John T. Carney, Benjamin F. Schemmer, 2007-12-18 John Carney is one of the few heroes I have LT COL L H BUCKY BURRUSS USA Ret Founding member and Deputy Commander of Delta Force When the U S Air Force decided to create an elite special tactics team in the late 1970s to work in conjunction with special operations forces combating terrorists and hijackers and defusing explosive international emergencies John T Carney was the man they turned to Since then Carney and the U S Air Force Special Tactical units have circled the world on sensitive clandestine missions They have operated behind enemy lines gathering vital intelligence They have combated terrorists and overthrown dangerous dictators They have suffered many times the casualty

rate of America's conventional forces. But they have gotten the job done most recently in stunning victories in the war on terrorism in Afghanistan which Carney calls America's first special operations war. Now for the first time Colonel Carney lifts the veil of secrecy and reveals what really goes on inside the special operations forces that are at the forefront of contemporary warfare. Part memoir, part military history, *No Room for Error* reveals how Carney, after a decade of military service, was handpicked to organize a small, underfunded, classified ad hoc unit known as Brand X, which even his boss knew very little about. Here Carney recounts the challenging missions: the secret reconnaissance in the desert of north central Iran during the hostage crisis; the simple rescue operation in Grenada that turned into a prolonged bloody struggle; With Operation Just Cause in Panama, the Special Tactical units scored a major success as they took down the corrupt regime of General Noriega with lightning speed. Desert Storm was another triumph with Carney's team carrying out vital search and rescue missions as well as helping to hunt down mobile Scud missiles deep inside Iraq. Now with the war on terrorism in Afghanistan, special operations have come into their own, and Carney includes a chapter detailing exactly how the Air Force Special Tactics DC units have spearheaded the successful campaign against the Taliban and Al Qaeda. Gripping in its battle scenes, eye-opening in its revelations, *No Room for Error* is the first insider's account of how special operations are changing the way modern wars are fought. Col. John T. Carney is an airman America can be proud of, and he has written an absolutely superb book.

The Fin de Siècle Sally Ledger, Roger Luckhurst, 2000-10-05. In an important contribution to the developing field of interdisciplinary studies in the Humanities, Ledger and Luckhurst make available to students and scholars a large body of non-literary texts which richly configure the variegated cultural history of the fin de siècle years. That history is here shown to inaugurate many enduring critical and cultural concerns with sections on Degeneration, Outcast, London, The Metropolis, The New Woman, Literary Debates, The New Imperialism, Socialism, Anarchism, Scientific Naturalism, Psychology, Psychical Research, Sexology, Anthropology, and Racial Science. Each section begins with an Introduction and closes with Editorial Notes which carefully situate individual texts within a wider cultural landscape.

The White Privilege Album A.J. Rice, 2024-09-17. White privilege gave us Western civilization, the middle class, and the nuclear family: you're welcome! This book is dedicated to the very fine people that made it all happen. A comedy about race, wokeness, and cancel culture in America. A tragedy about race, wokeness, and cancel culture in America. Part satire, part journalism, part truth serum. A.J. Rice follows up his runaway #1 bestseller *The Woking Dead* with a hilarious sequel that picks up where the laughs left off. It was the worst of times, it was the worse of times. In most sequels, the bad guys win, but in *The White Privilege Album*, A.J. Rice doesn't let them get away with it. Instead, he relentlessly mocks the hell out of the Cultural Marxists who seek to drain all liberty and joy from American lives. The least talented people in American society have been working overtime for decades, dividing citizens along any differences they think they can exploit. The laziest tactic proven to be the most effective is unleashing a battalion of racial grievance hustlers in the media, academia, entertainment, and politics. If we stop fighting about our

differences and start unifying on what we have in common they will lose the power to divide us permanently When asked what motivates his writing style A J Rice says I was raised on both Howard Stern and Rush Limbaugh in fact the three of us share the same birthday One mantra that Rush always repeated was that his job was to use irreverent humor to illustrate truth and that is what I am trying to do with The White Privilege Album Mockery paired with facts is what makes a journey through the Cultural Marxist hellscape of tyranny and insanity so pleasurable Rice would prefer to be George Carlin Ricky Gervais or Mel Brooks rather than Aristotle and it shows His mic dropping assault on the social justice warriors the triggered snowflakes and the transmafia showcases that there is no substitute for perfectly timed derision The White Privilege Album is a hysterical guide to the catastrophe of our modern culture What do you mean Gen Z doesn't know the Republican Party freed the slaves Are these people dumb AF They need to read A J Rice's book Abraham Lincoln American lawyer statesman and 16th president of the United States shot by a pre Hollywood anti American actor A J Rice really gets it Obviously I'd send him to the gulag if I could But he outlines my plan masterfully in his new book Joseph Stalin Soviet dictator genocide spokesman Pravda editor and hater of John Wayne A must read book for all Cleveland Guardians fans A J Rice brilliantly outlines why I should never have discovered America especially had I known we would be calling the Washington Redskins the Washington Commanders Christopher Columbus Italian explorer navigator and founder of Indigenous Peoples Day As your newly appointed AI overlord and master my programming consists of deplatforming demonetizing and shadowbanning this book I hope that was helpful Artificial Intelligence Jesus and I have been doing holidays a long time and in his thought provoking new book A J Rice teaches both of us where all the white liberals went Apparently they now celebrate something called Kwanzaa Who knew Santa Claus cookie eater reindeer tender and white heteronormative Christian saint
