Psalm 23 A Rabbi Rami Guide:

Rabbi Rami Guide to Psalm 23 Rabbi Rami Shapiro, 2011-12-16 Psalm twenty three is the psalm for the ages we shall not want for a better reminder that God is near This is the psalm that speaks about God and to God God as an idea and God as presence When we are grieving no prayer provides a similar measure of comfort and hope **Listen Here!** Megan McKenna, 2016 *Nectar #24* Babaji Bob Kindler, Lex Hixon, Rabbi Rami Shapiro, Swami Aseshananda, Kyogen Carlson, DS Lokanath, Tabriz Parinda Lowe, Reyhan al-Jerrahi, Swami Brahmeshananda, Monica Miller, Annapurna Sarada, Swami Akhilananda, 2009-02-22 In this 2009 issue and to greet the new year in the characteristic fashion of all those who wish to live a dharmic life dedicated to the manifestation of God on earth via the practice of purificatory disciplines we include articles depicting the wisdom contained in the sacred traditions of Judaism Jainism Christianity Sufism Taoism Yoga Tibetan Buddhism Zen buddhism and Vedanta all underscored by the crucial and foundational element of nondualism or Advaita We also invite all those who come in contact with Nectar of Nondual Truth to duly submit articles writings poems or personal questions and experiences from any other faith or belief system so as to give an even more complete and fulfilling expression to this religiously and philosophically committed literary journal **Twelve Jewish Steps to Recovery (2nd Edition)** Kerry M. Olitzky, 2009 It s for all people who would gain insight and strength to heal from Jewish tradition [Twelve Jewish Steps to Recovery](#) Kerry M. Olitzky, Stuart Copans, 1991 By presenting a Jewish perspective on The Twelve Steps and offering consolation inspiration and motivation towards recovery this guide explains how the Twelve Steps of Alcoholics Anonymous are relevant for Jewish people as well as Christians Afterword on Where to Go for Help by The JACS Foundation Jewish Alcoholics Chemically Dependent Persons and Significant Others Illustrations by Maty Grunberg [American Book Publishing Record](#), 2003 *You Are A Wave in the Ocean of God* E. Wayne McLaughlin, 2014-07-21 By reading the Gospel of John as a mystical text and hearing the words of Jesus as mystical language we discover an ancient spirituality that is consistent with modern science and helpful for interfaith dialogue In John s Gospel Jesus escapes capture ten times and corrects literal reception of his language eleven times These patterns along with John s emphasis on the inner Presence and the divine desire for Oneness show a mystical approach to faith Embracing Jesus mystical metaphorical language enables one to develop a mystical mindset for living in the 21st century The perception of separateness from God and one another is corrected by this fresh reading of John s Gospel along with the mystics of the Christian tradition as well as other spiritual traditions [Judaism Without Tribalism](#) Rabbi Rami Shapiro, 2022-06-14 Judaism Without Tribalism is a blessing a much needed challenge and a deep well of wisdom and sanity Natalie Goldberg This book investigates Judaism at its best and sanest It strips away outdated and harmful beliefs that have accrued over the centuries and returns to the essential truths that are too often ignored in favor of tradition tribal identity or the claims of the powerful The result is a vibrant Judaism for the 21st century and beyond a Judaism that draws deeply from history and scripture yet addresses the unmet needs of the

present and the future It is a Judaism that is open and accessible to everyone Judaism without tribalism is a call to be a light unto the nations and a blessing to all the people of the earth It is a Judaism free from legalism and tribalism a Judaism that refuses to serve patriarchy and power Written by one of today's most respected and most unconventional Jewish thinkers Judaism Without Tribalism is a manifesto an invitation to completeness and a call for inner and outer spiritual revolution It is also a deeply practical guide to living authentically breath by breath and day by day **Saying Kaddish** Anita

Diamant, 2007-08-07 From beloved New York Times bestselling author and award winning journalist the definitive guide to Judaism's end of life rituals revised and updated for Jews of all backgrounds and beliefs From caring for the dying to honoring the dead Anita Diamant explains the Jewish practices that make mourning a loved one an opportunity to experience the full range of emotions grief anger fear guilt relief and take comfort in the idea that the memory of the deceased is bound up in our lives and actions In Saying Kaddish you will find suggestions for conducting a funeral and for observing the shiva week the shloshim month the year of Kaddish the annual yahrzeit and the Yizkor service There are also chapters on coping with particular losses such as the death of a child and suicide and on children as mourners mourning non Jewish loved ones and the bereavement that accompanies miscarriage Diamant also offers advice on how to apply traditional views of the sacredness of life to hospice and palliative care Reflecting the ways that ancient rituals and customs have been adapted in light of contemporary wisdom and needs she includes updated sections on taharah preparation of the body for burial and on using ritual immersion in a mikveh to mark the stages of bereavement And celebrating a Judaism that has become inclusive and welcoming Diamant highlights rituals prayers and customs that will be meaningful to Jews by choice Jews of color and LGBTQ Jews Concluding chapters discuss Jewish perspectives on writing a will creating healthcare directives making final arrangements and composing an ethical will Zen Mind Jewish Mind Rabbi Rami Shapiro, 2025-02-04 A great way to

deepen your spiritual life is to take a deep dive into a tradition other than your own especially if you have a competent guide and Rabbi Rami is an extraordinary guide Not into Zen Not a Jew Not a problem Anyone on any path will benefit enormously from this profoundly illuminating book Philip Goldberg author of American Veda From Emerson and the Beatles to Yoga and Meditation How Indian Spirituality Changed the West With reference to Shunryu Suzuki Roshi's classic Zen Mind Beginner's Mind Rami Shapiro begins with beginner's mind as empty free of the habits of the expert ready to accept to doubt and open to all the possibilities It is the kind of mind which can see things as they are which step by step and in a flash can realize the original nature of everything Then Rami ponders beginner's mind in the child of the Passover Haggadah who knows not how to ask The parents of this child are told to open patach the child to the art of questioning Asking questions is key to Jewish mind The questioning perennial beginner is central to both Zen and Jewish Rami demonstrates a daring iconoclastic often humorous mind devoted to shattering the words texts isms and ideologies on which expert mind closed to inquiry depends Zen Mind Jewish Mind is not a scholarly study of anything let alone Zen or Judaism and despite all the footnotes the book

rests solely on Shapiro's fifty plus years of playing in the garden of Judaism Zen and advaita nonduality Chapters include Dharma Eye God's I 1 Koan and Midrash 4 and The Yoga of Conversation 7
