Loving Me After We Ginger Dean, 2024-07-16 For fans of How to Do the Work by Dr Nicole

LePera and *The Book of Boundaries* by Melissa Urban *Loving Me After We* is the book that will teach you how to love yourself after you've lost yourself in a toxic relationship and embody confidence, emotional security and self-love. A breakup can feel like the end of the world but what if it could serve as the start of a better you? In our search for love, affection and acceptance we often find ourselves repeating old patterns with new partners. Our brains seek familiar touch points as a way of navigating the unpredictability of our lives but this means we can find ourselves reentering relationships with the same toxic dynamics. Toxic relationships are especially hard to recover from especially when they uncovered some of our earliest and deepest traumas. When we leave them we often find ourselves nursing a broken heart again and again. Even Ginger Dean, a celebrated psychotherapist, found herself stuck in this cycle but something eventually clicked. Heartbreak didn't have to be a foregone conclusion. Heartbreak can bring us back home to ourselves not only in our romantic relationships but in every area of our lives. Once we start healing our hearts other aspects of our lives open up to bloom. Through personal anecdotes, practical guidance and a little bit of tough love, Ginger brings her wisdom and empathy to any reader who is ready to join the revolution of women healing their hearts so they can start the best love affair they've ever known with themselves. *Loving ourselves, healing our emotional wounds, setting boundaries, breaking trauma bonds and doing the necessary healing work after a toxic relationship is a radical decision in today's society. We become savage self-lovers. We are loving me after we*

Getting Here From There Clara Atmane, Learn to tell your truth from a reflective, honest, nonreactive perspective. Recently retired from a challenging legal career, Clara Atmane was asking the big questions: Who am I now? Why am I here now? Why am I still so lonely? Digging into the first ten years of her life, Atmane uncovered secrets and hidden treasure. Blame and anger turned to wonder and curiosity. Emotions and trauma in those first ten years defined her yet her ability to survive and the techniques she developed also came to shape who she had become. In *Getting Here From There*, Ms. Atmane proves that where you start has no bearing on where you can end up. Born the youngest of six in a farming family, the idyllic backdrop hid a hostile and unwelcoming environment. The messages in those formative years were clear: You are ugly. Your

birth caused our mother s mental illness If you tell you will not be believed There was a dark side to her family There were villains Thankfully there was also survival Getting Here From There will show you how one woman came to forgive and even thank the people who mistreated her
