Daniel Waley, Peter Denley

Medieval Europe A Short Sourcebook:

Medieval Europe Charles Warren Hollister,1982 *Medieval Europe* C. Warren Hollister,1992 *Medieval Europe* Warren Hollister,Joe W. Leedom,Marc A. Meyer,1982-01-01 **Later Medieval Europe** Daniel Waley,Peter Denley,2013-11-26 From the divine right of kings to the political philosophies of writers such as Machiavelli the medieval city states to the unification of Spain Daniel Waley and Peter Denley focus on the growing power of the state to illuminate changing political ideas in Europe between the thirteenth and sixteenth centuries Spanning the entire continent and beyond and using contemporary voices wherever possible the authors include substantial sections on economics religion and art and how developments in these areas fed into and were influenced by the transformation of political thinking The new edition takes the narrative beyond the confines of western Europe with chapters on East Central Europe and the teutonic knights and the Portuguese expansion across the Atlantic The third edition of this classic introduction to the period includes even greater use of contemporary voices full reading lists and new chapters on East Central Europe and Portuguese exploration Suitable as an introductory text for undergraduate courses in Medieval Studies and Medieval European History

Medieval Europe Charles Warren Hollister,Judith M. Bennett,2002 For more than three decades C Warren Hollister nurtured this classic text of Medieval European History which was profoundly marked by his clear historical vision and engaging teaching style The ninth edition seeks to introduce today s students to the medieval roots of our own society Judith Bennett has updated this classic book while striving to lose neither the vision nor the style of the original She brings to this revision expanded coverage of women s history social and cultural history the role of the common man and woman of the Middle Ages and the history of the Late Middle Ages **Artifacts from Medieval Europe** James B. Tschen-Emmons,2015-02-10 Using artifacts as primary sources this book enables students to comprehensively assess and analyze historic evidence in the context of the medieval period This new addition to the Daily Life through Artifacts series provides not only the full benefit of a reference work with its comprehensive explanations and primary sources but also supplies images of the objects bringing a particular aspect of the medieval world to life Each entry in Artifacts from Medieval Europe explains and expands upon the cultural significance of the artifact depicted Artifacts are divided into such thematic categories as domestic life religion and transportation Considered collectively the various artifacts provide a composite look at daily life in the Middle Ages Unlike medieval history encyclopedias that feature brief reference entries this book uses artifacts to examine major aspects of daily life Each artifact entry features an introduction a description an examination of its contextual significance and a list of further resources This approach trains students how to best analyze primary sources General readers with an interest in history will also benefit from this approach to learning that enables a more complete appreciation of past events and circumstances *The European World, 400-1450* Barbara A. Hanawalt,2005-05-26 The history of the Middle Ages is one of believers and barbarians popes and peasants It is the story of competing empires and

unforgettable leaders The Middle Ages laid the groundwork for the growth of early modern Europe From its bustling cities distinguished universities soaring cathedrals and trade routes Europe began to reach out to the rest of the world *Term Paper Resource Guide to Medieval History* Jean Shepherd Hamm,2009-11-25 Help students get the most out of studying medieval history with this comprehensive and practical research guide to topics and resources *Term Paper Resource Guide to Medieval History* brings key historic events and individuals alive to enrich and stimulate students in challenging and enjoyable ways Students from high school to college will be able to get a jump start on assignments with the hundreds of term paper projects and research information offered here The book transforms and elevates the research experience and will prove an invaluable resource for motivating and educating students Each event entry begins with a brief summary to pique interest and then offers original and thought provoking term paper ideas in both standard and alternative formats that often incorporate the latest in electronic media such as the iPod and iMovie The best primary and secondary sources for further research are annotated followed by vetted stable website suggestions and multimedia resources usually films for further viewing and listening *Medieval Art* Michael Byron Norris,Rebecca Arkenberg,2005 This educational resource packet covers more than 1200 years of medieval art from western Europe and Byzantium as represented by objects in the collection of The Metropolitan Museum of Art Among the contents of this resource are an overview of medieval art and the period a collection of aspects of medieval life including knighthood monasticism pilgrimage and pleasures and pastimes information on materials and techniques medieval artists used maps a timeline a bibliography and a selection of useful resources including a list of significant collections of medieval art in the U S and Canada and a guide to relevant Web sites Tote box includes a binder book containing background information lesson plans timeline glossary bibliography suggested additional resources and 35 slides as well as two posters and a 2 CD ROMs *Culture of Christendom* Marc A. Meyer,1993-07-01 The Culture of Christendom brings together original essays by distinguished historians on medieval European history Their range reflects the breadth of Denis Bethell s own interests which though centred on the high medieval church encompassed the culture of the middle ages as a whole

Embracing the Melody of Appearance: An Psychological Symphony within **Medieval Europe A Short Sourcebook**
