The surrounding environment is lush with green trees and foliage, creating a serene and natural setting. The scene is captured from a slightly elevated angle, looking down at the person and the stream.

Christianity in Crisis Hank Hanegraaff, 2012-06-18 Nearly two decades ago Hank Hanegraaff's award winning *Christianity in Crisis* alerted the world to the dangers of a cultic movement within Christianity that threatened to undermine the very foundation of biblical faith But in the 21st century there are new dangers new teachers who threaten to do more damage than the last These are not obscure teachers that Hanegraaff unmasks We know their names We have seen their faces sat in their churches and heard them shamelessly preach and promote the false pretexts of a give to get gospel They are virtual rock stars who command the attention of presidential candidates and media moguls Through make believe miracles urban legends counterfeit Christs and twisted theological reasoning they peddle an occult brand of metaphysics that continues to shipwreck the faith of millions around the globe God cannot do anything in this earthly realm unless we give Him permission Keep saying it I have equality with God talk yourself into it Being poor is a sin The Jews were not rejecting Jesus as Messiah it was Jesus who was refusing to be the Messiah to the Jews You create your own world the same way God creates His He speaks and things happen you speak and they happen *Christianity in Crisis 21st Century* exposes darkness to

Narrative Art & Women in the Gospels and Acts David Malick,2018-06-05 David Malick applies the hermeneutics of narrative analysis to select passages involving women in the Gospels of Mark Luke John and in the Book of Acts At times the scope of this analysis extends beyond heightened understanding of how authors presented women as significant characters and even foils to men in the narratives The use of duality and balance in the narratives of Zacharias and Mary Nicodemus and the Samaritan Woman and Aeneas Tabatha and Cornelius focus on what the author is doing with what he is saying The use of intercalations or sandwich stories brings about heightened meaning when the stories of Jesus mother and the religious leaders or Jairus and the woman with a hemorrhage or Judas and the woman who anoints Jesus for his burial are read together in Mark A first and subsequent reading of the healing of Simon s mother in law in Mark provides the reader with the first picture of true discipleship The literary technique of a sign sermon shows logical unity to what might be considered separate units in Mark and Acts
