activities only came about after the Fall as God condescended to our hardness of heart CAR activists point to Christ's sacrificial work of reconciliation as a model for modern Christian behavior as Christ sacrificed for us we should avoid eating meat and hunting as ways we can participate in Christ's non violent work of reconciling creation to himself In this book Stephen Vantassel investigates the biblical ethical and scientific arguments employed by the CAR movement concerning human wildlife relations In this regard the book engages in practical theology by addressing several important questions How should Christians treat our wildlife neighbors Has the Church been wrong in its understanding of human dominion Does God want Christians to avoid hunting trapping
