The Psalms Dietrich Bonhoeffer, 2013-10-06 Fairacres Publications 81 In this bold exposition of the Psalms as the Word of God Dietrich Bonhoeffer addresses Christians oppressed by an inability to pray Holy Scripture itself provides us with a prayer book we can speak to God in God's own words and by using the Psalms especially in fellowship with other Christians we can participate with all humanity in the true prayer offered by the Incarnate Word With and in Christ we pray the Psalms confident that our prayer will be heard With these prayers on our lips we stand at the heart of the New Testament and in the fellowship of the Cross of Jesus Christ

Life Together and Prayerbook of the Bible Dietrich Bonhoeffer, 2004-12-08 On the nature of Christian community and a theological interpretation of the Psalms

The Psalms: the Prayer Book of Jesus J.W. Gregg Meister, 2019-03-30 When we face trouble feel joy or just want spiritual inspiration the Bible's book of Psalms gives us wisdom and comfort Rev J W Gregg Meister shows us in The Psalms The Prayer Book of Jesus that Jesus himself turned to the Psalms for strength and guidance while he walked on earth Meister's fresh reflections open up the book of Psalms for contemporary readers with helpful strategies for praying the psalms with Christian resolve Grounded in his rich experiences as Presbyterian pastor entrepreneur and mission minded videographer in Latin America and Israel Meister offers valuable insights into the context content and claim of selected psalms Written with clarity and compassion Meister's perceptive meditations on these psalms manage the rare combination of deepening both understanding and faith

Singing the Ethos of God Brian Brock, 2007-04-02 Noting that academic biblical scholars and Christian ethicists have been methodologically estranged for some decades now Brian Brock seeks to reframe the whole Bible and ethics discussion in terms of this question What role does the Bible play in God's generation of a holy people and how do we participate in that regeneration Brock first examines various major contemporary thinkers on the Bible and Christian ethics including John Howard Yoder Brevard Childs John Webster and Dietrich Bonhoeffer He then undertakes major discussions of Augustine and Martin Luther unpacking their interpretation of the Psalms Finally Brock articulates the processes of renewal in God's people His close study of a few individual psalms shows how we enter the world of praise in which all human life is

comprehended within God's work and is thus renewed Immersion in the exegetical tradition of the Christian faith Brock argues must be the heart and soul of theology and ethics **The Biblical Psalms in Christian Worship** John D.

Witvliet, 2007-01-22 The biblical Psalms in Christian worship a brief introduction and guide to resources by John D Witvliet 2007 *God's Prayer Book* Ben Patterson, 2008 The psalms often stretch and perplex readers as they teach but they also

open a divine window on prayer This collection features meditations on more than 75 psalms and offers brief thoughts and background as well as suggested ways to use the psalms in prayer **You Can Understand the Bible** Peter Kreeft, 2005

Many people are often understandably intimidated or overwhelmed by the sheer size and complexity of the Bible But now popular author and Boston University professor Peter Kreeft has written a clear road map of the Bible focusing his keen insight and engaging wit on the core message of each book It won't take long for you to understand why his guide to scripture has become a best seller Sparkling with intelligence and Kreeft's trademark humor *You Can Understand the Bible* will transform dry study into spiritually satisfying adventures in God's Word Regardless of how you approached or didn't approach the Bible before you'll come away with a new appreciation of its depth and meaning Kreeft also provides practical guidance for praying the scriptures every day allowing the reader to delve into the messages of scripture in a manner that will surprise delight and reward **The Synoptic Gospels and the Psalms as Prophecy** J. Samuel

Subramanian, 2007-11-21 The Book of Psalms is one of the most frequently cited books in the New Testament The Synoptic Evangelists seem to read the Psalms not primarily as prayers but as prophecies of the future They discovered in its language prophecies concerning the life and ministry of Jesus and attempted to show how Jesus' life was prefigured in the Psalms Samuel Subramanian examines the topic within the broader use of the Old Testament in the New Testament that of the prophetic reading of the Psalms in the Synoptic Gospels and in the context of Second Temple Judaism Although others have treated individual psalm quotations as prophecy my work is the first to examine all of the psalm quotations within the Synoptic Gospels in this light and the first to demonstrate that these excerpts were used prophetically In some cases these psalm quotations were used by the Synoptic Evangelists in a manner that is thought to fulfill a prophecy from or about Jesus within the gospel narratives even though this particular use of the psalms by the Synoptic Evangelists has not been widely recognized previously This study shows how similar exegetical techniques of looking for prophecies in the Psalms was practiced by non-Christian Jews of the period **Biblical Theology of prayer in the Old Testament** Albert J.

Coetsee, Francois P. Viljoen, 2023-08-31 Prayer is a major topic within Christian theology The biblical text has various references to various recorded and reported prayers In fact references to prayer are found within the rich diversity of the various books, corpora and genres of Scripture As can be expected much has been written about prayer in the biblical text However a comprehensive Biblical Theology dealing with the concept of prayer in Scripture has not been published before and this book intends to fill this gap assuming that such an approach can provide a valuable contribution to the theological

discourse on prayer and related concepts This book aims to investigate prayer and its related elements including worship praise thanksgiving adoration petition intercession lament and confession in the Old Testament on a book by book or corpus by corpus basis The investigation follows a Biblical Theological approach reading the Old Testament on a book by book basis in its final form to uncover the Old Testament s overarching theology of prayer understanding the parts in relation to the whole By doing this the discrete nuances of the prayers of the different Old Testament books and corpora can be uncovered letting the books and corpora speak for themselves In addition the advantage of this approach is that it provides findings that can benefit the modern Christian community and contribute to the practice of Reformed theology in Africa This book is of significant value to scholars It will inspire scholars to think about prayer and use the Bible as the major prayer handbook in their spiritual lives
