Rebozos Carmen Tafolla, 2012 Celebrating both the rebozo as a cultural icon of Mexico and the series of rebozo inspired paintings by Mexican California artist Catalina Garate this bilingual collection of poems gives voices of strength endurance joy and sorrow to the women of Garate's paintings The rebozo is considered a physical manifestation of Mexican womanhood throughout every stage of life and can be used as a tool of daily labor a sling to carry children a shield from weather or from prying eyes an heirloom and even a shroud Inspired by each painting these poems in both Spanish and English are accompanied by a historical explanation of the role of the rebozo in Mexican history art and culture Latinx Poetics Ruben Quesada, 2022-11-15 *Latinx Poetics* Essays on the Art of Poetry collects personal and academic writing from Latino Latin American Latinx and Luso poets about the nature of poetry and its practice At the heart of this anthology lies the intersection of history language and the human experience The collection explores the ways in which a people's history and language are vital to the development of a poet's imagination and insists that the meaning and value of poetry are necessary to understand the history and future of a people The Latinx community is not a monolith and accordingly the poets assembled here vary in style language and nationality The pieces selected expose the depth of existing verse and scholarship by poets and scholars including Brenda Corderas Daniel Borzutzky Orlando Menes and over a dozen more The essays not only expand the poetic landscape but extend Latinx and Latin American linguistic and geographical boundaries Writers educators and students will find awareness purpose and inspiration in this one of a kind anthology Teaching and Testimony Allen Carey-Webb, Stephen Benz, 1996-07-03 By utilizing the testimonial narrative of Rigoberta Menchú a Mayan Quiché of Guatemala and winner of the 1992 Nobel Peace Prize teachers in this volume engage students in vital and relevant cross cultural learning in a variety of locations disciplines and levels *Teaching and Testimony* tells teachers stories of using Menchú's testimonial in their classrooms and invites reflection on the transformative possibility of integrating previously marginalized voices Energized by the teaching of Menchú's testimonial narrative I Rigoberta Menchú these teachers let their guard down wrestle with the immediate difficulties and possibilities of multicultural teaching and speak with passion about the importance of what they and their students are learning Celebrating Latino Folklore María Herrera-Sobek, 2012-07-16 Latino folklore comprises a kaleidoscope of cultural traditions This compelling three volume work showcases its richness complexity and beauty Latino folklore is a fun and fascinating subject to many Americans regardless of ethnicity Interest in and celebration of Latin traditions such as Día de los Muertos in the United States is becoming more common outside of Latino populations *Celebrating Latino Folklore: An Encyclopedia of Cultural Traditions* provides a broad and comprehensive collection of descriptive information regarding all the genres of Latino folklore in the United States covering the traditions of Americans who trace their ancestry to Mexico Spain or Latin America The encyclopedia surveys all manner of topics and subject matter related to Latino folklore covering the oral traditions and cultural heritage of Latin Americans from riddles
