No Hitting A Short Guide On Why Spanking Is Unnecessary:

No Hitting! Skyler Collins,2015-05-05 Many are the reasons caretakers give for spanking their children They were likely spanked themselves and believe they turned out just fine so they ve decided to continue the practice Their parenting tool box contains just a few tools for dealing with conflicts between them and their children the spanking tool sits conveniently at the top Aside from conflicts many reasons concern the belief that children need to be spanked Here are the reasons addressed in this booklet To prevent a child from misbehaving by teaching consequences To keep a child from hurting themselves to keep a child from hurting others To discipline a child to become a proper adult to toughen up a child to live in a cruel world To teach a child respect and obedience toward authority To raise a child the way God says we should This booklet will show why children don t need to be spanked Ever What they need is empathy compassion focus and the willingness of their caretakers to dig as deep as necessary to determine what needs of theirs aren t being met that is causing them to behave in undesirable ways Also available in Kindle EPUB MOBI PDF and HTML for free here <http://skylerlink.com/evcbook3> *The Danish Way of Parenting* Jessica Joelle Alexander,Iben Dissing Sandahl,2016-08-09 A shining alternative to high stress modern parenting and families from New Delhi to New York will shout with joy Heather Shumaker author of It s OK Not to Share and It s OK to Go Up the Slide DISCOVER THE PARENTING SECRETS OF THE HAPPIEST PEOPLE IN THE WORLD What makes Denmark the happiest country in the world and how do Danish parents raise happy confident successful kids year after year This upbeat and practical guide reveals the six essential principles that have been working for parents in Denmark for decades Play essential for development and well being Authenticity fosters trust and an inner compass Reframing helps kids cope with setbacks and look on the bright side Empathy allows us to act with kindness towards others No ultimatums no power struggles or resentment Togetherness a way to celebrate family time on special occasions and every day A revealing and fresh take on parenting advice The Danish Way of Parenting will help parents from all walks of life raise the happiest most well adjusted kids in the world **Beating the Devil Out of Them** Valerie Bentz,2017-07-28 Based on his studies of over 9 000 families Murray A Straus the foremost researcher on family violence in the world discusses the extent to which parents in the United States use corporal punishment such as spanking and slapping and its effects on their children The question of whether corporal punishment is an effective method of discipline is hotly debated Straus contends that this believed to be minor form of physical violence is precursor to much violence that plagues our world Children who are spanked quickly learn that love and violence can go hand in hand Since spanking is generally done by loving caring parents for the child s own good a child can learn that hitting is morally right Straus describes what he has learned through two decades of research children who are spanked are from two to six times more likely to be physically aggressive to become juvenile delinquents and later as adults to use physical violence against their spouses to have sadomasochistic tendencies and to suffer from depression Straus alerts parents to these risks and argues that spanking adversely affects not only the children who are subjected to it but

society as a whole This groundbreaking book now available in paperback with a substantive new introduction and new concluding chapter is essential reading for parents as well as teachers lawyers and judges Professionals in fields such as social work child protection delinquency and criminology psychology and politics will find it of critical importance
