

Prayer For The Soul To Rest In Eternal Peace

"Eternal rest grant unto them, O Lord, and let perpetual light shine upon them. May their souls and the souls of all the faithful departed, through the mercy of God, rest in peace.

Like the seed buried in the ground, you have produced the harvest of eternal life for us; make us always dead to sin and alive to God. Amen."

Death and Eternal Life John Hick,1994-01-01 In this cross cultural interdisciplinary study John Hick draws upon major world religions as well as biology psychology parapsychology anthropology and philosophy to explore the mystery of death He argues that scientific and philosophical objections to the idea of survival after death can be challenged and he claims that human inadequacy in facing suffering supports the basic religious argument for immortality Prayers for Eternal Life Susan Tassone,2006 A guide to saving grace Any day should be a good day to die If you prepare through penitence practice daily patience and seek reconciliation with God you can be confident of the ultimate grace a happy death Are you ready Are your loved ones How can you help those sick and suffering today Prayers for Eternal Life tells you how with specific practices prayers and devotions to prepare our souls and the souls of the sick and dying to meet God Read the Church s teaching on a happy death and learn about the last sacraments Find hope and comfort in prayers to Jesus Mary the saints and St Joseph patron of a happy death Reach true union with Christ in His suffering death and victory and achieve grace for yourself and those nearing their eternal life When words fail the power of prayer perseveres Prayers for Eternal Life gathers the essential prayers to invoke for the sick and the dying and to offer for our own souls now and at the hour of our death Perfect as a gift or for your own personal growth **Some Meditations and Prayers Selected from The Way of Eternal Life** Isaac Williams,1845 Rehearsal Scene (Evidence for Eternal Life) Ediz SÖZÜER,2018-01-22 Introduction of the Book and Important Information Our book is free The whole book can be read in Free Sample section It is not necessary to give your credit card information You can download our book in word or pdf format from the following web addresses [goo gl hNIUou](http://goo.gl/hNIUou) or [yadi sk d 09r41tL9ecYUA](http://yadi.sk/d/09r41tL9ecYUA) You can download the text of our book and its visual interactive versions from the folder of New Perspectives from the Treatise of Resurrection in English Books section in this address Besides you can view or download the files of all of our books and videos texts and PowerPoint presentations of our seminars altogether or one by one from these storage spaces where all of our work on Risale i Nur Treatise of Light are uploaded In Google Books and Google Play it is not possible to open and view the links and videos just by clicking them We suggest that you download the Pdf files from the address we provide before or from Google Books and read them Our Website for Journeys of Discovery Risale i Nur Treatise of Light Training Program [http www kesifyolculuklari com](http://www.kesifyolculuklari.com) [http www risaleinuregitimprogrami com](http://www.risaleinuregitimprogrami.com) Alternative Website [http www risaleinuregitimprogramidotcom](http://www.risaleinuregitimprogramidotcom) [wordpress com](http://wordpress.com) Web address of our YouTube Video Channel [http www youtube com c EdizS z er](http://www.youtube.com/c/EdizS_z_er) REHEARSAL SCENE Evidence for Eternal Life Visual Interactive Book New Perspectives from the Treatise of Resurrection Risale i Nur Treatise of Light Training Program We are inviting you for an utterly different experience an interactive book full of incredible discoveries where you will come to an impressive visual journey READING THE BOOK OF UNIVERSE AND RISALE I NUR HAS NEVER BEEN SO PLEASANT In total there are 538 visuals and 50 videos utilized in this enormous study where interactive visuals are also used It is the first attempt in its area worldwide proving with logical

BOOK PRESENTATION

In order to feel the existence of eternal life in a different way that has never been possible before In order to understand enjoy and read with spiritual pleasure the Tenth Word of Risale i Nur which proves the existence of Hereafter with certainty at such a high level that you have never reached before What would you do if you know of a certainty that eternal life exists How would your perspective on life change if you know that you will live forever Then what would change in your life if you know that your happiness in this eternal life will depend on your behaviors in this temporary life at such a certainty as you are sure of the coming of night after day and of spring after winter or as you know two plus two equals four Would not you get excited if we told you that you can get such invaluable information just by reading this book that you are holding in your hand Tenth World that you are about to read is such an excellent book of a lifetime promising you this and much more In other words it is such a lively book that it can be read repeatedly without getting bored and the passion to read it never subsides Even Avicenna Ibn i Sina who is considered as one of the greatest geniuses admitted his helplessness incompetence in understanding the resurrection by once stating that The Intellect cannot find a way to it And now we are curiously stepping into the Treatise of Resurrection which explains declares the truths of the issue of resurrection which even this noted scholar cannot catch up with his genius to everybody even to the kids and which gives us the key opening the gate of the second one of the two biggest amulets of the cosmos In this book which is an explanatory work based on 10th Word of Risale i Nur Collection the resurrection after the Doomsday is proved so certainly that the Author of Risale i Nur tells the following on this subject If you want to be as certain about the occurrence of the resurrection of the dead as you are about the arrival of next spring study the Tenth and Twenty Ninth Words carefully which are about this and you will see If you do not then believe that it will occur as you believe the coming of spring come and stick your finger in my eye Once you finish reading this book you will witness that it is proved with logical evidence and in a brilliant way that the coming of the eternal life is as certain as the existence of this world and there is no possibility of not the realization of the resurrection after death This work is a part of our basic source book called A Journey of Discovery for an Extraordinary Treasure Risale i Nur The Treatise of Light Explanatory Notes upon which our Journeys of Discovery Risale i Nur Training Program is constructed and it is the proof of the Existence of Resurrection and the Eternal Life which is the Fifth Truth of the Six Truths dealt with in the second main part of that book which is called Proving the Existence of the Treasure of Faith with Evidence We have to state and admit about this Book that is Explanatory Text for Tenth Word the following sincerely although we did not have any idea about what to write before explanatory notes came into the being every time without any exception we were astonished by the resultant texts and realized that we had never understood these issues that clear before While controlling the texts we had great joy and pleasure and we were reading them as if they were written by someone else The writings were helping us in an unexpected way in overcoming our

greatest distresses giving us a strong state of faith Because what we were writing was talking about eternal truths of faith and Quran and they were having such qualities which were having much more different than a work presented with the individual proficiency and capability of a person Therefore the beauty and the excellence of these truths must have been reflected in our word as well For sure we were pursuing an immensely difficult and tedious effort sometimes it was taking 3 5 hours to complete 1 2 pages of explanatory notes We were spending an equal amount of time for footnotes and the glossary of concepts But the feeling of joy happiness and spiritual satisfaction were exceedingly worth this effort At this stage we realized and felt the reason behind Bedi zzaman s saying I am also a student of Risale i Nur I am your classmate in learning the Teachings of Quran I am also in need of Risale i Nur And we understood that he was not trying to be humble while saying this As a requirement of being human we wanted to share what we had found and felt with those who had the same needs and who were in the same search This is what we mean when we say that we are not like a teacher who makes you sit before her and starts teaching you Maybe rather we are like a guest who himself is entreated a dining table as he is as hungry and needy as everybody and he is sincerely inviting you to this dining table Or maybe we are like a curious kid who has found the key to a magnificent and inexhaustible treasure and who wants to inform others of its existence and share it with them We have made a great effort in order to prepare this work which we share with great enthusiasm But we admit that this work has been the result of Allah s special treatment which is way beyond our personal capabilities and power We believe wholeheartedly that every believer and everyone who has set his heart on Risale i Nur and in fact everybody will read this book enthusiastically and with a compassion which is stronger than the need for water of a person who has been dehydrated for a while The epilogue of our book which is entitled Your Journey Just Begins Now is also included in this work as it contains emotional striking and impressive points coming sincerely from the deepest parts of our hearts about the reading of Risale i Nur and attendance to the Risale i Nur Lectures WHY A VISUAL INTERACTIVE BOOK Reading and watching the written truths in a verbal and visual format with additional explanations not provided in our book enables you to better understand and feel them In this way you are following the most fruitful method in understanding the knowledge of faith which cannot be understood just with intellect but rather are felt truths and in opening the door for new perspectives for them We keenly believe that with this method of reinforcement Allah willing highest level of benefit will be realized in terms of understanding Risale i Nur and the universe The size of the Word document that you can download from the link at the top is 94 mb while Pdf document s size is 54 mb When you open Pdf document on your computer with Adobe Reader you can read it better by choosing two pages option and zooming in Since full screen mode of the Microsoft Word changes the places of the visuals you should read it in page format by zooming in We would rather prefer if you would download it in Pdf format and read it with Adobe Acrobat due to both its small size and readability it in this way It is possible to click links and open the word and Pdf files and videos within this interactive book in your computers and cell phones In your cell phone use Wps

Office for Word and Adobe Acrobat Reader for Pdf files Wps Office is a useful program which opens the footnotes when clicked upon but it can't open the links in this way For this reason we suggest that you use Adobe Acrobat Reader in order to benefit from the interactive features of the book

The Wisdom Compass to Eternal Life Abel Gashe, 2011-07-14 This book is about how the living soul can attain eternal peace and hence eternal life as a living soul would yield it when abiding in the Lord Jesus Christ Tapping the Lords Prayer as the authorized spiritual vehicle to communicate with God this book attests that the name of the Lord Jesus Christ is the foundation the seal of salvation and the bearing point to overcome the world By showing the intrinsic relationship of the invisible with the manifested world the heavenly and the earthly this book lucidly defines why the soul should glorify God as an end to life's purpose while seeking righteousness and fulfilling the commandments By presenting ground breaking revelations about the spiritual realm and hence the living God through the spiritual compass this book would help the reader to discern wisdom about how to worship the Lord in truth and spirit to see the glimpse of eternal life and enjoy eternal peace not as the world offers it but as the Lord Jesus confers it on the living soul
