Terminal Uprising Jim C. Hines, 2019-02-12 Hugo award winning author Hines returns to science fiction with the second book of the Janitors of the Post Apocalypse featuring the unlikely heroes that may just save the galaxy from a zombie plague Human civilization didn't just fall It was pushed The Krakau came to Earth in the year 2104 By 2105 humanity had been reduced to shambling feral monsters In the Krakau's defense it was an accident and a century later they did come back and try to fix us Sort of It's been four months since Marion Mops Adamopoulos learned the truth of that accident Four months since she and her team of hygiene and sanitation specialists stole the EMCS Pufferfish and stopped a bioterrorism attack against the Krakau homeworld Four months since she set out to find proof of what really happened on Earth all those years ago Between trying to protect their secrets and fighting the xenocidal Prodryans who've been escalating their war against everyone who isn't Prodryan the Krakau have their tentacles full Mops' mission changes when she learns of a secret Krakau laboratory on Earth A small group under command of Fleet Admiral Belle Bonne Sage is working to create a new weapon one that could bring victory over the Prodryans or drown the galaxy in chaos To discover the truth Mops and her rogue cleaning crew will have to do the one thing she fears most return to Earth a world overrun by feral apes wild dogs savage humans and worse After all the planet hasn't been cleaned in a century and a half What Mops finds in the filthy ruins of humanity could change everything assuming she survives long enough to share it Perhaps humanity isn't as dead as the galaxy thought

Terminal Alliance Jim C. Hines, 2017-11-07 A damn hilarious military science fiction series that skates just on the right side of the line between clever absurdity and complete chaos for fans of Douglas Adams and John Scalzi Ilona Andrews 1 New York Times bestselling author Hugo Award winning author Jim C Hines introduces the unlikely heroes who may just save the galaxy from a zombie plague a crew of space janitors The Krakau came to Earth to invite humanity into a

growing alliance of sentient species However they happened to arrive after a mutated plague wiped out half the planet turned the rest into shambling near unstoppable animals and basically destroyed human civilization You know your standard apocalypse Now a century later human beings might not be what they once were but at least they re no longer trying to eat everyone Mostly Marion Mops Adamopoulos is surprisingly bright for a human As a Lieutenant on the Earth Mercenary Corps Ship Pufferfish she s in charge of the Shipboard Hygiene and Sanitation team When a bioweapon attack wipes out the Krakau command crew and reverts the rest of the humans to their feral state only Mops and her team are left with their minds intact Escaping the attacking aliens not to mention her shambling crewmates is only the beginning Sure Mops and her team of space janitors and plumbers can clean the ship as well as anyone but flying the damn thing is another matter As they struggle to keep the Pufferfish functioning and find a cure for their crew they stumble onto a conspiracy that could threaten the entire alliance a conspiracy born from the truth of what happened on Earth all those years ago With *Terminal Alliance* Jim C Hines takes us into a brand new universe of entertainment certain to appeal to fans of both Douglas Adams and Terry Pratchett

Terminal Peace Jim C. Hines, 2022-08-23 The third and final book of the Janitors of the Post Apocalypse follows a group of unlikely heroes trying to save the galaxy from a zombie plague Marion Mops Adamopoulos and her team were trained to clean spaceships They were absolutely not trained to fight an interplanetary war with the xenocidal Prodryans or to make first contact with the Jynx a race who might not be as primitive as they seem But if there s one lesson Mops and her crew have learned it s that things like training and being remotely qualified are overrated The war is escalating This might be Mops fault The survival of humanity those few who weren t turned to feral shambling monsters by an alien plague as well as the fate of all other non Prodryans will depend on what Captain Mops and the crew of the EDFS Pufferfish discover on the ringed planet of Tuxatl But the Jynx on Tuxatl are fighting a war of their own and their world s long buried secrets could be more dangerous than the Prodryans To make matters worse Mops is starting to feel a little feral herself
