Blaufarb,1977 *The Counterinsurgency Era* Douglas S. Blaufarb,1977 Forfatteren behandler generelt og i en række eksempler amerikansk intervention i nationale opstande befrielseskampe m v Analyserer endvidere rsager og resultater af denne i det store og hele fejlslagne politik Counter-Guerrilla Operations Napoleon D. Valeriano,Charles T.R. Bohannon,2006-08-30 This volume in the Praeger Security International PSI series Classics of the Counterinsurgency Era by two officers one from the Philippines and the other from America who fought as guerrillas against the Japanese occupation and went on to defeat the Huk rebellion after World War II Unlike many other accounts of counterinsurgency operations that focus on theoretical principles and their tactical applications the authors examine the means to assess the strengths and weaknesses of insurgencies An enduring contribution of this book is its emphasis on the importance of intelligence in combating insurgent movements With a new foreword prepared by Kalev Sepp *A History of Counterinsurgency* Gregory Fremont-Barnes,2015-05-05 This two volume history of counterinsurgency covers all the major and many of the lesser known examples of this widespread and enduring form of conflict addressing the various measures employed in the attempt to overcome the insurgency and examining the individuals and organizations responsible for everything from counterterrorism to infrastructure building How and when should counterinsurgency be pursued as insurgency is growing in frequency and conversely while conventional warfare continues to decline as a means by which political rivals seek to impose their will upon each other What lessons from the past should today s policymakers strategists military leaders and soldiers in the field keep in mind while facing off against 21st century insurgents This two volume set offers a comprehensive history of modern counterinsurgency covering the key examples of this widespread and enduring form of conflict It identifies the political military social and economic measures employed in attempting to overcome insurgency examining the work of the individuals and organizations involved demonstrating how success and failure dictated change from established policy and carefully analyzing the results Readers will gain valuable insight from the detailed assessments of the history of counterinsurgency that demonstrate which

strategies have succeeded and which have failed and why After an introductory essay on the subject each chapter provides historical background to the insurgency being addressed before focusing on the specific policies pursued and actions taken by the counterinsurgency force Each section also provides an assessment of those operations including in most cases an analysis of lessons learned and where appropriate their relevance to counterinsurgency operations today The set s coverage spans modern counterinsurgencies from Europe to Asia to Africa since 1900 and includes the ongoing counterinsurgency operations in Afghanistan today Its wide international approach to the subject makes the set a prime resource for readers seeking specific information on a particular conflict or a better understanding of the general theories and practices of counterinsurgency
