The Revealers Doug Wilhelm, 2011-08-30 Throwing light on a dark problem Parkland Middle School is a place the students call Darkland because no one in it does much to stop the daily harassment of kids by other kids Three bullied seventh graders use their smarts to get the better of their tormentors by starting an unofficial e mail forum at school in which they publicize their experiences Unexpectedly lots of other kids come forward to confess their similar troubles and it becomes clear that the problem at their school is bigger than anyone knew The school principal wants to clamp down on the operation which she does when the trio in their zealousness for revenge libel a fellow student in what turns out to have been a setup Now a new plan of attack is needed This suspenseful story of computer era underground rebellion offers fresh perspectives on some of the most enduring themes in fiction for young readers The Revealers is a 2004 Bank Street Best Children s Book of the Year

Joseph Perl's Revealer Of Secrets Dov Taylor,2019-03-13 The dawning of the nineteenth century found the Jews of Eastern Europe torn between the forces of progress and reaction as they took their first tentative steps toward the modern world In a war of words and of books Haskaia the Jewish Enlightenment did battle with

the religious revival movement known as Hasidism Perl an ardent advocate of Enlightenment unleashed the opening salvo with the publication in 1819 of *Revealer of Secrets* The novel tried to pass itself off as a hasidic holy book when it was in fact a broadside against Hasidism a parody of its teachings and of the language of its holy books The outraged hasidim responded by buying up and burning as many copies as they could Dov Taylor s careful translation and commentary make this classic of Hebrew literature available and accessible to the contemporary English speaking reader while preserving the integrity and bite of Perl s original With Hasidism presently enjoying a remarkable rebirth the issues in *Revealer of Secrets* are all the more relevant to those seeking to balance reason and faith As the first Hebrew novel the work will also be of great interest to students of modern Hebrew literature and modern Jewish history [Swords of the Revealer](#) Tony Cordero,2008-04 The great hurt of losing his father at a young age still haunts Antonio and he vows not to have anything to do with the God that let his father die When he is given a chance Antonio chooses to leave behind this world and his old identity He is now Too and he travels to a different realm in search of fame and glory armed with a pair of extraordinary swords Within days of his arrival his blades are being tried in fatal combat and are baptized in the blood of battle He comes to the rescue of a beautiful young maiden who is the first of many in the realm that will need his help He also learns that his greatest sword is not made of steel but of Gods Word *Swords of the Revealer* is a testimony that ones destiny isnt always what he expects nor can any of us run from the presence of God *Study Guide to the New Testament* Intelligent Education,2020-09-26 A comprehensive study guide offering in depth explanation essay and test prep for the New Testament including analysis of the Gospel the history correspondence and apocalyptic literature These traditionally accepted seven authors are recognized for bringing the life of Jesus to Christians As a body of work of the first century the New Testament brings Christianity from a small group of followers to a large church with an established theology that tackles faith works harmony and diversity Its influence has impacted every aspect of the human experience shaping the moral compass of the human race Moreover it has supplied inspiration for the world s greatest musicians writers artists and poets This Bright Notes Study Guide includes notes and commentary on each book of the New Testament helping students to thoroughly explore the reasons they have stood the literary test of time Each Bright Notes Study Guide contains Introductions to the Author and the Work Character Summaries Plot Guides Section and Chapter Overviews Test Essay and Study Q As The Bright Notes Study Guide series offers an in depth tour of more than 275 classic works of literature exploring characters critical commentary historical background plots and themes This set of study guides encourages readers to dig deeper in their understanding by including essay questions and answers as well as topics for further research [Sound an Alarm! Joseph Perl's Revealer of Secrets and Testing the Righteous](#) Dov Taylor,2024-11-15 *Revealer of Secrets* is a portrayal both realistic and satirical of Eastern European Jewish life in the tumultuous early years of the nineteenth century It reflects the struggle that raged between the Haskalah and Hasidism as the Jewish people stood on the threshold of modernity In the battle between reason and faith the Haskalah

admired science and rationalism and recommended broad education to its adherents while Hasidism revered mystical intuition in its charismatic rebbe saints and encouraged religious fervor in its followers. Published in Vienna in 1819, Joseph Perl's *Revealer of Secrets* was the most devastating and best known parody produced by the Haskalah movement. Its milieu is that of Ukrainian, Polish, and Russian Jewry at the beginning of the nineteenth century. Drawing on forms from the eighteenth-century European epistolary novel, the khsidic holy book, khsidic and rabbinic letters, and the Austrian comic tradition, and drawing inspiration from the masterpiece of biblical parody, *The Book of Esther*, Perl unleashed a broadside that, in the words of one modern critic, was to become a classic of Hebrew literature, a masterpiece of invective, and the first Hebrew novel. Perl's related volume *Bohen Tsaddiq* (*Testing the Righteous*) was published in 1838. *TR* is a sequel to *RS*, consisting of a discussion of readers' reactions to the earlier work, including criticism of the author's use of khsidic sources. Each of the criticisms is, of course, convincingly rebutted, as the entire work is crafted to lend authenticity to *RS*. Ovadya reappears as the narrator in *TR*. Its plot revolves around the search for a completely honest man, in the course of which representatives of the various elements of Jewish society are reviewed and their defects exposed. The parade of failures includes not only khsidim but also rabbis, businessmen, craftsmen, and even maskilim. As the search concludes, the honest man turns out to be neither a khsidic tzadek nor even a maskil, but a pious farmer in a Jewish agricultural utopia in the Crimean Peninsula. Perl's vision of utopia thus rejects not only Hasidism but also the idea of a return to Palestine, envisioning instead a life of productive labor in the Diaspora.
