Microsoft Money 2006 For Dummies:

Microsoft Money 2006 For Dummies Peter Weverka, 2005-10-24 Do you know where your money goes? Would balancing your budget take an act of Congress? Does your idea of preparing for the future involve lottery tickets? This friendly guide provides everything you need to know to stay on top of your finances and make the most of your money both your cash and your Microsoft Money 2006 software program the Premium Deluxe or Standard edition. You'll find out how to record financial transactions, analyze different investments, determine your net worth, plan for retirement, make informed financial decisions, and more. With step-by-step, easy-to-understand instructions and lots of screen shots, *Microsoft Money 2006 For Dummies* shows and tells you how to set up accounts and record all transactions including charge card purchases. Do your banking, categorize your spending and income, reconcile an account, print checks, and more. Research and track investments. Create a realistic budget, schedule bill payments, estimate your income tax bill, plan for retirement, and more. Generate reports and charts that help you understand your spending habits, see where you stand financially, and improve your financial picture. Track assets, liabilities, loans, and mortgages. Use online banking services. You can even get really serious and use the Lifetime Planner to map out your hopes and dreams and find out if you're on the way to achieving them. This book could be the best investment you'll ever make.

Quicken 2008 For Dummies Stephen L. Nelson, 2007-12-17 If you've considered using financial software to handle your personal finances, Quicken 2008 just might be the tool you've been looking for. Quicken is America's top-selling personal finance software. It can help you manage the money for both your household and your small business, while *Quicken 2008 For Dummies* can help you manage Quicken. With the number of individual bankruptcies at an alarming level, personal financial management needs to be a priority for each of us. You don't have to be an accounting wizard to handle your personal finances on a PC, especially with the friendly, plain English explanations in *Quicken 2008 For Dummies*. Written by a CPA who provides consulting services on accounting and tax planning to small businesses, *Quicken 2008 For Dummies* shows you how to install Quicken and run Express Setup. Handle your checkbook, pay bills, and track your income. Monitor and assess your investments. Track loans and credit card activity. Understand how interest compounds and what it costs when you borrow, as well as how it adds up when you invest. Create charts and reports to show how you're doing. Use Quicken to handle your small business finances. Prepare payroll and track accounts receivable and payable. *Quicken 2008 For Dummies* may not make managing your finances exactly fun, but it's guaranteed to make the job easier.
