Return Of The Homework Machine:

Return of the Homework Machine Dan Gutman,2009-06-02 Snik Brenton Judy and Kelsey haven't stayed in the best touch since last year's big homework machine scandal. But they are all pulled back together again when Brenton realizes that the most powerful part of the machine that lets you cheat on homework was never really destroyed. And there is someone out there who wants to use it for a lot more than just cheating. So the group bands together again not only to stop the culprit but also to be the first to find a hidden treasure. If you enjoyed the first adventure *The Homework Machine* hold on to your hats for this one.

The Homework Machine Dan Gutman,2009-10-27 Doing homework becomes a thing of the past. Meet the D Squad, a foursome of fifth graders at the Grand Canyon School made up of a geek, a class clown, a teacher's pet, and a slacker. They are bound together by one very big secret: the homework machine. Because the machine code named Belch is doing their homework for them, they start spending a lot of time together, attracting a lot of attention. And attention is exactly what you don't want when you are keeping a secret. Before long, things start to get out of control and Belch becomes much more powerful than they ever imagined. Now the kids are in a race against their own creation and the loser could end up in jail or worse.
