Reading Contemporary Performance Theatricality Across Genres:

Reading Contemporary Performance Gabrielle Cody, Meiling Cheng, 2015-09-25 As the nature of contemporary performance continues to expand into new forms genres and media it requires an increasingly diverse vocabulary Reading Contemporary Performance provides students critics and creators with a rich understanding of the key terms and ideas that are central to any discussion of this evolving theatricality Specially commissioned entries from a wealth of contributors map out the many and varied ways of discussing performance in all of its forms from theatrical and site specific performances to live and New Media art The book is divided into two sections Concepts Key terms and ideas arranged according to the five characteristic elements of performance art time space action performer audience Methodologies and Turning Points The seminal theories and ways of reading performance such as postmodernism epic theatre feminisms happenings and animal studies Case Studies entries in both sections are accompanied by short studies of specific performances and events demonstrating creative examples of the ideas and issues in question Three different introductory essays provide multiple entry points into the discussion of contemporary performance and cross references for each entry also allow the plotting of one's own pathway Reading Contemporary Performance is an invaluable guide providing not just a solid set of familiarities but an exploration and contextualisation of this broad and vital field

Dionysus and Apollo after Nihilism Carlos A. Segovia, Sofya Shaikut Segovia, 2023-02-17 This book recovers Dionysus and Apollo as the twin conceptual personae of life's dual rhythm in an attempt to redesign contemporary theory through the reciprocal affirmation of event and form earth and world dance and philosophy It revisits Heidegger and Lévi Strauss and combines them with Roy Wagner with the purpose of moving beyond Nietzsche's manifold legacy including post structuralism new materialism and speculative realism It asks whether merging philosophy and anthropology around issues of comparative ontologies may give us a chance to re-become earthbound dwellers on a re-worlded earth

Performing Endurance Lara Shalson, 2018-10-18 In Performing Endurance Lara Shalson offers a new way of understanding acts of endurance in art and political contexts Examining a range of performances from the 1960s to the present including influential performance art works by Marina Abramović Chris Burden Tehching Hsieh Linda Montano Yoko Ono and others as well as protest actions from the lunch counter sit-ins of the US civil rights movement to protest camps in the twenty-first century this book provides a formal account of endurance and illuminates its ethical and political significance Endurance Shalson argues raises vital questions about what it means to exist as a body that both acts and is acted upon from ethical questions about how we respond to the bodies of others to political questions about how we live in relation to institutions that shape life in fundamental ways In addition Performing Endurance rethinks how performance itself endures over time

The Routledge Companion to Theatre, Performance and Cognitive Science Rick Kemp, Bruce McConachie, 2018-09-05 The Routledge Companion to Theatre Performance and Cognitive Science integrates key findings from the cognitive sciences cognitive psychology neuroscience evolutionary studies

and relevant social sciences with insights from theatre and performance studies This rapidly expanding interdisciplinary field dynamically advances critical and theoretical knowledge as well as driving innovation in practice The anthology includes 30 specially commissioned chapters many written by authors who have been at the cutting edge of research and practice in the field over the last 15 years These authors offer many empirical answers to four significant questions How can performances in theatre dance and other media achieve more emotional and social impact How can we become more adept teachers and learners of performance both within and outside of classrooms What can the cognitive sciences reveal about the nature of drama and human nature in general How can knowledge transfer from a synthesis of science and performance assist professionals such as nurses care givers therapists and emergency workers in their jobs A wide ranging and authoritative guide The Routledge Companion to Theatre Performance and Cognitive Science is an accessible tool for not only students but practitioners and researchers in the arts and sciences as well

Women, Aging, and Art Frima Fox Hofrichter, Midori Yoshimoto, 2021-01-28 What images come to mind with the words women aging old even elderly Are they stereotypes Are there any positive associations The thirteen contributions to this edited volume explore a broad range of images of old women ranging from medieval old wives to contemporary re imaginations of shamans and witches and empowering self portraits Works from medieval Europe to colonialtime Polynesia present West Africa Japan and the Americas in a multiplicity of media are explored in detail These studies of varied representations of old women offer fresh perspectives and an engaging dialogue about society s values and preconceptions regarding the wisdom of our elders and the golden years in different times and cultures

Unbridled William Robert, 2022-02-14 A study of religion through the lens of Peter Shaffer s play *Equus* In *Unbridled* William Robert uses *Equus* Peter Shaffer s enigmatic play about a boy passionately devoted to horses to think differently about religion For several years Robert has used *Equus* to introduce students to the study of religion provoking them to conceive of religion in unfamiliar even uncomfortable ways In *Unbridled* he is inviting readers to do the same A play like *Equus* tangles together text performance practice embodiment and reception Studying a play involves us in playing different roles as ourselves and others and those roles as well as the imaginative work they require are critical to the study of religion By approaching *Equus* with the reader turning the play around and upside down *Unbridled* transforms standard approaches to the study of religion engaging with themes including ritual sacrifice worship power desire violence and sexuality as well as thinkers including Judith Butler Sigmund Freud Karl Marx Friedrich Nietzsche and Jonathan Z Smith As *Unbridled* shows the way themes and theories play out in *Equus* challenges us to reimagine the study of religion through open questions contrasting perspectives and alternative modes of interpretation and appreciation

Sport and Performance in the Twenty-First Century Kelsey Blair, 2022-12-30 Analyzing sport through the lens of performance and theorizing performance through the lens of sport *Sport and Performance in the Twenty First Century* offers a field intervention a series of in depth performance analyses and an investigation of the intersection between sport performances

and public life in the historical present in the global north The objectives of this book are three fold First the book advocates for the study of sport in the fields of Theatre and Performance Studies and through in depth performance analyses demonstrates how the critical language and methods of performance studies help illuminate the manifold impacts of the practices activities and events of sport Second the book introduces new critical language that was originally developed in conjunction with sport but is also designed for cross genre performance analysis In introducing novel terminology the book aims to simultaneously facilitate analysis of sport performances and to demonstrate how the study of sport can contribute to the fields of Theatre and Performance Studies Finally the book investigates the epistemological affective and socio political effects of sport performances in order to illuminate how sport performances influence and are influenced by their historical conditions This study will be of great interest to students and scholars in Theatre and Performance Studies Physical Culture Studies and Socio Cultural Sports Studies
