Our Legacy The History Of Christian Doctrine:

Our Legacy John D. Hannah, 2001 Sound doctrine isn't about accumulating facts about God it's about understanding the essential biblical truths our legacy that help us relate to God appropriately *The Decline of African American Theology* Thabiti M. Anyabwile, 2009-08-20 Thabiti Anyabwile argues that contemporary African American theology has fallen far from the tree of its early American antecedents This book is a goldmine for any reader interested in the history of African American Christianity With a foreword by Mark Noll **Historical Theology** Gregg Allison, 2011-04-19 Historical Theology presents the key pillars of the contemporary church and the development of those doctrines as they evolved from the history of Christian thought Most historical theology texts follow Christian beliefs in a strict chronological manner with the classic theological loci scattered throughout various time periods movements and controversies making for good history but confusing theology This companion to the classic bestseller Systematic Theology is unique among historical theologies Gregg Allison sets out the history of Christian doctrine according to a topical chronological arrangement one theological element at a time instead of committing to a discussion of theological thought according to its historical appearance alone This method allows you to Contemplate one tenet of Christianity at a time along with its formulation in the early church through the Middle Ages Reformation and post Reformation era and into the modern period Become familiar with the primary source material of Christian history's most important contributors such as Cyprian Augustine Aquinas Luther Calvin Barth and others Understand the development of evangelical doctrine with a focus on the centrality of the gospel Discern a sense of urgent need for greater doctrinal understanding in the whole church Historical Theology is an easy to read textbook for any Christian who wants to know how the church has come to believe what it believes today Gregg Allison's clear and concise structure make this resource an ideal introduction to Christian doctrine **Grounded in the Faith** Ken Erisman, 2013-07-15 The greatest challenge for the twenty first century church is the lack of catechesis training in biblical and doctrinal knowledge As J I Packer states where wise catechesis has flourished the church has flourished and where it has been neglected the church has floundered It is increasingly apparent that we are raising up generations of Christians who often have little idea what they should believe and why they should believe it Grounded in the Faith takes up that challenge with twenty four low prep in depth sessions that will ground believers in the basics of their faith This new innovative guide is a transformational disciple making tool that leaders can immediately use to activate discipleship in the church It presents individuals small groups and Sunday school classes with a cohesive understanding of historic sound biblical theology that serves as a catalyst for deeper intimacy with Christ It is a user friendly guide to growth in the Christian faith that covers important topics such as justification overcoming temptation sanctification evidence for the inspiration of the Bible the value of prayer the guidance of God the Trinity the uniqueness of Christ and the attributes of God **New Brethren in Flanders** Thomas J. Marinello, 2013-09-12 New Brethren in Flanders is the story of the planting and remarkable growth of Brethren

churches in the Dutch speaking part of Belgium at the end of the twentieth century The Evangelische Christengemeenten Vlaanderen ECV began in the early 1970s as a result of evangelistic church planting efforts led by a group of Canadian Christian Brethren missionaries In just under twenty years the ECV grew from one evangelistic home Bible study to over thirty local churches in Flanders the Netherlands and Germany composed almost entirely of newly converted evangelical Christians As one of those who grew up in these churches notes The Spirit of God through the ECV s founders built up an altogether masterly piece of work right in front of us **Not Weary of Well Doing** Thomas J.
