A Place of Wonder Chase Adonai Trudeau (CAT),2022-06-24 Many people I have loved and who are no longer on this earth and many people I still love believe that a scientific way of thinking has removed the mysteries that led less educated people to believe in a god They think the scientific advances demonstrate superior scientific thinking that has led to the erosion of the foundations of faith an erosion that no longer supports rational faith If someone you love thinks along these lines this book may be for them

Church And Grace Age: Theological Explanation of State of Church, Nations, and the Cosmos at End Times Plammoottil V. Cherian Ph. D,2024-06-05 From a thorough understanding of the human history from a Biblical perspective and knowledge in science and theology author Plammoottil Cherian elucidates a vivid picture of the current state of the Christendom under the power of secularism atheism and apostasy in a confused and chaotic world The Church is at the crossroads of confusion losing its power in spreading the Gospel at a time when it is most needed The Book in five separate parts describes Who is true God the foundation of Church and God s religion What the mission of the Church is Church and nations are living in an Age of Delusion and a generation of compromised Christians Apostacy is on the rise and Church without Christ like in Laodicea Global Unhappiness because God is on the sidelines There is perfect harmony between science and Christian faith The world has been experiencing the bowls of wrath of God Nations morally deteriorate by the spiritual blindness of leaders of Church and State Humanity has been experiencing the hoofbeats of the four horses in the Book of Revelation The nations and Church are in the state of Mene Mene Tekel Upharsin The Babylons of the world nations are about to fall unless aligned with God The Grace Age is ending soon as scientific evidence proves the Biblical prophecies The pressing need of the Church is to prepare believers for Christ s Second Coming As a scientists and theologian Dr Cherian analyzes the present world culture and explains the Biblical prophecies that we are at the threshold of Church that lost the faith and calls church and nation s leaders to realign with God for his guidance and continued blessings

God, Trump, and the 2020 Election Stephen E. Strang,2020-01-14 From the best selling author of God and Donald Trump which was brandished by the president at the World Economic Forum in Davos What s at stake in this election EVERYTHING In 2016 God raised up Donald Trump to lead America at a pivotal time Evangelicals who recognized this backed him more than any other presidential candidate in history Heading into 2020 the stakes in his reelection are even higher This election nine months after this book releases is a new fight for the soul of America Stephen E Strang makes the case that God wants America to be great because God has

raised up America beginning with our Founding Fathers to be a beacon of light and hope for the world We've been the nation with religious liberty that has supported those who have spread the gospel around the world In this book Strang looks at the election Trump and America from a spiritual perspective and helps Christians and others see God's hand at work This book is as much about God and His purposes as about Donald Trump But it is also an articulate impassioned apologetic about why all Christians must support this imperfect president because he has God's blessing and because the destiny of America is riding on his reelection This book also explores why he might lose if his base is overconfident and doesn't vote or if his opponents are dishonest enough to steal the election God Trump and the 2020 Election is an inside look at how the political climate is affected by spiritual warfare an important subject for Bible believing Christians The satanic schemes are so brazen on key issues that the book was written to explain what's at stake Strang believes that the intersection of faith and politics needs to be part of the national discussion about the division in our country Other Books By Stephen E Strang God and Donald Trump 2017 ISBN 13 978 1629994864 Trump Aftershock 2018 ISBN 13 978 1629995557 **KJV Pew Bible** Nelson Bibles, Thomas Nelson Publishing Staff, 2010-05-17 A classic standard perfect for any church sanctuary or member's home The King James Version Bible has long been trusted for use in churches and homes Durable for years of service the KJV Pew Bible is now available in traditional black burgundy and brown to complement any church's sanctuary Features include Words of Jesus in red Dictionary Concordance NKJV Large Print Personal Size Reference Bible, Brown Genuine Leather Holman Bible Holman Bible Staff, 2018-03 The NKJV Large Print Personal Size Reference Bible features large easy to read 12 point type in a convenient easy to carry personal trim size that is perfect for devotional reading personal study or to carry and use at church Features include Smyth sewn binding Presentation page Two column text End of paragraph cross references Topical subheadings Words of Christ in red 12 point type Concordance Full color maps and more The NKJV Large Print Personal Size Reference Bible features the beloved New King James Version NKJV translation The NKJV is modern and easy to understand capturing the beauty and majesty of God's Word in contemporary English yet retaining the purity and stylistic beauty of the original King James Version of the Holy Bible Teaching for Reconciliation Ronald Habermas, Ronald T.
