No More Lonesome Blue Rings:

Hydrogen Sleets Michael Warren Lucas, 2016-07-30 Meet the new universe same as the old universe but thirteen billion years younger Aidan Redding's new assignment A space station in a universe so young it's barely invented hydrogen Researchers study the cosmos earliest days discover whole new realms of science and go screaming insane The mathematicians claim this universe obeys the same natural laws as Redding's own At the beginning of time though the universe writes its own rules

Aidan Redding Against the Universes Michael Warren Lucas, 2021-02-01 Physics inconvenient Change it Then watch it try to kill you Solve a murder in a universe without ground to stand on Investigate inexplicable deaths a few million years after the Big Bang Take too many breaths and never go home again Let the antimatter trickle between your fingers and visit five alien universes in this first Montague Portal omnibus Contains Forever Falls Hydrogen Sleets Drinking Heavy Water Sticky Supersaturation No More Lonesome Blue Rings

Forever Falls Michael Warren Lucas, There's no grounds for murder There's no ground at all The people exploring and exploiting alien universes risk everything including their lives But Devin Gupper's death makes no sense And the more questions security officer Aidan Redding asks the less rational it seems But in a bottomless universe full of impossibilities one impossible murder begins everything

psychological enclosure I did not choose the journal form to mask the personal to belittle or avoid it but to reflect my most intimate assessment of the personal as contributing to something greater comprehension It is not enough merely to record the frustrations joys or barriers of living without appraising these for what they represent and suggest where we learn not merely reiterate The ideal criteria of selection and discrimination apply not only to ones journal but to life as well adding a mythological drama and perspective that immersion alone does not permit In some ways journalizing is similar in impulse to the pastoral ethos or motif familiar in contemplative writing from Virgil to Thoreau one withdraws from active society toward natural or rural settings in search of some form of respite then returns to tell of their discoveries Some critics have seen this as the organizing design of most North American fables in fact as the American mythology seeking to heal the serious schism between our natural psyche and its more devastated environment that is a search for a middle ground or via media between the primitive and the technologically complex This volume of journal selections resembles that motif focusing on the withdrawal phase of a generally recuperative metaphysical cycle Such solitude is intentional a critical phase in the live withdraw live again cycle of spiritual refreshment A recuperative isolation can be experienced daily if one is discriminating in how their time is spent but is usually gained more intensely over long purposefully reclusive periods The motivations for my withdrawal were several perhaps the strongest a propensity as described of another Irish writer for being nearly overcome by the variety of life If not overcome certainly fatigued by events in and of themselves A reflective silence seemed essential to examine the roots of this propensity An ideal of pure time free of most distractions human or otherwise was also necessary for writing of the sort that interested me the personally contemplative or mystical Only through such reflection could I ever achieve a meaningful connection with the more active life that surrounded me The predominant experience of solitude especially in a society where the value of withdrawal is suspect or sporadic is the figurative isolation one experiences throughout the entire cycle of withdrawal and re emergence It is generally difficult for lovers of action to comprehend this attraction to non doing One of the aims of solitude is to reunite philosophy and religion or rather philosophy and awe to not accept the social impoverishment of these universal needs for knowledge and worship The asceticism of retreat was not solely the traditional and philosophical appeal of simplicity but the freedom from income producing and time consuming work it permitted For the solitary however an ideal of pure time must be united with an ideal of intimate association if the mystical quest is to be emotionally as well a
