Preaching Christ From Genesis:

Preaching Christ from Genesis Sidney Greidanus, 2007-06-25 Sidney Greidanus's previous two preaching books *The Modern Preacher and the Ancient Text* and *Preaching Christ from the Old Testament* have received wide acclaim. *Preaching Christ from Genesis* offers more of Greidanus's solid practical homiletical fare. Packed with unique features, *Preaching Christ from Genesis* uses the latest scholarly research to analyze twenty-three Genesis narratives, presents the rhetorical structures and other literary features of each narrative, discloses the message for Israel, theme as well as the author's likely purpose, goal, explores various ways of preaching Christ from each narrative, offers sermon exposition and commentary in oral style, suggests relevant sermon forms, introductions and applications. Including helpful appendixes: Ten Steps from Text to Sermon, An Expository Sermon Model, and three of the author's own Genesis sermons, this volume will be an invaluable resource for preachers and Bible teachers.

Preaching Christ from Ecclesiastes Sidney Greidanus, 2010-05-03 As Sidney Greidanus points out here, Ecclesiastes is especially relevant for our culture: the Teacher confronts enticements like materialism, secularism, hedonism, human autonomy, and self-sufficiency. But how can preachers convey these important teachings to their congregations in a helpful way? Sidney Greidanus here does preachers a great service by providing the foundations for one or more series of expository sermons on Ecclesiastes. He breaks the book down in several ways, including the boundaries of each preaching text, the text's theme and goal, various ways to move to Christ in the New Testament, detailed exposition of the fifteen literary units, and application for today.

Preaching Christ from Psalms Sidney Greidanus, 2016-11-10 In this penultimate volume of his series on preaching Christ from the Old Testament, Sidney Greidanus offers expert guidance for busy pastors on preaching Christ from Psalms. Beginning with a general introduction on how pastors can interpret and preach from the biblical psalms and why they should, Greidanus proceeds by discussing twenty-two psalms in the Revised Common Lectionary Year A, supplying the building blocks necessary to preach from Psalms at Christmas, Easter, Pentecost, and other major days and seasons of the church year. In addition to laying out basic homiletical, theological approaches suitable for each selected psalm, these chapters also provide verse-by-verse exposition, bridges to Christ in the New Testament, and ideas for placing the psalmist's words into contemporary context.

Preaching Christ from Daniel Sidney Greidanus, 2012-12-19 In *Preaching Christ from Daniel*, Sidney Greidanus shows preachers and teachers how to prepare expository messages from the six narratives and four visions in the book of Daniel. Using the most up-to-date biblical scholarship, Greidanus addresses foundational issues such as the date of composition, the author's and original audience of the book, its overall message and goal, and various ways of preaching Christ from Daniel. Throughout his book, Greidanus puts front and center God's sovereignty, providence, and coming kingdom. Each chapter contains building blocks for constructing expository sermons and lessons, including useful information on the context, themes, and goals of each literary unit, links between Daniel and the New Testament, how to formulate the sermon theme and goal, contemporary application, and much

more *Preaching Christ from the Old Testament* Sidney Greidanus,1999-07-13 Arguing for the need both to preach Christ in every sermon and to preach regularly from the Old Testament Sidney Greidanus develops a christocentric method that will help preachers do both simultaneously Greidanus challenges Old Testament scholars to broaden their focus and to understand the Old Testament not only in its own historical context but also in the context of the New Testament Suggesting specific steps and providing concrete examples this volume provides a practical guide for preaching Christ from the Old Testament **Christ** Dan Namanya DMin,2020-12-18 Christ The Heart of Preaching How Not to Lose the Forest for the Trees presents the real meaning and value of Christ centered preaching The book also provides research based reasons why preachers fail to preach Christ centered sermons Finally the book provides easy to follow steps to becoming a Christ centered preacher and doable and practical action plans for institutions involved in preaching This book will help anyone become a Christ centered preacher

Preaching Christ from Ecclesiastes Sidney Greidanus,2010-05-03 As Sidney Greidanus points out the biblical book of Ecclesiastes is especially relevant for our contemporary culture because it confronts such secular enticements as materialism hedonism cut throat competition and self sufficiency But how can preachers best convey the ancient Teacher s message to congregations today A respected expert in both hermeneutics and homiletics Greidanus does preachers a great service here by providing the foundations for a series of expository sermons on Ecclesiastes He walks students and preachers through the steps from text to sermon for all of the book s fifteen major literary units explores various ways to move from Ecclesiastes to Jesus Christ in the New Testament and offers insightful expositions that help the preacher in sermon production but omit the theoretical and often impractical discussions in many commentaries Finding Jesus in the Old Testament David Limbaugh,2015-11-09 A New York Times Bestseller In Finding

Jesus in the Old Testament David Limbaugh unlocks the mysteries of the Old Testament and reveals hints of Jesus Christ s arrival through all thirty nine Old Testament books The key to the secrets of the Old Testament Limbaugh argues is the crucial New Testament encounter between the risen Jesus and two travelers on the road to Emmaus With that key and with Limbaugh as a deft guide readers of Finding Jesus in the Old Testament will come to a startling new understanding of the Old Testament as a clear and powerful heralding of Jesus Christ s arrival Limbaugh takes readers on a revealing journey from Genesis through Malachi demonstrating that a consistent message courses through every one of the Old Testament s thirty nine books the power wonder and everlasting love of Jesus Christ Previously published under the title The Emmaus Code

Jacob's Story as Christian Scripture Philip H. Kern,2021-01-06 Jacob is all too often underappreciated in works on biblical theology He nevertheless stands squarely in the line of promise and is the man who becomes Israel His blessings come not because he is virtuous but because God remains faithful In this his story contributes to the themes of Genesis and of the Pentateuch as a whole and extends into the life of the church Jacob s Story as Christian Scripture begins with a reading of Genesis 25 to 35 and then moves beyond the boundaries of Genesis to track the words he pronounces over his twelve sons

Jacob's blessings give shape to Balaam's oracles and ultimately to subsequent prophecies concerning the lion of the tribe of Judah. Prophetic appropriation of Jacob's story presented here via a fresh investigation of OT passages from Jeremiah, Obadiah, Micah, and others includes troubling elements of Jacob's character to indict the nation in the hope that God's people like the patriarch will stop being Jacob and become Israel.

Christ-centered biblical theology Graeme Goldsworthy, 2012-01-20 Preaching Survey of the Year's Best Books for Preachers. The appeal of biblical theology is that it provides a big picture that makes sense of the diversity of biblical literature. Through the lens of biblical theology, the Bible ceases to be a mass of unconnected texts but takes shape as a unified metanarrative connecting the story of Israel with that of Jesus. It presents the whole scene of God's revelation as one mighty plan of salvation. For fifty years, Graeme Goldsworthy has been refining his understanding of biblical theology through his experiences as a student, pastor, and teacher. In this valuable complement to his *Gospel-Centered Hermeneutics*, Goldsworthy defends and refines the rationale for his approach, drawing especially on the work of Australian biblical scholar Donald Robinson.
