Psalms 1-72 Kidner Classic Commentaries:

Psalms 1-72 Derek Kidner, 2014-09-05 For many the Psalms are the richest part of the Old Testament Derek Kidner provides a fresh and penetrating guide to Psalms 1-72 He analyzes each psalm in depth comments on interpretative questions and brings out the universal relevance of the texts Formerly part of the Tyndale Old Testament Commentaries series this introduction and commentary will inspire and deepen personal worship *Psalms 1-72* Derek Kidner, 1973 The Lord is my shepherd I shall not want Thy word is a lamp to my feet Search me O God and know my heart Such phrases leap to mind whenever Christians lift their hearts to God For many in fact the Psalms are the richest part of the Old Testament Derek Kidner provides a fresh and penetrating guide to Psalms 1-72 He analyzes each psalm in depth comments on interpretative questions and brings out the universal relevance of the texts He also gives special help on the psalmists cries for vengeance Together with its companion volume Psalms 73-150 both of which were formerly part of the Tyndale Old Testament Commentaries series this introduction and commentary will inspire and deepen personal worship [How to Read the Psalms](#) Tremper Longman III, 2025-01-07 The Psalms are well loved by Christians yet they also challenge us when we look at them closely In the second edition of this popular How to Read volume Tremper Longman III offers practical study exercises and suggestions for interpreting the psalms helping us overcome the distance between the psalmists world and ours **The Art of Preaching Old Testament Poetry** Steven D. Mathewson, 2024-11-05 Preachers often struggle with preaching Old Testament poetry They are uncertain how to preach the highly emotive poems in Psalms the one liners in Proverbs the tedious conversations in Job the esoteric observations about life in Ecclesiastes and the confusing love poems in the Song of Songs Here leading pastor theologian Steven Mathewson instructs and inspires preachers to preach some of the most challenging and some of the richest material in the Old Testament This companion to his successful *The Art of Preaching Old Testament Narrative* guides readers through preaching the oft neglected Old Testament poetic books Mathewson introduces foundational issues and offers basic methodology and preaching strategies that are faithful to the text and sensitive to its listeners Highlighting Mathewson's skill at bringing the riches of the Old Testament to bear on the life of the church this book makes scholarship on the poetic books accessible for pastors and pastors in training It also includes sample sermons **Nelson's New Illustrated Bible Commentary** Thomas Nelson, 1999-05-13 A comprehensive verse by verse commentary for lay Bible students fully highlighted by articles maps charts and illustrations all in one volume Clear and Comprehensive Annotations by leading evangelical scholars don't dodge tough issues alternative views are presented fairly but commentators make their positions clear Attractively Designed Graphics appeal to the sound bite generation and others who aren't traditional commentary readers Interesting and Revealing Hundreds of feature articles that provide additional information or new perspectives on a topic related to Bible background Visually Appealing Maps drawings and photos illuminate the commentary and visualize important information [Psalms : Volume 1 \(Baker Commentary on the Old](#)

Testament) John Goldingay,2006-11-01 In this first volume of a three volume commentary on the book of Psalms John Goldingay a creative and respected Old Testament scholar considers literary historical and grammatical dimensions of the text as well as theological implications Goldingay writes with a scholar s eye and a pastor s heart The resulting commentary will bring the Psalms to life for a new generation of pastors and students In addition to the commentary on Psalms 1 41 this volume contains Goldingay s introduction to the entire book of Psalms Also included is an extensive glossary section treating the vocabulary of Psalms 1 41 which notes how certain words are used to convey critical concepts This is the third volume in the Baker Commentary on the Old Testament Wisdom and Psalms series Preaching to a Divided Nation Matthew D. Kim,Paul A. Hoffman,2022-08-09 We live in angry times No matter where we go what we watch or how we communicate our culture is rife with division and polarization Unfortunately Christians appear to be caught up in the same animosity as the culture at large While our faith calls us to Christian unity the hard fact remains our churches are tragically divided across class ethnic gender and political lines As these social chasms grow both inside and outside the church the role of the preacher becomes paramount This book issues a prophetic call to pastors to use the influence of their pulpits to promote reconciliation and unity in their churches and communities Two scholar practitioners who are experts in homiletics and reconciliation present a practical 7 step model that empowers faithful leaders to bring healing and peace to their fractured churches and world The book includes questions for reflection salient illustrations and an accountability covenant It also includes useful appendixes on preaching themes preaching texts and sample sermons from three leading preachers Ralph Douglas West Rich Villodas and Sandra Maria Van Opstal Praying the Psalms of Jesus James W. Sire,2009-09-20 At key moments in his life on earth Jesus Christ the very Son of God turned to the Psalms for words to express his deepest thoughts and emotions It is not hard to imagine Jesus his mind and heart saturated with the words and thoughts of the Psalms as they were prayed aloud in the Temple going off early in the morning to pray How much must he have mouthed the words of the Psalms and given them a fulfillment They became his answering speech to his heavenly Father In these pages you will discover how the psalms that relate closely to the mission of Jesus can also become our answering speech We will begin our journey into the mind of Christ by immersing ourselves in several psalms which Jesus himself refers to and fulfills And then in the second half of the book we will immerse ourselves in psalms that Jesus would have meditated on during his time on earth focusing on the heart and mind of Jesus as he prayed the psalms Structural analysis of each psalm will help us grow our ability to read the Psalms The guided personal prayer liturgy with each chapter will help us go deeper in the experience of praying the Psalms Through these psalms we will discover more of the human life of our Lord and Savior And in the process we will discover more of who we are as we come before our holy God Also included a group discussion and prayer experience to accompany each chapter **Faith Working Through Love** Tyler Robbins,2025-01-17 The message of Galatians is that life in God s family is about faith working through love nothing else matters If believers trust in anything but Jesus and his

message to declare them righteous in God's sight then they have missed the boat Paul wrote this letter to a group of churches that were confused and misled by false teachers with bad motives people who accepted a dash or two of Jesus but also wanted to bring their resumes to God Things aren't so different today But Galatians can be confusing So many people have so many different opinions about it How did one become a believer under the Old Covenant Is it different now that Jesus has come What are the works of the law that Paul writes so much about and what do they have to do with salvation Was a believer's motivation for serving God different in King David's day than it is since Jesus came This commentary by a bivocational pastor will help Christians understand the letter to the Galatians It explains the apostle's timeless message in everyday language for ordinary people so they can love God more and serve him in love *Is It My Fault?* Lindsey A. Holcomb, Justin S. Holcomb, 2014-05-01 *Is It My Fault* proclaims the gospel of healing and hope to victims who know too well the depths of destruction and the overwhelming reality of domestic violence At least one in every three women have been beaten coerced into sex or abused in their lifetime The effects of domestic violence are physical social emotional psychological and spiritual and can have long lasting distressing consequences It is common for victims of domestic violence to suffer from ongoing depression and recurring nightmares self harm such as cutting panic attacks substance abuse and more This book exists to address the abysmal issues of domestic violence using the powerful and transforming biblical message of grace and redemption *Is It My Fault* convincingly shows that the Lord is the only one who can heal the despairing victim It deals with this devastating problem and sin honestly and directly without hiding its prevalence today
