Nordic Central And Southeastern Europe 2012 World Today Stryker:

Nordic, Central and Southeastern Europe 2012 Wayne C. Thompson, 2012-08-09 This is an annually updated presentation of each sovereign country in Nordic Central and Southeastern Europe past and present It is broken down into individual chapters on each country dealing with its geography people history political system constitution parliament decentralization and states if a federation parties political leaders and elections There are also sections on foreign and defense policy economy culture future and a lengthy bibliography

The Year 2100 Kyu Hwang, 2012-08 The book is a hybrid of fiction and projection comprehensively including predictions on the future world Fictional parts of the novel used to vividly portray fictitious figures carrying out national policy to impact on the world order The prevalent land grab in the Third World now will develop into putting a whole nation on sale if a fortune will be offered to the citizens of target country Thus China will use its immense foreign currency reserve to annex a small country like Solomon Islands in the beginning stage and then expand further into Eurasia Likewise other world powers will expand territories by the will of incorporated citizens In result political map of the world will differ much from current world And rivalry in Asia will ignite spread of nuclear arsenals to satisfy their national pride but deep economic integration within the continent will set aside Cold War mentality for mutual prosperity The gloomy prospect of food energy will exacerbate the anxiety of contemporaries until awakened leading countries devoting to reverse the nightmare After the mid 21st century the haunting effects of climate change and peak oil will capitulate to the ingenuity and will of people thereby next generation will access closely to a utopian world

Wealth(s) and Subjective Well-Being Gaël Brulé, Christian Suter, 2019-06-24 This volume examines the impact of wealth on quality of life and subjective well being SWB As wealth is related to economic environmental and social features of societies this volume serves as an important resource in understanding economic and SWB It further discusses a variety of experiences and consequences of inequalities of wealth Through the availability of wealth data in recent international surveys this volume explores the multiple relations between wealth and SWB Structured around four main pillars the book presents analysis of the topic at various levels such as theoretical and conceptual methodological and empirically ending with a section on distribution and policies
