No Picnic On Mount Kenya A Daring Escape A Perilous Climb:

No Picnic on Mount Kenya Felice Benuzzi, 2001-01-01 A new edition of one of National Geographic's Greatest Adventure Books of All Time with new illustrations from the author In 1943 Felice Benuzzi and two Italian compatriots escaped from a British POW camp in equatorial East Africa with only one goal in mind to climb the dangerous 17 000 foot Mount Kenya that Benuzzi would stare at from inside the camp No Picnic on Mount Kenya is the classic tale of one of the most bizarre and thrilling adventure stories of the 20th century a story that has earned its place as a unique masterpiece of daring suspense

No Picnic on Mount Kenya Felice Benuzzi, 2015-11-12 A rediscovered mountaineering classic and the extraordinary true story of a daring escape up Mount Kenya by three prisoners of war When the clouds covering Mount Kenya part one morning to reveal its towering peaks for the first time prisoner of war Felice Benuzzi is transfixed The tedium of camp life is broken by the beginnings of a sudden idea an outrageous dangerous brilliant idea There are not many people who would break out of a P O W camp trek for days across perilous terrain before climbing the north face of Mount Kenya with improvised equipment meagre rations and with a picture of the mountain on a tin of beef among their more accurate guides There are probably fewer still who would break back in to the camp on their return But this is the remarkable story of three such men No Picnic on Mount Kenya is a powerful testament to the human spirit of revolt and adventure in even the darkest of places The history of mountaineering can hardly present a parallel to this mad but thrilling escapade Saturday Review A most extraordinary prisoner of war and escape story New Yorker A mad venture and a gallant tribute to man's deep yearning for freedom Kirkus Reviews The book crackles with the same dry humour as its title It contains the prison yard bartering and candlelight stitching that mark a classic jailbreak yarn the encounters with wild beasts in Mount Kenya's forest belt are as gripping and the descriptions of sparkling glaciers as awe inspiring as any passage in the great exploration diaries of the early 20th century The Economist

No Picnic on Mount Kenya Felice Benuzzi, 2017-10-10 In the shadow of Mount Kenya surrounded by the forests and creatures of the savannah life drags interminably for the inmates of POW Camp 354 captured in Africa during World War II Confined to an endless cycle of boredom and frustration one prisoner realizes he can bear it no longer When the clouds covering Mount Kenya part one morning to reveal its towering peaks for the first time Felice Benuzzi is transfixed The tedium of camp life is broken by the beginnings of a sudden idea an outrageous dangerous brilliant idea Not many people would break out of a POW camp and trek for days across perilous terrain before climbing the north face of Mount Kenya with improvised equipment meager rations and a picture of the mountain on a tin of beef as their most accurate guide Fewer still would break back into the camp on their return This is the remarkable story of three such men a powerful testament to the human spirit of rebellion and adventure reissued in a deluxe edition featuring Benuzzi's own watercolor paintings of the expedition and a final chapter that has never before appeared in English

Tilman,2015-09-01 To those who went to the War straight from school and survived it the problem of what to do afterwards was peculiarly difficult For H W Bill Tilman the solution lay in Africa in gold prospecting mountaineering and a 3 000 mile bicycle ride across the continent Tilman was one of the greatest adventurers of his time a pioneering climber and sailor who held exploration above all else He made first ascents throughout the Himalaya attempted Mount Everest and sailed into the Arctic Circle For Tilman the goal was always to explore to see new places to discover rather than conquer First published in 1937 Snow on the Equator chronicles Tilman s early adventures his transition from East African coffee planter to famed mountaineer After World War I Tilman left for Africa where he grew coffee prospected for gold and met Eric Shipton the two beginning their famed mountaineering partnership traversing Mount Kenya and climbing Kilimanjaro and Ruwenzori Tilman eventually left Africa in typically adventurous style via a 3 000 mile solo bicycle ride across the continent all recounted here in splendidly funny style Tilman is one of the greatest of all travel writers His books are well informed and keenly observed concerned with places and

people as much as summits and achievements They are full of humour and anecdotes and are frequently hilarious He is part of the great British tradition of comic writing and there is nobody else quite like him Mount Snowdon to Mount Kenya, (and Back Again). Jerry Gordon, 2014-09-26 In a nutshell if I couldn't climb Mount Kenya then attempting Everest for charity would be foolhardy Mount Kenya is one of the world's biggest mountains I couldn't attempt climbing it until I'd trekked up Mount Snowdon to gain confidence and build leg strength and the great Welsh icon was no picnic either I was working temporarily as an interim manager for Anglesey Social Services near to Mount Snowdon so that came in handy I also climbed the island's Holyhead Mountain twice as part of the training schedule into the bargain An adventure for high altitude was one thing but another but another driver for the Mount Kenya trip June July 2014 was the thought of Mount Everest base camp 20 000ft If I could trek up Mount Kenya base camp 14 000ft I could attempt a later trek up the biggest mountain of all in October 2014 to help raise funds for FragileX Research at the University of Edinburgh has identified a chromosome snag that with the help of further funds it may be possible to unravel fix Go to the FragileX website for further details Last year my ex partner lost our baby son in childbirth Our relationship then sadly perished with loss of belief We were heartbroken and found separate ways to find solace She immersed herself in her social services carer's job I took time off work and drank too much beer to try and drown sorrows But moping around is not a long term solution We tried to regroup bought a gold ring became fiancés for six months afterwards but despite the engagement the birds of love and romance had flown the proverbial nest At the beginning of 2014 we boxed up respective belongings emptied the shared house and stood tall again as single people As the saying goes when you get knocked down you need to get up again I needed a fresh challenge Climbing high fitted the requirements The coming physical exertions were like a pilgrimage I was preparing to bare my soul to God on a mountain And soon I found that the great African sacred mount was merciful Negative thought frames were replaced with love and hope I found love in a hopeful place it was a glimpse of a bigger love I hope you gain something by this book that may inform help inspire your own life story with its certain highs and lows I have learned that when walking in a valley keep walking the higher ground will meet you and a bigger love exists Jerry Gordon
